Independent Auditor's Report

To,
The Members of
IGC Industries Limited
(Formerly known as IGC Foils Limited)

Report on the Audit of the Financial Statements

Opinion

We were engaged to audit the accompanying financial statements of **IGC Industries Limited**, ("the Company"), which comprise the Balance Sheet as at **March 31, 2026**, the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year ended and notes to the financial statement, including a summary of the significant accounting policies and other explanatory information.

We express an opinion on the accompanying financial statements of the Company. Because of the significance of the matter described in the Basis of opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion

- a. The Company has not provided us with sufficient and appropriate audit evidence in respect of several material items required for forming our audit opinion. Specifically, advances made to suppliers, which were disclosed under the head "*Current Assets- Other Current Assets*" (Note No. 6). However, the Company failed to provide the underlying documentation supporting these advances, such as purchase orders, contracts, or agreements.

In the absence of supporting documentation, appropriate explanations, and due to the discrepancies observed in external confirmations, we were unable to obtain sufficient and appropriate audit evidence to verify the nature, accuracy, and recoverability of these balances. Consequently, we are unable to determine whether any adjustments are necessary in respect of these reported amounts and the resultant impact on the financial statements

- b. Further, an amount of Rs 20.00 Crores was Invested in shares of CNX Corporation Limited, a limited company, as disclosed under the head "*Financial Assets - Investments*" (Note No. 3).
- c. Further, the Shares of CNX Corporation ltd for Rs 20 Crores has been TRF to Shrynax trading private limited for its outstanding and for which we have been provided settlement agreement.
- d. Further, we were not provided with adequate supporting documentation for several statutory and financial matters including GST E-way bills, delivery challans, TDS challans, copies of TDS returns filed, professional tax payment challans and returns. The absence of such audit evidence has limited the scope of our audit procedures in these areas.
- e. We draw attention to the fact that the Company has incurred continuous losses during all four quarters of the financial year 2025-26 as well as in the preceding financial year 2024-25. These recurring losses raise significant doubt about the Company's ability to continue as a going concern. The management has not provided us with any comprehensive assessment or mitigation plan outlining how it intends to address the financial uncertainties and maintain operational viability. In the absence of such evaluation and supporting evidence, we are unable to assess the appropriateness of the going concern assumption used in the preparation of the financial statements. Accordingly, we were unable to determine whether any adjustments might be required to the carrying value of assets, liabilities, and classification of balances in the financial statements for the year ended 31st March, 2026.
- f. Note No. 5(c) and 8(b) to the financial statements, in respect of Loans & Advances and Unsecured Loans, external confirmations of the balances are not available. Due to non-availability of confirmation of balances, we are unable to quantify the impact, if any, arising from the confirmation of balances.

- g. Note No.4 to the financial statements, in respect of Inventories Verification of the Inventories are not available. Due to non-availability of confirmation of balances, we are unable to quantify the impact, if any, arising from the confirmation of balances.

Other Matters

The Company has various litigations pending before various authorities, the outcome of which are material but not practicable for the Company to estimate the timings of cash outflows, as well as per Legal opinions obtained by the management of the Company, it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation.

Our report is not modified in respect of the above matters.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a no material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the financial statements in accordance with Standards on Auditing and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements. We are independent in accordance with the ethical requirements in accordance with the Code of ethics and provisions of the Act, that are relevant to our audit of the financial statements and we have fulfilled

our other ethical responsibilities in accordance with the code of ethics and the requirements under the Act.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

Disclaimer of Opinion

We were engaged to audit the financial statements and due to the possible effects of the matters described in the “Basis for Disclaimer of Opinion” paragraph below, we are unable to obtain sufficient and appropriate evidence to provide a basis for our opinion on whether the Company has adequate internal financial controls over financial reporting with reference to these Ind AS financial statements as at **March 31, 2026**.

Basis for Disclaimer of Opinion

Due to the possible effects of the matters described in the Basis for Disclaimer of Opinion paragraph in our main audit report, we are unable to comment on the effectiveness of the internal financial controls over financial reporting with reference to these Ind AS financial statements as at **March 31, 2026** and whether such internal financial controls were operating effectively. Accordingly, we do not express an opinion on the internal financial controls over financial reporting with reference to the financial statements of the Company.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matter

Balances of Loans & Advances, Trade Receivables and Trade Payables are subject to Management Confirmation.
