**Subject: Corrigendum to Annual Report of the Company for the Financial Year 2025-26 as per Regulation 30 and 34 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.**

Dear Sir / Madam

In terms of Regulation 30 and 34 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Annual Report of Dhampur Speciality Sugars Limited for the financial year 2025-26 is enclosed herewith.

In compliance with the applicable provisions, the Annual Report of the Company for Financial Year 2025–26, together with the Notice convening the 34th Annual General Meeting, was submitted to the Stock Exchanges on August 20, 2026.

We wish to inform you that, for presentation purposes, the product design/imagery appearing on page Nos. 3, 6 and 7 of the Annual Report has been updated. This is a formatting/design revision only, and there is no change whatsoever to the substantive or financial information contained in the Annual Report.

The revised copy of the Annual Report for FY 2025–26 is enclosed for your records.

You are requested to kindly take the same on record.

**Thanking You,**  
**For Dhampur Speciality Sugars Limited**

## PEOPLE & CULTURE

# From Skills to Self-Worth: Transforming Women's Lives

At Dhampur, we believe that true empowerment begins when women have the opportunity to learn, develop skills and create a better future for themselves and their families. Through our **Bari Mandi initiative**, we have witnessed how access to meaningful skills and economic opportunities can transform lives in lasting ways.

For many women, acquiring new skills is more than a pathway to financial independence—it is a journey towards **confidence, dignity and self-worth**. By creating opportunities to learn and participate in productive work, the initiative enables women to recognise their own potential and make greater choices about their lives and futures.

The impact extends beyond individual women. With greater financial independence, women are better positioned to support their families, contribute to household well-being and invest in the education and aspirations of their children. Their growing confidence also encourages others in their communities to challenge traditional barriers and embrace new possibilities.

At Dhampur, we see women's empowerment as an important part of building a **more inclusive, resilient and sustainable society**. By providing skills, opportunities and an environment that encourages participation, we aim to help women move from dependence to independence, from skills to confidence, and ultimately from self-confidence to self-worth.

“  
When women grow,  
families become stronger,  
communities progress and  
society moves forward.  
”

## Message from the Chairman & MD

“Growth with  
Responsibility,  
Innovation with Integrity,  
and Success with  
Sustainability.”

### DEAR SHAREHOLDERS,

At Dhampur Speciality Sugars Limited, we believe that enduring business success is measured not only by financial performance, but also by the trust we earn and the value we create for our shareholders, customers, employees, business partners, farming communities and the environment.

As a company engaged in the production of speciality sugars, jaggery and allied products, our business is intrinsically connected with agriculture, food and the natural ecosystem. This connection gives us both an opportunity and a responsibility—to pursue growth while remaining conscious of the impact of our operations on people, resources and the environment.

Our vision is to build a business that stands for **quality, integrity and trust**. Every product bearing the Dhampur name should reflect our commitment to purity, consistency and responsible manufacturing, while responding to the changing needs and preferences of consumers in both domestic and international markets.

### CREATING SUSTAINABLE VALUE

Sustainability is central to the way we see our future. We are committed to encouraging responsible sourcing, improving resource efficiency, strengthening our manufacturing processes and pursuing better management of energy and other natural resources. We believe that sustainable growth is not merely an aspiration—it is essential to building a resilient business for the long term.

### INNOVATION AS A DRIVER OF GROWTH

The food and sugar industry continues to evolve, driven by changing consumer expectations, technological developments and emerging market opportunities. We will continue to focus on innovation in products, processes and operations, with the objective of enhancing quality, efficiency and competitiveness.

Our ambition is to strengthen our product portfolio and create greater value from our capabilities, while maintaining the standards and trust that our stakeholders associate with Dhampur.

### OUR PEOPLE AND PARTNERSHIPS

Our people remain at the heart of our progress. We are committed to creating a culture that encourages accountability, collaboration, learning and continuous improvement. At the same time, our relationships with farmers, suppliers, customers and other business partners are built on mutual respect, transparency and long-term value creation.

We firmly believe that ethical conduct and integrity are fundamental to sustainable growth. These principles guide our decisions and remain non-negotiable across every aspect of our business.

### LOOKING AHEAD

The operating environment will continue to present challenges, including market volatility, evolving consumer preferences, competitive pressures and the growing impact of climate-related risks. We, however, view these challenges as opportunities to strengthen our resilience, sharpen our capabilities and build a more agile and future-ready organisation.

**Our priorities for the years ahead remain clear:**

- **Innovation** in products, processes and business practices;
- **Sustainability** in agriculture, energy and resource management;
- **Operational excellence** through quality, efficiency and continuous improvement;
- **Value creation** through consistent and responsible performance;
- **Global competitiveness** while remaining firmly connected to our local communities; and
- **Trust and transparency** in everything we do.

As Directors, we remain committed to steering the Company with prudence, responsibility and a long-term perspective. Our objective is not simply to pursue growth, but to build a stronger institution—one that creates enduring value for shareholders while contributing positively to society and the environment.

We sincerely thank our shareholders for their continued confidence and support, our employees for their dedication, our farmers and business partners for their valuable contribution, and all our stakeholders for being an integral part of the Dhampur journey.

Together, we look forward to building a future that is stronger, more sustainable and more rewarding for all our stakeholders.

“Growth with Responsibility, Innovation with Integrity, and Success with Sustainability.”

Annual Secretarial Compliance Report for the year ended 31st March, 2026, confirming compliance of all applicable SEBI Regulations, Circulars and Guidelines by the Company was issued by M/s Uma Verma & Associates, Practicing Company Secretaries and filed with the Stock Exchanges.

### INTERNAL AUDIT

During the Financial year ended 31st March 2026, your Company has engaged the services of M/s. Ankit Bahuguna, Cost and Management Accountants, as Internal Auditors to carry out the Internal audit of the Company. The reports of the Internal Auditors, along with comments from the management are placed for review before the Audit Committee. The Audit Committee in consultation with the Statutory Auditor also scrutinizes the audit plan and the adequacy of Internal controls.

### COMPLIANCE WITH SECRETARIAL STANDARDS

The Company complies with all the applicable mandatory Secretarial Standards issued by The Institute of Company Secretaries of India.

### COST RECORD

Section 148(1) of the Companies Act, 2013 with respect to maintenance of Cost records is not applicable to your Company.

### DIRECTORS' RESPONSIBILITY STATEMENT

In accordance with the provisions of section 134 (3) (c) of the Companies Act, 2013, your Directors state that:

- i. In the preparation of the annual accounts, applicable accounting standards have been followed

along with proper explanation relating to material departures.

- ii. Accounting policies selected were applied consistently. Reasonable and prudent judgments and estimates are made so as to give a true and fair view of the state of affairs of the Company as of 31st March, 2026 and of the profits of the Company for the year ended on that date.
- iii. Proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- iv. The annual accounts of the Company have been prepared on a going concern basis.
- v. Proper Internal Financial Controls were in place and that the Financial Controls were adequate and were operating effectively.
- vi. Systems to ensure compliance with the provisions of all applicable laws were in place and were adequate and operating effectively.

The Company's Internal Auditors have conducted periodic audits to provide reasonable assurance that the Company's established policies and procedures have been followed.

## **CORPORATE SOCIAL RESPONSIBILITY COMMITTEE & POLICY**

The Company is not falling under the Section 135 of the Companies Act. So, the applicability of Corporate Social Responsibility is not applicable on the Company. Hence, there is no requirement to formulate CSR Policy.

## **INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THE FINANCIAL STATEMENTS**

Our Company has in place adequate internal financial controls with reference to financial statements. During the year, such controls were tested and no reportable material weakness in the design or operation was observed.

Based on the deliberation with Statutory Auditors to ascertain their views on the financial statements including the Financial Reporting System and Compliance to Accounting Policies & Procedures, the Audit Committee was satisfied with the adequacy and effectiveness of the Internal Control and System followed by the Company.

