PAT Margin (%)	2.2%	2.0%		2.5%		2.1%	1.9%	

Commenting on the Results, Shri Mahendrakumar Kabra, MD said, -

“FY26 has been a pivotal year for Ram Ratna, marked by strong execution, disciplined growth, and meaningful operational progress. We delivered healthy growth in both revenue and profitability, with Q4 showcasing exceptional momentum as EBITDA and PAT more than doubled year-on-year. At the same time, we further strengthened our return ratios, with ROCE improving to ~ 25% and ROE reaching ~21%.

A key highlight of the year was the continued improvement in our product mix, with the contribution of Copper Tubes and Pipes increasing from 14% to 22%, reflecting the progress of our strategic diversification initiatives and positioning the portfolio for sustainable long-term growth and profitability. As part of our focus on expanding value-added offerings, we are actively progressing on the development of Inner Grooved Tubes (IGT), which will further strengthen our presence in the segment.

Domestic demand momentum remained robust, supported by sustained investments across India’s power, transmission, distribution, and infrastructure sectors. We are also witnessing encouraging traction in high-growth segments such as EV infrastructure and renewable energy grid connectivity.

Looking ahead, the favourable industry outlook, supported by our diversification strategy, ongoing capacity expansion, and continued capital investments, positions us well for sustained growth. Additionally, our strategic initiatives through the joint venture and subsidiary businesses are steadily gaining momentum and are expected to contribute meaningfully to the Company’s future growth journey. We remain committed to creating sustainable value for all our stakeholders.”

About Ram Ratna Wires Ltd

Founded in 1992, Ram Ratna Wires Ltd. (RRWL) is a prominent part of RR Global, a leading conglomerate in the electrical and copper industry. Ram Ratna Wires Ltd. is a leading manufacturer of winding wires and copper tubes in India that offers a wide range of sizes under its brand, RR Shramik.
