These standalone financial results for the quarter and year ended 31 March 2026 have been prepared on a going concern basis in view of the positive net worth of the Company amounting to Rs. 17,917.64 million as of 31 March 2026. Company has repaid its major lenders during the year.

iii. Auditors' Comments on (i) or (ii) above: The recoverability of the dues from the subsidiaries and the realizability of the investment in subsidiary companies have not been established with evidence by the management and any shortfall in realization would affect the net worth of the holding company and thereby affecting its ability to continue as a going concern.

To,
Board of Directors of
Coffee Day Enterprises Limited
Report on the Audit of Consolidated Financial Results

1.Disclaimer of Opinion

- a. We were engaged to audit the accompanying Consolidated Financial Results of Coffee Day Enterprises Limited (the Parent), its subsidiaries (refer Annexure I) (the Parent and its subsidiaries together referred to as 'the Group'), and its associates for the year ended March 31, 2026, and its share of the net Profit / (Loss) after tax and other comprehensive income/(loss) of its associates for the year ended March 31, 2026 ("the Results"), being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended ("Listing Regulations").
- b. We do not express an opinion on aforesaid consolidated financial results because of the significance of the matters described in the para 'Basis for Disclaimer of Opinion' and absence of sufficient appropriate audit evidence has resulted in limitation on work and the consequential adjustments not being determined and based on the consideration of the audit reports of the other auditors referred to in Paragraph "Others Matters", we are unable to state whether the accompanying Results have been prepared in accordance with the recognition and measurement principles laid down in the relevant Indian Accounting Standards and other accounting principles generally accepted in India, or that the Statement discloses the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

2. Basis for Disclaimer of Opinion

- a. Attention is drawn to Note 5 of this statement wherein a final adjudication order dated 24.01.2023 has been served on the company under section 11 (11(4), 11(4A), 11B and 11B (of the Securities and Exchange Board of India Act, 1992 read with Rule 5 of SEBI (Procedure for Holding Inquiry and Imposing Penalties) Rules, 1995 by SEBI imposed with a total monetary penalty of Rs.26,00,00,000 (Rupees Twenty-Six Crore) under Section 15HA and Section 15HB of the SEBI Act, 1992 respectively on account of violations of provisions of Section 12A(a), (b) & (c) of the SEBI Act, 1992 read with Regulations 3(b), (c) & (d) and 4(1) of the PFUTP Regulations as stated in Para 59 and 60 of its order relating to the advances to MACEL by the subsidiaries of the Company. The company appealed against the above order dated 24th January 2023 to the Hon'ble Securities Appellate

fes

Tribunal (SAT) which granted stay on the imposition of penalty. Further, the Company has initiated arbitration proceedings against MACEL. These proceedings are updated to NSE and Board members of CDEL by legal firm Crest Law. In this regard the subsidiaries of the company have filed claim statement as part of arbitration proceedings.

No provision is made in the books of accounts against the amount receivable from MACEL. In the absence of any conclusive evidence demonstrated by the company for recoverability of the same, we are unable to comment on the recoverability, requirement or otherwise of provision on those receivables and consequential impact on these financial statements.

Further, we have in respect of 3 subsidiaries and 2 step-down subsidiaries, based on our review, have issued a disclaimer of conclusion due to the possible impact of the recoverability of dues from MACEL. Hence, we are unable to comment on the recoverability of amount due from MACEL amounting to Rs.3,357.13 Crores to the group as a whole.

Similarly in the case of one other subsidiary, the other auditor has issued a disclaimer of conclusion due to the possible impact of the recoverability of dues from MACEL.

b. In respect of the Holding Company and some of the subsidiaries, there are instances of non-compliance with certain debt covenants including interest & principal repayment defaults have been described. We also draw attention to the fact that the Holding Company has not obtained the balance confirmations on loans from two lenders amounting to Rs. 76.98 crores. We have been informed that during the previous years, certain lenders have exercised their right to recall the loan (refer Note 6, Note 8, Note 9, Note 10 and Note 13 of the Statement). In the absence of adequate and sufficient audit evidence to establish the amounts payable to the lenders, we are unable to provide our opinion on the correctness of these amounts reflected in the consolidated financial results and also on their consequential impact on financial liabilities.

c. The Consolidated Financial results of the Group have been prepared by the Management and Board of Directors using the going concern assumption in view of the positive net-worth of the Group (refer Note 7 of the Consolidated Financial Results). The matters detailed in the above paragraphs may have a consequential implication on the Group's ability to continue as a going concern. We have expressed the same in the reports of two subsidiary and three step-subsiararies.

Further, the auditors of one subsidiary and two step-down subsidiaries have also expressed material uncertainty over going concern in their reports.

Consolidated limited review report (continued)

d. We draw attention to Note No.14 of the Consolidated Financial Results wherein in 1 subsidiary there are doubts on the recoverability of capital advance dues aggregating to Rs. 275 Crores. An agreement for the purchase of land at Mumbai had been entered into which has been acquired by City & Industrial Development Corporation (CIDCO) nodal agency for acquiring land for Navi Mumbai International Airport. CIDCO has proposed alternative land in lieu of the acquisition of land. However, the party has filed legal case for monetary compensation instead of alternate land. Hence, we are unable to comment on the recoverability of amount due.

e. One of the subsidiary of the company has not recognized a financial guarantee given to erstwhile subsidiary SICAL amounting to Rs.41.67 Crores, which has been invoked by the lenders. Due to the proposed restructuring plan with the lender regarding a settlement, we are unable to assess the impact of this matter on the financial Results. Accordingly, the level of compliance with the Indian Accounting Standards cannot be ascertained by us.

f. We have highlighted in one subsidiary that the Company is currently undergoing a corporate restructuring process with its lenders, as detailed in Note No.9 of the Consolidated Financial Results. This restructuring involves realigning the company's debt and interest obligations in accordance with the proposed plan, which remains pending for necessary approvals. The company has not recognized the impact of exchange fluctuation difference for the External commercial borrowings from one lender who are also a part of the proposed restructuring plan. The conversion of the foreign currency loan into rupee loans as well as applicable interest rate of 8.50% is subject to the necessary approval of the Reserve Bank of India. Pending final execution of the restructuring plan and pending necessary approvals from the RBI for the conversion of foreign currency loan, we are unable to comment on the completeness of the loan balances and its impact in these consolidated financial results.