## **RISK MANAGEMENT POLICY**

The Company has duly approved a Risk Management Policy. The Company has an effective risk management procedure, which is governed at the highest level by the Board of Directors, covering the process of identifying, assessing, mitigating, reporting and review of critical risks impacting the achievement of Company's objectives or threatens its existence.

The Risk Management Policy of the Company can be accessed at <https://www.dhampurgreen.com/pages/investor-relations/> under Policies Codes

## **VIGIL MECHANISM POLICY**

Pursuant to the provisions of Section 177(9) of the Companies Act, 2013 read with Rule 7 of the Companies (Meetings of Board and its Powers) Rules, 2014 and Regulation 22 of the SEBI LODR, your Company has a Vigil Mechanism namely, Whistle Blower Policy for directors, employees and business partners to report genuine concerns about unethical behaviour, actual or suspected fraud or violation of your Company's Code of Conduct or ethics policy.

The Policy provides for adequate safeguards against victimization of employees who avail of the mechanism and also provides for direct access to the Chairman of the Audit Committee. It is affirmed that no personnel of the Company has been denied access to the Audit Committee.

Vigil Mechanism Policy can be accessed at <https://www.dhampurgreen.com/pages/investor-relations/> under Policies Codes.

## **ANNUAL RETURN**

SECRETARIAL AUDIT REPORT****For the Financial Year ended March 31, 2026**

*[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies  
(Appointment and Remuneration Personnel) Rules, 2014]*

**To,**  
**The Members**  
**Dhampur Speciality Sugars Limited**  
Village Pallawala, Tehsil Dhampur,  
Bijnor, Uttar Pradesh, 246761

I have conducted the Secretarial Audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by M/s Dhampur Speciality Sugars Limited (hereinafter called “the Listed Entity”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the M/s Dhampur Speciality Sugars Limited books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit. I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2026, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by M/s Dhampur Speciality Sugars Limited for the financial year ended on March 31, 2026, according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made there under;
- ii. The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made there under;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -
  - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
  - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
  - d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; (Not Applicable during the audit period)
  - e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not Applicable during the audit period)
  - f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not Applicable during the audit period) and
  - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not Applicable during the audit period)
- vi. The Management has identified and confirmed the following laws as applicable to the Company:
  - i. Food Safety and Standards Act, 2006 read with rules and regulations made thereunder;
  - ii. Export (Quality Control and Inspection) Act, 1963 read with rules and regulations made thereunder;
  - iii. Agricultural and Processed Food Products Export Act, 1986 read with rules and regulations made thereunder;
  - iv. Legal Metrology Act, 2009 and the Rules made thereunder read with rules and regulations made thereunder;
  - v. The Essential Commodities Act, 1955 read with rules and regulations made thereunder;

- vi. Sugar Development Fund Act, 1982 read with rules and regulations made thereunder;
- vii. Indian Boilers Act, 1923 read with rules and regulations made thereunder;
- viii. The Air (Prevention and Control of Pollution) Act, 1981 [Read with the Air (Prevention and Control of Pollution) Rules, 1982]
- ix. The Environment (Protection) Act, 1986 [Read with the Environment (Protection) Rules, 1986]
- x. The Water (Prevention and Control of Pollution) Act, 1974 [Read with the Water (Prevention and Control Of Pollution) Rules, 1975]
- xi. The Hazardous Waste (Management, Handling and Transboundary Movement) Rules, 2008
- xii. The Factories Act, 1948 read with rules and regulations made thereunder;
- xiii. The Industrial Disputes Act, 1947 read with rules and regulations made thereunder;
- xiv. UP Industrial Disputes Act, 1947 read with rules and regulations made thereunder;
- xv. Standing Order Covering the Conditions of Employment of Workmen in Vacuum Pan Sugar Factories in U.P.
- xvi. UP Sugar Wage Board (Constituted under U.P. Industrial Disputes Act, 1947);
- xvii. The Payment of Wages Act, 1936 read with rules and regulations made thereunder;
- xviii. The Minimum Wages Act, 1948 read with rules and regulations made thereunder;
- xix. The Employees' Provident Fund and Miscellaneous Provisions Act, 1952 read with rules and regulations made thereunder;
- xx. The Payment of Bonus Act, 1965 read with rules and regulations made thereunder;
- xxi. The Payment of Gratuity Act, 1972 read with rules and regulations made thereunder;

- xxii. The Contract Labour (Regulation and Abolition) Act, 1970 read with rules and regulations made thereunder;
- xxiii. The Maternity Benefit Act, 1961 read with rules and regulations made thereunder;
- xxiv. The Child Labour (Prohibition and Regulation) Act, 1986 read with rules and regulations made thereunder;
- xxv. The Industrial Employment (Standing Orders) Act, 1946 read with rules and regulations made thereunder;
- xxvi. The Employees' Compensation Act, 1923 (Earlier Known as Workmen's Compensation) Act, 1923 read with rules and regulations made thereunder;
- xxvii. The Apprentices Act, 1961 read with rules and regulations made thereunder;
- xxviii. The Employees' State Insurance Act, 1948 read with rules and regulations made thereunder;
- xxix. Public Liability Insurance Act, 1991 read with rules and regulations made thereunder;
- xxx. Sexual Harassment of women at the Workplace (Prevention, Prohibition, Redressal) Act, 2013 read with rules and regulations made thereunder;
- xxxi. Goods and Services Tax Act, 2017 (CGST) read with rules and regulations made thereunder;
- xxxii. UP GST Act, 2017 read with rules and regulations made thereunder;
- xxxiii. UP Molasses Control Act, 1964 read with rules and regulations made thereunder;

I have also examined compliance with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 by the Company with Bombay Stock Exchange Limited (BSE) and also with the Secretarial Standards issued by the Institute of Company Secretaries of India (ICSI) are applicable to the Company for the period under review.

**I hereby report that, during the Review Period the compliance status of the listed entity is appended as below:**

- All material events and information were disclosed in a timely manner, except for the publication of financial results in newspapers, which are required to be published within 48 hours from the conclusion of the Board Meeting.

I further report that, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review are carried out in compliance with the provisions of the Act.

I further report that,

- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda are sent adequately in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- As per the explanations given to me and the representations made by the Management and relied upon by me there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
- During the period under review, as explained and represented by the management, there are no specific events/actions in pursuance of the above referred laws, rules, regulations, guidelines, standards etc., having a major bearing on the Company's affairs.
- Based on the documents presented by the company before us, it is found that the company has not received the Internal Audit Report till the date of this report for the Financial Year ended under the Review.

**To,**  
**The Members**  
**Nostalgic Foods Retail Private Limited**  
**24, School Lane, Bengali Market,**  
**New Delhi, 110001**

I have conducted the Secretarial Audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by **M/s Nostalgic Foods Retail Private Limited** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the **M/s Nostalgic Foods Retail Private Limited** books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit. I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2026, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **M/s Nostalgic Foods Retail Private Limited** for the financial year ended on March 31, 2026, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) Secretarial Standards issued by the Institute of Company Secretaries of India (ICSI);
- (iii) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (iv) The Management has identified and confirmed the following laws as applicable to the Company:
  - i. Food Safety and Standards Act, 2006 read with rules and regulations made thereunder;
  - ii. Legal Metrology Act, 2009 and the Rules made thereunder read with rules and regulations made thereunder;
  - iii. The Standards of Weights and Measures Act, 1976 and the Standards of Weights and Measures (Packaged Commodities) Rules, 1977
  - iv. The Essential Commodities Act, 1955 read with rules and regulations made thereunder;
  - v. The Factories Act, 1948 read with rules and regulations made thereunder;

- vi. The Industrial Disputes Act, 1947 read with rules and regulations made thereunder;
- vii. The Payment of Wages Act, 1936 read with rules and regulations made thereunder;
- viii. The Minimum Wages Act, 1948 read with rules and regulations made thereunder;
- ix. The Employees' Provident Fund and Miscellaneous Provisions Act, 1952 read with rules and regulations made thereunder;
- x. The Payment of Bonus Act, 1965 read with rules and regulations made thereunder;
- xi. The Payment of Gratuity Act, 1972 read with rules and regulations made thereunder;
- xii. The Contract Labour (Regulation and Abolition) Act, 1970 read with rules and regulations made thereunder;
- xiii. The Maternity Benefit Act, 1961 read with rules and regulations made thereunder;
- xiv. The Child Labour (Prohibition and Regulation) Act, 1986 read with rules and regulations made thereunder;
- xv. The Industrial Employment (Standing Orders) Act, 1946 read with rules and regulations made thereunder;
- xvi. The Employees' Compensation Act, 1923 (Earlier Known as Workmen's Compensation) Act, 1923 read with rules and regulations made thereunder;
- xvii. The Apprentices Act, 1961 read with rules and regulations made thereunder;
- xviii. The Employees' State Insurance Act, 1948 read with rules and regulations made thereunder;
- xix. Public Liability Insurance Act, 1991 read with rules and regulations made thereunder;
- xx. Sexual Harassment of women at the Workplace (Prevention, Prohibition, Redressal) Act, 2013 read with rules and regulations made thereunder;
- xxi. Goods and Services Tax Act, 2017 (CGST) read with rules and regulations made thereunder;
- xxii. KGST Act, 2017 read with rules and regulations made thereunder;
- xxiii. Karnataka Tax on Professions, Trades, Calling and Employment Act 1976

***During the period under review, it was observed that the Company had not complied with the provisions of Section 179(3)(g) of the Companies Act, 2013, whereby the requisite resolution approving the financial statements and the Board's Report by the Board of Directors was required to be filed with the Registrar of Companies in Form MGT-14 pursuant to Section 117(3)(g) of the Act. Accordingly, no Form MGT-14 in respect of such resolution was found in the records and MCA filings made available.***

I further report that, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors.

I further report that,

- Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda sent adequately in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- As per the explanations given to me and the representations made by the Management and relied upon by me there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.
- During the period under review, as explained and represented by the management, there are no specific events/actions in pursuance of the above referred laws, rules, regulations, guidelines, standards etc., having a major bearing on the Company's affairs.

**INFORMATION ON CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO PURSUANT TO SECTION 134(3)(m) OF THE COMPANIES ACT, 2013 READ WITH RULE 8(3) OF COMPANIES (ACCOUNTS) RULES, 2014 FOR THE YEAR ENDED MARCH 31, 2026**

**A. CONSERVATION OF ENERGY**

|                                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
|-----------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>1. Steps taken or impact on conservation of energy</p> | <p>a. <b>Energy-Efficient Lighting Systems:</b> Energy-efficient lighting systems, including Compact Fluorescent Lamps (CFLs) and other high-efficiency lighting solutions, have been installed across the premises to reduce electricity consumption, improve illumination efficiency, and minimize overall energy demand. Wherever feasible, conventional lighting fixtures are being progressively replaced with energy-efficient alternatives such as LED lighting.</p> <p>b. <b>Energy-Efficient Air Conditioning Systems:</b> Existing aged and energy-inefficient split air-conditioning units have been progressively replaced with modern, high-efficiency models. These systems are selected based on improved energy performance, thereby reducing electricity consumption, optimizing cooling efficiency, and lowering the overall carbon footprint of the premises. Regular servicing and preventive maintenance are also undertaken to ensure efficient operation.</p> <p>c. <b>Solar Energy Utilization:</b> Solar photovoltaic (PV) panels have been installed/proposed for installation on suitable rooftop and open areas of the premises to harness renewable solar energy. The generated solar power is utilized to meet a portion of the facility's electricity requirements, thereby reducing dependence on conventional grid electricity, lowering energy costs, and promoting the use of clean and renewable energy.</p> |

|  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|--|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | <p>d. <b>Water Recycling and Reuse:</b> A Reverse Osmosis (RO) water treatment plant has been implemented to improve water quality and facilitate the recycling and reuse of treated water wherever technically feasible. The initiative supports efficient utilization of water resources and contributes to reducing freshwater consumption and wastewater generation.</p> <p>e. <b>Energy Monitoring and Management:</b> A dedicated team continuously monitors the lighting, air-conditioning, and other major electrical systems to ensure optimal energy utilization. Energy consumption is periodically reviewed to identify areas of excessive consumption and opportunities for further efficiency improvements. Equipment is operated and maintained in accordance with energy-saving practices.</p> <p>f. <b>Employee Awareness and Energy Conservation:</b> Employees are regularly sensitized and trained on energy conservation and sustainable resource-management practices. Awareness initiatives encourage responsible use of electricity and water, including switching off lights, air conditioners, computers, and other electrical equipment when not required, thereby minimizing unnecessary resource consumption.</p> <p>g. <b>Efficient Electrical Equipment:</b> Energy-efficient electrical and electronic equipment, including high-efficiency fans, motors, pumps, computers, and other appliances, are progressively adopted wherever feasible. Preference is given to equipment with higher energy-efficiency ratings to reduce operational energy consumption.</p> |

|                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|-------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                                                         | <p>h. Optimization of HVAC and Electrical Operations: Air-conditioning temperature settings, operating schedules, and usage patterns are periodically reviewed to avoid unnecessary energy consumption. Preventive maintenance of air-conditioning systems, electrical panels, pumps, and other equipment is carried out to maintain optimum performance and minimize avoidable energy losses.</p> <p>i. Use of Renewable and Sustainable Practices: The premises continuously explore opportunities to increase the share of renewable energy, improve energy efficiency, reduce greenhouse-gas emissions, and adopt environmentally responsible technologies. These measures collectively support the organization's commitment toward sustainable operations and efficient utilization of natural resources.</p> |
| 2. Steps taken by the Company for utilizing alternate sources of energy | Company has set up solar panels in its Corporate Office situated in New Delhi to minimize electricity consumption and to promote the use of green Energy.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| 3. Capital investment on Energy Conservation equipment                  | During the financial year 2025-26, there was no capital investment by the Company on energy conservation equipment.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |

### (B) TECHNOLOGY ABSORPTION

|                                                                                                                                                                                                                                                                                                         |            |

**CERTIFICATE BY MANAGING DIRECTOR AND CHIEF FINANCIAL OFFICER IN  
TERMS OF REGULATION 17(8) OF SEBI (LODR) REGULATIONS, 2015**

**To**

**The Board of Directors,  
Dhampur Speciality Sugars Limited**  
Village Pallawala, Tehsil-Dhampur,  
Bijnor, Uttar Pradesh – 246761

**Subject: Compliance Certificate as required under Regulation 17(8) read with Regulation 33 (2)  
(a) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

**We hereby certify that:**

- A. We have reviewed financial statements and the cash flow statement for the quarter & year ended March 31, 2026 and that to the best of our knowledge and belief:
1. these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
  2. these statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- B. There are, to the best of our knowledge and belief, no transactions entered into by the Company during the quarter and financial year ended March 31, 2026 which are fraudulent, illegal or violative of the Company's code of conduct.
- C. We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of the internal control systems of the Company pertaining to financial reporting and we have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- D. We have indicated to the Auditors and the Audit Committee:
- a) that there were no significant changes in internal control over financial reporting during the quarter and financial year ended March 31, 2026.
  - b) that there were no significant changes in accounting policies during the quarter and financial year ended March 31, 2026 and;
  - c) that there were no instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

### GLOBAL ECONOMIC REVIEW

#### Overview

The global economy has shown resilience through 2025 and into 2026, though the outlook has become more uneven following the outbreak of conflict in the Middle East in early 2026. According to the International Monetary Fund's (IMF) World Economic Outlook Update of July 2026, global growth is projected at approximately 3.0% for 2026 and 3.4% for 2027, broadly unchanged on a cumulative basis from the April 2026 projections. Growth remains divergent across regions: energy-importing and vulnerable economies are absorbing the impact of the war-related commodity price shock, while economies integrated into the global technology and AI value chains continue to benefit from strong technology investment. Global headline inflation, after a period of steady disinflation, has stalled and is expected to firm modestly through 2026 before resuming its decline, with risks to the outlook broadly balanced between renewed geopolitical escalation and a potential re-rating of AI-driven productivity expectations.

Advanced economies are estimated to grow at a modest pace, with the United States benefiting from fiscal support and lower policy rates even as elevated trade barriers continue to weigh on activity, while growth in the Euro area and other advanced economies remains comparatively subdued. Among emerging markets, Asia continues to be the primary engine of global growth, with India retaining its position as the fastest-growing major economy and China's growth gradually moderating. Elevated public debt levels, tighter-for-longer financial conditions in parts of the world, and the fluid geopolitical backdrop remain key downside risks that the Company continues to monitor given their bearing on commodity prices, freight costs and global trade flows relevant to the sugar and allied products business.

#### INDIAN ECONOMIC REVIEW

India continued to be the fastest-growing major economy in the world through FY2025-26. Provisional estimates released by the Ministry of Statistics and Programme Implementation (MoSPI) placed India's real GDP growth for FY2025-26 at a robust level, supported by resilient private consumption, strong services exports and sustained public investment, with the Reserve Bank of India (RBI) having progressively raised its growth estimate for the year over successive policy reviews. For FY2026-27, forecasts from the IMF, World Bank, Asian Development Bank and domestic agencies converge in a range of approximately 6.4% to 6.8%, reflecting some moderation from FY2025-26's exceptionally strong outturn as external headwinds – including elevated crude oil prices linked to West Asian tensions and a wider current account deficit – offset otherwise resilient domestic fundamentals.

Retail inflation has remained comfortably within the RBI's tolerance band through much of the year, aided by softer food prices, providing room for an accommodative monetary policy stance. Rural demand, supported by a normal monsoon and government welfare spending, and continued momentum in manufacturing and infrastructure investment, have underpinned

domestic consumption – a key demand driver for the branded food, sugar and jaggery products that the Company and its subsidiaries sell. The agriculture and allied sector, including sugarcane cultivation, remains central to rural incomes and, by extension, to the raw-material availability and cost structure of the sugar industry in which the Company operates.

### GLOBAL SUGAR SECTOR

Global sugar markets moved from a supply deficit in 2024/25 to a projected surplus in 2025/26 as production recovered in key growing regions. The International Sugar Organisation (ISO) most recently estimated global sugar production for 2025/26 at a record level of around 182 million tonnes, up approximately 3.5% year-on-year, with a global surplus of around 2.2 million tonnes, reversing a deficit of roughly 3.5 million tonnes in 2024/25. This recovery has been driven principally by higher output in Brazil's Centre-South belt, together with improved harvests in India and Thailand. Looking ahead to 2026/27, the ISO has flagged a swing back toward a modest global deficit – of the order of 0.25 to 0.5 million tonnes on various estimates – citing potential El Niño-related disruption to cane yields in India and Thailand, alongside Brazilian mills diverting a larger share of cane toward ethanol amid firmer fuel prices.

Global sugar prices have accordingly been volatile through the year: benchmark futures eased on the back of the record 2025/26 crop estimate before firming again on deficit concerns for 2026/27 and on supply-side uncertainty linked to geopolitical developments affecting energy and freight markets. For a speciality and value-added sugar and jaggery player such as the Company, this volatility in commodity sugar prices reinforces the strategic rationale for a branded, differentiated product mix that is less directly exposed to swings in bulk sugar realisations.

### EXPORTS

India is the world's second-largest producer and exporter of sugar. For the 2025-26 sugar marketing year (October-September), the Food Ministry initially permitted exports of 1.5 million tonnes, later supplementing this with an additional pool of 0.5 million tonnes. However, citing concerns over domestic closing stock levels amid an uncertain production outlook for the 2026-27 season, softer global price realisations, and precautionary considerations linked to potential El Niño effects and geopolitical uncertainty, the Directorate General of Foreign Trade (DGFT), by notification dated 13th May 2026, moved raw, white and refined sugar from the “restricted” to the “prohibited” export category with effect from that date until 30th September 2026 (or until further orders), other than shipments exempted under the notification, including committed quota volumes to the European Union and the United States.

This marks a sharp change from the export-friendly stance seen in recent seasons and reflects the government's continuing priority of ensuring adequate domestic availability and price stability over export revenue maximisation. India's sugar export earnings had already been on a declining trend in value terms over the preceding few years amid weaker global price parity and rising domestic consumption and ethanol diversion. For manufacturers such as the Company, the export restriction is expected to have limited direct impact given the domestic and branded-FMCG orientation of its product portfolio, though it underscores the broader policy environment – shaped by the trade-off between export opportunity, ethanol diversion and domestic price stability – within which the Indian sugar industry operates.

| Particulars | Amount (Rs. In Lakhs) |
|-------------|-----------------------|
| 2025-26     | 16.99                 |
| 2024-25     | 150.90                |
| 2023-24     | 56.80                 |

## INDIAN ETHANOL SECTOR REVIEW

India's Ethanol Blending Programme (EBP) has been a defining feature of the sugar and biofuel policy landscape in recent years. Blending levels rose steadily from about 1.5% in 2013-14 to roughly 18% by early 2025, and the country achieved its 20% ethanol-blending (E20) target for Ethanol Supply Year (ESY) 2025-26, well ahead of the originally planned 2030 timeline. The programme draws on a diversified feedstock base spanning sugarcane juice, B-heavy molasses, surplus and damaged foodgrains, and maize, with maize's share in ethanol production having grown markedly as the government has sought to reduce dependence on sugarcane-based feedstock and balance food-versus-fuel considerations. The government has also indicated a longer-term ambition of moving toward E27 blending by 2030, alongside continued support for second-generation (2G) ethanol capacity.

For the sugar industry, ethanol diversion has become a structurally important, higher-margin outlet for surplus cane and B-heavy molasses, helping stabilise mill cash flows and reduce dependence on volatile export and domestic sugar-price cycles. At the same time, the diversion of cane juice and molasses toward ethanol – estimated at over 30 lakh tonnes of sugar-equivalent in the current season – has been a contributing factor behind tighter domestic sugar stock projections and, in turn, the recent export restrictions discussed above. The government has periodically recalibrated the extent of permissible diversion (including temporary curbs on juice/syrup-based ethanol in years of tight sugar output) to balance farmer income, fuel-security and food-security objectives. Global ethanol production and consumption are also expected to rise further in 2026, supported by recovery in Brazil and continued expansion in India, reinforcing ethanol's role as a structural growth avenue for cane-based industries such as the one in which the Company operates.

## INDUSTRY STRUCTURE, DEVELOPMENTS AND BUSINESS OVERVIEW

Dhampur Speciality Sugars Limited (“the Company” / “DSSL”), incorporated in 1992 and headquartered at Village Pallawala, Tehsil Dhampur, Bijnor (Uttar Pradesh), is engaged in the manufacturing, processing, trading, import and export of sugar and allied products, including raw sugar, refined sugar, gur (jaggery), khandsari and related by-products. The Company markets its products under the “Dhampur Green” and “Sugarindia” brands and, through its wholly owned subsidiaries – Dhampur Green Private Limited, Sun Burst Services Private Limited and Nostalgic Foods Retail Private Limited – has extended its footprint into the fast-moving consumer goods (FMCG) space, covering mocktails and drink mixes, snacks, syrups and toppings, organic groceries, gur mithai and desserts, baking products and mouth fresheners.

Within the broader industry backdrop described above – a record but increasingly policy-managed global and domestic sugar supply, an export environment now constrained by the May 2026 prohibition, and a fast-maturing ethanol economy – the Company's speciality and value-added product mix positions it to participate in the premiumisation trend within the

branded foods and FMCG space, which is comparatively less exposed to the cyclicity of commodity sugar and export policy than bulk sugar manufacturing and trading.

### **FINANCIAL PERFORMANCE – STANDALONE AND CONSOLIDATED**

The Board of Directors, at its meeting held on 28th May 2026, approved the Company's audited standalone and consolidated financial results for the quarter and year ended 31st March 2026. The statutory auditors, M/s JLN US & Co. LLP, Chartered Accountants, issued an unmodified (unqualified) opinion on both sets of results. Key highlights are summarised below.

#### **Standalone Performance**

| <b>Particulars (₹ in Lakh)</b> | <b>FY 2025-26</b> | <b>FY 2024-25</b> | <b>Growth (%)</b> |
|--------------------------------|-------------------|-------------------|-------------------|
| Revenue from Operations        | 5,530.56          | 3,578.35          | <b>54.56%</b>     |
| Cost of Materials Consumed     | 4,107.27          | 2,330.31          | <b>76.26%</b>     |
| Net Profit for the Year        | 540.85            | 250.34            | <b>116.06%</b>    |

#### **Consolidated Performance**

| <b>Particulars (₹ in Lakh)</b> | <b>FY 2025-26</b> | <b>FY 2024-25</b> | <b>Growth (%)</b> |
|--------------------------------|-------------------|-------------------|-------------------|
| Revenue from Operations        | 5,838.98          | 3,979.86          | <b>46.71%</b>     |
| Net Profit for the Year        | 554.78            | 287.79            | <b>92.77%</b>     |
| Total Assets                   | 5,065.37          | 3,973.59          | <b>27.47%</b>     |
| Basic & Diluted EPS            | 6.35              | 3.45              | <b>84.06%</b>     |

On a standalone basis, revenue from operations grew by approximately 55% year-on-year, driven by higher sales volumes across the sugar, jaggery and allied product range. Cost of materials consumed rose broadly in line with the higher scale of operations, reflecting the pass-through nature of raw material (sugarcane and cane-derivative) costs. Net profit more than doubled on the back of operating leverage and improved realisations. On a consolidated basis – incorporating the three wholly owned FMCG subsidiaries – revenue grew by approximately 47% and net profit nearly doubled, with consolidated basic and diluted EPS rising to ₹6.35 from ₹3.45 in the previous year. Management has noted that the sugar and jaggery business is seasonal in nature and that quarter-on-quarter performance may accordingly vary.

### **BALANCE SHEET STRENGTH AND KEY RATIOS**

- The Company remains almost debt-free, providing balance sheet flexibility to fund working capital and growth capex.
- Debtor days improved from 33.9 days to 23.1 days, reflecting tighter receivables management.
- Working capital cycle shortened from 111 days to approximately 66.6 days, aiding cash conversion.
- Return on equity has averaged approximately 9.9% over the last three years.
- Promoter shareholding stood at approximately 60.3%; shareholders approved issuance of warrants to the promoter group at an Extraordinary General Meeting held on 18th March 2026, which is expected to further strengthen net worth on conversion.

### SEBI Schedule V – Key Ratio Disclosure

Schedule V to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 requires disclosure of significant changes (25% or more compared with the immediately preceding financial year) in specified key financial ratios, together with explanations, and disclosure of changes in Return on Net Worth. The source draft does not contain all the underlying ratio figures required for this disclosure.

| Ratio                                   | Units      | FY 2025-26     | FY 2024-25     | Variance (%)   | Explanation for change of 25% or more, if applicable                                          |
|-----------------------------------------|------------|----------------|----------------|----------------|-----------------------------------------------------------------------------------------------|
| <b>Current Ratio</b>                    | Times      | 2.61           | 3.08           | (15.18%)       | Not applicable                                                                                |
| <b>Debt-Equity Ratio</b>                | Times      | Not Applicable | Not Applicable | Not Applicable | Not applicable, as the Company has no debt.                                                   |

| <b>Return on Capital Employed</b> | Percentage | 18.54% | 11.01% | 68.43% | Increase in operating performance and revenue resulted in improvement in Return on Capital Employed. |

### Segment / Product-wise Performance

The Company's principal reportable activity remains the manufacture and trade of sugar, jaggery (gur) and khandsari products, which continues to contribute the majority of standalone turnover. The FMCG segment, housed under the subsidiaries, is a smaller but faster-growing contributor to consolidated revenue, spanning organic groceries, snacks, syrups, mocktail and drink mixes, and dessert/mithai products sold under the Dhampur Green and Sugarindia brands. Consolidated numbers, which are higher than standalone figures across revenue, profit and assets, indicate that the subsidiary/FMCG businesses are incrementally accretive to the Group's overall performance.

### OPPORTUNITIES AND THREATS

#### Opportunities

- Rising consumer preference for natural, organic and speciality sweeteners (jaggery-based and low-processed products) over conventional refined sugar.
- Brand-led premiumisation and expansion of the FMCG portfolio (snacks, syrups, mixes, desserts) offering higher margins than commodity sugar.
- A largely debt-free balance sheet and shortening working-capital cycle provide headroom to fund organic growth and new product launches.
- Potential capital infusion from the promoter warrant issue approved in March 2026, which could support capacity expansion or working capital.
- Export opportunities for value-added sugar and jaggery products, subject to prevailing government export policy.

#### Threats and Challenges

- Sugar and jaggery are seasonal, Agri-linked businesses; cane availability, weather and yield variability can cause volatility in input cost and quarterly performance.
- Regulatory changes in cane pricing (FRP/SAP), export-import quotas and ethanol-blending policy can materially affect realisations and volumes.
- Intensifying competition from larger, integrated sugar producers and from other branded FMCG players entering the speciality-foods space.
- Profitability remains sensitive to commodity price movements, given that cost of materials consumed forms the largest expense line.
- Relatively small scale of operations compared with larger listed sugar companies may constrain economies of scale and bargaining power.

### Weakness

- Cane prices in India remain relatively high compared with global sugar-producing regions, putting pressure on the cost structure and margins of sugar mills.
- Technology adoption across the sugar industry remains uneven, with several mills continuing to require investments in modernisation, automation, energy efficiency and process optimisation.
- Sugar mills continue to face financial and operational pressures arising from fluctuations in sugar prices, cane costs, production levels, working-capital requirements and regulatory changes.

### OUTLOOK

Management expects the growth momentum seen in FY2025-26 to continue, supported by the Company's speciality and branded product strategy, an increasingly efficient working-capital cycle, and the planned capital infusion through the promoter warrant issue. The Board will continue to evaluate opportunities to expand capacity, deepen distribution for the FMCG portfolio, and diversify the product mix toward higher-margin, value-added offerings, while remaining watchful of Agri-commodity price cycles and regulatory developments affecting the sugar industry.

### RISKS AND CONCERNS

The principal risks facing the Company include agricultural/commodity risk (sugarcane price and availability), regulatory risk (changes in minimum support price, export policy and ethanol-blending norms), competition risk from larger integrated players, and execution risk associated with scaling the newer FMCG subsidiaries. Currency and export-market risk apply to the extent the Company undertakes cross-border trade. The Company seeks to mitigate these risks through prudent working-capital management, a conservative debt profile, diversification across product categories, and continuous monitoring by the Board and its committees.

### INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has an internal control framework commensurate with its size and the nature of its business, covering financial reporting, safeguarding of assets and compliance with applicable laws. M/s Ankit Bahuguna & Co., Cost Accountant, has been appointed as Internal Auditor to periodically review and report on the adequacy of internal controls. The Audit Committee of the Board reviews internal audit findings, the adequacy of internal financial controls and the statutory audit process, and the statutory auditors, M/s JLN US & Co. LLP, have issued an unmodified opinion on the standalone and consolidated financial statements for FY2025-26.

### HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Company maintains a lean corporate structure appropriate to its current scale of operations, supplemented by operational and factory-level personnel. Industrial relations during the year remained cordial. The Company continued to comply with applicable labour and employment laws, including the Maternity Benefit Act, 1961, and applicable requirements relating to the prevention, prohibition and redressal of sexual harassment at the workplace, as disclosed in the Corporate Governance Report.

**CAUTIONARY STATEMENT**

Statements in this Management Discussion and Analysis Report describing the Company's objectives, projections, estimates and expectations may be “forward-looking statements” within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied, depending on cane and commodity price movements, changes in government policy and regulation, competitive conditions, and other economic, business and market factors. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

## Annexure-7

**CORPORATE GOVERNANCE REPORT**

For the year ended March 31, 2026

*(Pursuant to Regulation 34 read with Schedule V (C) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015)*

The Directors present the Company's Report on Corporate Governance for the financial year ended 31st March, 2026 as stipulated in Para C of Schedule V and all other applicable Regulation(s) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the disclosure requirements of which are given below:

**1. CORPORATE GOVERNANCE PHILOSOPHY**

For the Company, upholding the highest standards of corporate governance is not merely a statutory obligation; it is a fundamental principle that defines its ethos, shapes its culture, and guides every aspect of its decision-making and business conduct. The Company remains firmly committed to embracing globally recognised governance practices that promote sustainable business excellence, create enduring long-term value for shareholders, and safeguard the interests of all stakeholders.

Transparency, accountability, integrity, and ethical conduct lie at the heart of the Company's governance philosophy. These principles serve as the cornerstone of a robust governance framework, enabling the Company to conduct its operations with discipline, responsibility, and due regard for stakeholder interests. They are deeply embedded in the way the Company is managed, decisions are made, and responsibilities are discharged across the organisation.

The Company continuously strives to strengthen its governance practices in line with evolving global standards, regulatory expectations, and emerging best practices. Through responsible leadership, effective oversight, prudent decision-making, and a culture of ethical behaviour, the Company seeks to build lasting trust and credibility with its stakeholders. This unwavering commitment to sound Corporate Governance reinforces the Company's pursuit of sustainable growth, resilience, and long-term value creation, while reaffirming its role as a responsible and accountable corporate citizen.

**The Company's compliance of Corporate Governance guidelines of the Listing Agreement is as follows:**

**A. COMPOSITION OF THE BOARD AND RECORD OF OTHER DIRECTORSHIPS HELD**

The composition of the Board of Directors of the Company is in conformity with the Regulation 17 of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015, as amended from time to time with the Stock Exchanges. The structure of the Board and record of other Directorships, Committee memberships & Chairmanships and shareholding in the Company as on March 31, 2026 is as under:

The Composition and Category of the Board of Directors is as follows:

| S. No. | Name of Directors               | Category                           | Designation       | No. of Directorships and Committee Memberships/Chairmanships* |                      |                         |
|--------|---------------------------------|------------------------------------|-------------------|---------------------------------------------------------------|----------------------|-------------------------|
|        |                                 |                                    |                   | Directorship                                                  | Committee Membership | Committee Chairmanships |
| 1      | Mr. Sorabh Gupta                | Executive Director                 | Managing Director | 5                                                             | -                    | -                       |
| 2      | Mrs. Praveen Singh              | Non-Executive Director             | Director          | 3                                                             | 3                    | -                       |
| 3      | Mr. Mohd Arshad Suhail Siddiqui | Non-Executive Independent Director | Director          | 2                                                             | 3                    | 3                       |
| 4      | Mr. Ajay Goyal                  | Non-Executive Independent Director | Director          | 7                                                             | 3                    | -                       |

\* The number of directorships and memberships in the Committees of Other Companies held by the Directors as on March 31, 2026.

\*\* None of Director held Directorship in Other Listed Company.

The Company is managed and controlled through a professional body of Board of Directors, which comprise of an optimum combination of Executive and Non-Executive Independent Directors headed by the Chairman. The present strength of Board of Directors is Four (4), out of which one (1) is Managing Director, one (1) is Non-Executive Director and two (2) are Independent Non-Executive Directors. The Company's Board consists of eminent persons with considerable professional expertise and experience. The independent directors do not have any pecuniary relationship or transactions with the company, promoters, and management, which may affect independence or judgment of the Directors in any manner.

#### A. BOARD MEETINGS:

##### 1. Scheduling and selection of agenda items for Board Meetings

The months for holding the Board Meetings in the ensuing year are usually decided in advance and most Board Meetings are held at the Company's corporate office in New Delhi. The agenda for each meeting, along with explanatory notes, is sent in advance to the Directors. The Board meets at least once in a quarter to review the quarterly results and other items on the agenda.

##### 2. Number of Board Meetings

The Board of Directors of the Company met six times on the following dates, During the Financial year ended 31st March, 2026. The maximum time gap between any two meetings was not more than one hundred twenty days.

| S. No. | Date of Board Meeting | Board Strength | Directors Present | Independent Directors Present |
|--------|-----------------------|----------------|-------------------|-------------------------------|
| 1.     | 30th May 2025         | 4              | 4                 | 2                             |
| 2.     | 4th August 2025       | 4              | 4                 | 2                             |
| 3.     | 1st September 2025    | 4              | 4                 | 2                             |
| 4.     | 14th November 2025    | 4              | 4                 | 2                             |
| 5.     | 10th February 2026    | 4              | 4                 | 2                             |
| 6.     | 19th February 2026    | 4              | 4                 | 2                             |

### 3. Record of the Directors' attendance at Board Meetings and AGM

| Name of the Director            | Number of Board Meetings the Director was entitled to attend | Number of Board Meetings attended by Director | Attendance at AGM |
|---------------------------------|--------------------------------------------------------------|-----------------------------------------------|-------------------|
| Mr. Sorabh Gupta                | 6                                                            | 6                                             | Yes               |
| Mr. Mohd Arshad Suhail Siddiqui | 6                                                            | 6                                             | Yes               |
| Mrs. Praveen Singh              | 6                                                            | 6                                             | Yes               |
| Mr. Ajay Goyal                  | 6                                                            | 6                                             | Yes               |

### 4. The details of shares and convertible instruments held by non-executive Directors in the Company as on 31st March, 2026

| S. No. | Name of Directors               | No. of Shares |

#### 6. Availability of information to the Board

The Board has unfettered and complete access to any information within the Company and to any employee of the Company. Necessary information as per SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 has been regularly placed before the Board for its consideration.

### B. FAMILIARISATION PROGRAMME FOR BOARD MEMBERS AND INDEPENDENT DIRECTORS

The Board members are provided with necessary documents/ brochures, reports and internal policies to enable them to familiarize themselves with the Company's procedures and practices.

At the time of appointing a director, a formal letter of appointment is given to him, which inter alia explains the role, function, duties and responsibilities expected of him as a Director of the Company. The Director is also explained in detail the compliance requirements applicable to him under the Companies Act, 2013, SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 and other relevant regulations and affirmation taken with respect to the same. Further the Company has put in place a system to familiarize the Independent Directors about the Company, its products, business and the on-going events relating to the Company.

The familiarization programme for Independent Directors in terms of the provisions of Regulations 25 and 46 of the SEBI LODR is uploaded on the website of the Company. And can be accessed at <https://www.dhampurgreen.com/pages/investor-relations/> under Policies Codes.

### C. EVALUATION OF BOARD EFFECTIVENESS

In terms of the provisions of the Act read with relevant rules thereof and Regulation 19(4) read with Part D of Schedule II of the SEBI LODR, the Board of Directors, on recommendation of the Nomination and Remuneration Committee, have to evaluate the effectiveness of the Board. Accordingly, the performance evaluation of the Board, each Director and the Committees was carried out for the financial year ended 31st March, 2026.

The purpose of the Board evaluation is to achieve persistent and consistent improvement in the governance of the Company at the Board level with the participation of all concerned in an environment of harmony. The Board acknowledges its intention to establish and follow best practices in Board Governance in order to fulfil its fiduciary obligation to the Company. The Board believes the evaluation will lead to a closer working relationship among the Board members, greater efficiency in the use of the Board's time and increased effectiveness of the Board as a governing body.

The evaluation of the Directors was based on various aspects, inter-alia, including the level of participation in the Board Meetings, understanding of their roles and responsibilities,

business of the Company along with the environment and effectiveness of their contribution.

The skills / expertise / competencies required for the effective functioning of the Company includes leadership, financial competency, Diversity, Customer Focused Approach, Accountancy and Audit, Analytical Abilities, Strategic Thinking, Decision making ability, Independence & Objectivity, Legal Knowledge. The above-mentioned skills / expertise / competencies are available with the Board as a whole.

| S. No. | Name of Director                | Areas of Core Skills/Expertise/Competence                                                                                  |

#### D. CODE OF CONDUCT

1. The Company is committed to conducting business in accordance with the highest standards of business ethics and complying with the applicable laws, rules and regulations. The Company had posted its Code of Conduct on the website of the Company as it believes that a good Corporate Governance structure would not only encourage value creation but also provide accountability and control systems commensurate with the risk.
2. All Directors have as on 31st March 2026, filed the requisite declarations stating that the disqualification contemplated under Section 164(2) of the Companies Act 2013 did not apply to them.
3. The Company has framed the Code of Conduct and Ethics for members of the Board and Senior Management personnel of the Company. The Company takes great care that the members of the Board and Senior Management comply with the clauses of the Code of Conduct. The said Code of Conduct is also uploaded on the website of the Company. Declaration towards the confirmation that the Code of Conduct was followed is mentioned below.

#### E. BOARD LEVEL COMMITTEES

In accordance with the Listing Agreement with the Stock Exchanges on Corporate Governance, the following committees were in operation:

1. Audit Committee
2. Nomination and Remuneration Committee
3. Stakeholder Relationship Committee

## AUDIT COMMITTEE

### Terms of reference

The Audit Committee acts as a link between the Statutory and the Internal Auditors and Board of Directors. The purpose of the Committee is to assist the Board in fulfilling its oversight responsibilities of monitoring financial reporting process, reviewing the Company's established systems and processes for internal financial controls, governance and reviewing the Company's Statutory and Internal Audit Activities. The majority of the members are Non-Executive Independent Directors and each member has rich experience in the financial sector. The Committee is governed by a charter which is in line with the regulatory requirements mandated by the Companies Act, 2013 under the provisions of Section 177 read with Rule 6 of the Companies (Meeting of Board and its Power) Rules, 2014 and Regulation 18 of SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015, as amended from time to time.

Brief terms inter alia include

- Overseeing the Company's financial reporting process, and disclosure of financial information to ensure that the financial statements are correct, sufficient and credible.
- Recommending the appointment and removal of external auditors, fixation of audit fee and approval for payment of any other services.
- Reviewing with management the annual financial statement before submission to the Board.
- Reviewing the adequacy of internal audit functions.
- Discussing with internal auditors any significant finding and follow up on such issues.
- Reviewing the finding of any internal investigation by the internal auditors in matters where there is suspected fraud or a failure of internal control or regulatory system of a material nature and the reporting of such matters to the Board.
- Discussing with the External Auditor before the Audit commences on the nature and scope of audit, as well as having post audit discussion to ascertain any area of concern.
- Examining reasons for substantial default in the payment to depositors, shareholders (in case of non-payment of declared dividends) and creditors, if any.

### Composition of Audit Committee

The Audit Committee, as on 31st March, 2026 consisted of the following three Directors who are eminent professionals and possess sound knowledge in finance:

|          |                                 |
|----------|---------------------------------|
| Chairman | Mr. Mohd Arshad Suhail Siddiqui |

| Mrs. Praveen Singh                                         | 5                                                                          | 5        |

### STAKEHOLDER RELATIONSHIP COMMITTEE

#### Terms of reference

This Committee was constituted specifically to review compliance of rules and regulations, to redress shareholder's grievance and to provide suggestions and further pursuant to section 178(5) of Companies Act, 2013 and Regulation 20 of the SEBI (LODR). To expedite the process of share transfers the Board has delegated the power of share transfer to M/s Mas Services Ltd Viz. Registrar and Share Transfer Agents who attend the share transfer formalities at least once in a fortnight.

Terms of reference of the Stakeholders Relationship Committee are as per the guidelines set out in the SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 with the Stock Exchanges which, inter alia, include looking into the investor's complaints on transfer of shares, non-receipt of declared dividends etc and redressal thereof.

#### Composition of Stakeholders Relationship Committee

The Stakeholders Relationship Committee is headed by an Independent Director and presently consists of the following members as on March 31, 2026:

|          |                                 |
|----------|---------------------------------|
| Chairman | Mr. Mohd Arshad Suhail Siddiqui |
| Member   | Mr. Ajay Goyal                  |
| Member   | Mrs. Praveen Singh              |

*Mr. Shyam Sharma, Company Secretary, acts as Secretary to the Committee*

## Annexure - C

**REPORT ON CORPORATE GOVERNANCE****Independent Auditors' Report on Compliance with the Corporate Governance requirements under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

To,  
The Members of  
Dhampur Speciality Sugars Limited

We have examined the relevant registers, forms, minutes, returns filed and other relevant records maintained by Dhampur Speciality Sugars Limited (CIN: L24112UP1992PLC014478) [herein after referred as "the Company"] having its Registered Office at Village Pallawala, Tehsil Dhampur, Bijnor, Uttar Pradesh, 246761, for the purpose of certifying compliance of the conditions of Corporate Governance under Regulations 17 to 27 and clauses (b) to (i) and (t) of regulation 46(2) and para C, D and E of Schedule V and Regulation 34 (3) to the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (hereinafter called "SEBI (LODR) Regulations 2015") for the financial year ended 31st March, 2026.

We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of certification. The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and on the basis of our examination of the records produced, explanations and information furnished, we certify that the Company has complied regarding the conditions of Corporate Governance as stipulated in Regulations 17 to 27 and clauses (b) to (i) and (t) of regulation 46(2) and para C, D and E of Schedule V and Regulation 34 (3) of SEBI (LODR) Regulations 2015 for the financial year ended 31st March, 2026.

This Certificate is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

## INDEPENDENT AUDITOR'S REPORT

To the Members of DHAMPURE SPECIALITY SUGARS LIMITED

Report on the Audit of the Standalone Financial Statements

### OPINION

We have audited the accompanying standalone financial statements of **Dhampur Speciality Sugars Limited** ("the Company"), which comprise the Standalone Balance Sheet as at March 31, 2026, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year ended on that date and a summary of significant accounting policies and other explanatory information including notes to the standalone financial statements (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, thereof ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the

context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

#### **INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON**

The Company's Board of Directors is responsible for preparation of the other information. The other information comprises the information included in Board's Report including Annexures to the Board's Report and Shareholder's information but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is

materially inconsistent with the Standalone Financial Statements or our

knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **RESPONSIBILITIES OF MANAGEMENT FOR THE STANDALONE FINANCIAL STATEMENTS**

The Company's management and Board of Directors is responsible for the matters stated in Section 134(5) of Act with respect to the preparation and presentation of these Standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate cost financial

controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of these Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

#### **INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis and Directors' Report including Annexures to Directors' Report and Corporate Governance and Shareholder's information, but does not include the standalone financial

statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE STANDALONE FINANCIAL STATEMENTS**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity

and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, thereof.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of

Directors is responsible for overseeing the Company's financial reporting process

### **AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (i) Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and

appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- (ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone

Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- (v) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key matters. We describe the matters in our auditor's report unless law or regulation precludes public disclosure about the matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid standalone financial statements;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The balance sheet, the statement of profit and loss including other comprehensive income, statement of cash flow and the statement of changes in equity dealt with by this Report are in agreement with the relevant books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) relevant Rules, 2015, as amended, thereof;
- e) On the basis of the written representations received from the directors as on March 31, 2026 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being

- appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls with reference to standalone financial statements.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended: we report that in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The company does not have any pending litigations which would impact its financial position.
  - ii. The company did not have any long term contracts, including derivatives Contracts for which there were any material Foreseeable Losses as at March 31, 2026.
  - iii. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly

or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”)

or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or

provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.

iv. Since the company has not declared or paid any dividend during the year, the question of commenting on whether dividend declared or paid is in accordance with the provisions of section 123 of the Companies Act, 2013 does not arise.

v. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for

all relevant transactions recorded in the software except that, audit trail feature is not enabled at database level and also for certain changes that can be made using certain privileged/ administrative access rights, as described in notes to the standalone financial statements. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of accounting software.

## **ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF DHAMPURE SPECIALITY SUGARS LIMITED**

### **Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **DHAMPURE SPECIALITY SUGARS LIMITED** (the Company') as of 31-March-2026 in conjunction with our audit of the Standalone financial statements of the Company for the year ended on that date.

### **MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

The Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds

and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **AUDITORS' RESPONSIBILITY**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the company based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing issued by the Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment,

including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (c) provide reasonable assurance regarding prevention or timely detection of unauthorized

acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **OPINION**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31-March-2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over the financial statements issued by the Institute of Chartered Accountants of India.

#### **ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DHAMPURE SPECIALITY SUGARS LIMITED ON ITS STANDALONE FINANCIAL STATEMENTS DATED MARCH 31, 2026.**

Report on the matters specified in paragraph 3 of the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Companies Act, 2013 ("the Act") as referred to in paragraph 1 of 'Report on Other Legal and Regulatory Requirements' section.

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that

1. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

- (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
2. (a) Physical verification of inventories has been conducted by the management during the year which, in our opinion, is at reasonable intervals; and, in our opinion, the coverage and procedure of such verification by the management is appropriate. The discrepancies noticed on verification between physical stock and book records were not 10% or more in aggregate for each class of inventories.
- (b) In our opinion, the procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business
- (c) On the basis of our examination of the inventory records, in our opinion, the company is maintaining proper records of inventory. The discrepancies noticed on physical verification of inventory as compared to books records were not material.
3. According to the information and explanations given to us the terms and conditions of the loans granted, secured or unsecured, to companies, firms, Limited Liability Partnership or other parties covered in the register maintained under section 189 of the Companies Act, 2013 are not prima facie prejudicial to the interest of the company and the payment of the principal amount and interest are also regular wherever contractually payable or recoverable. There are no overdue amounts as the loans are repayable on demand.
4. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of

section 185 and 186 of the Act, with respect to the loans, investments, guarantees, and security made.

5. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2026 and therefore the provisions of the clause 3 (v) of the order are not applicable to the Company.
6. The maintenance of cost records has not been prescribed by the Central Government under section 148(1) of the Companies Act, 2013 for the products of the Company. As per Rule 3 of maintaining cost records of the companies (cost records and audit) rules, 2014 is not applicable to a company as it is classified as a Small enterprise as per Micro Small and Medium Enterprises Development Act, 2006.
7. In respect of statutory dues:
  - a. According to the information and explanations given to us and on the basis of the records examined by us, the company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employee's State Insurance, Income-Tax, Sales-tax, Service

Tax, Goods & Services Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities during the year. According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were in arrears as at 31st March, 2026 for a period of more than six months from the date they became payable.

- b. According to the information and explanation given to us and the records of the company examined by us there are no disputes and dues with Income Tax, Sales Tax, Wealth Tax, Service, Custom Duty, Excise Duty, value added tax, cess and any other statutory dues which have remained outstanding as at 31-03-2026 for a period of more than six months from the date they became payable, **however an income tax demand for the Assessment year, 2008-09, 2012-13 and 2024-25 of Rs. 5,09,160, Rs.24,65,468 and Rs.17,64/- respectively are yet to be deposit or to adjust with Income Tax Refund receivable from the income tax department and demand of Central Excise Duty of Rs. 52.40**

Lakh (including interest of Rs. 15.22 Lakh) for the period from F.Y. 2007-08 to 2014-15. The Matter is pending with the Customs, Excise & Service Tax Appellate Tribunal, New Delhi.

Further More the company had deposited following disputed tax, details are as follows: -

| S.NO | Nature of Tax deposited  | DATE       | AMOUNT    | REMARKS      |
|------|--------------------------|------------|-----------|--------------|
| 1    | GST Interest and Penalty | 16-01-2026 | 21,768    | F.Y.2018--19 |
| 2    | GST Interest and Penalty | 12-09-2025 | 19,208    | F.Y.2025-26  |
| 3    | Income Tax               | 31-01-2026 | 1,76,420  | A.Y. 2024-25 |
| 4    | Income Tax               | 02-02-2026 | 10,76,760 | A.Y.2017-18  |
| 5    | Income Tax               | 26-05-2025 | 1,42,196  | A.Y.2005-06  |
| 6    | Income Tax               | 26-05-2025 | 1,09,605  | A.Y.2005-06  |
| 7    | Income Tax               | 26-05-2025 | 2,31,589  | A.Y.2009-10  |
| 8    | Income Tax               | 23-03-2026 | 51,340    | A.Y.2008-09  |

In our opinion and according to the information and explanations given to us, there is no any transaction not recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961). *Although, during the financial year 2025-26, search proceedings under the provisions of the Income-tax Act, 1961 were conducted by the DDIT(Inv.) 4(4), Income-tax Department, New Delhi (D.O.S. 29 October 2025). The proceeding in this regard is under process and as at the date of approval of these financial statements,*

*no demand, adjustment, or financial implication has arisen against the Company pursuant to the aforesaid proceedings. Accordingly, based on information presently available, the management is of the view that no adjustment is required to these financial statements in this regard.*

8. a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of loans or borrowings or in the payment of interest thereon to any lender during the year.

(b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not taken any term loan during the year and there are no unutilized term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the Order is not applicable.

(d) According to the information and explanation given to us and on an overall examination of the balance sheet of the Company, we report that funds raised on short term basis have not been utilized for long term purpose.

(e) According to the information and explanation given to us and on an overall examination of the financial

statement of the Company, we report that during the year the company has not taken any funds from an entity or person, on account of or to meet the obligations of its subsidiaries or associate companies.

(f) According to the information and explanation given to us and procedures performed by us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries or associate companies and hence reporting under clause(ix)(f) of the Order is not applicable.

9. (a) According to the information and explanation given to us and on the basis of the books and records examined by us, the Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3(ix)(a) of the Order is not applicable.

(b) During the year the Company has made preferential allotment of 4,00,000 Equity Shares @69 each (Rs.10/- face value and Rs.59/- per share as Securities Premium) towards the 4 promoters of the company. Details of allotment are as follows:-

| S.NO | NAME         | NO. OF SHARES |
|------|--------------|---------------|
| 1    | SORABH GUPTA | 1,00,000      |
| 2    | REENA GUPTA  | 1,00,000      |
| 3    | SHREY GUPTA  | 1,00,000      |
| 4    | ANANYA GUPTA | 1,00,000      |

10. (a) On the basis of books and records of the company examined by us and according to the information and

explanation given to us, we have not noticed any case of fraud by the company or any fraud on the Company by its officers or employees during the year. The management has also not reported any case of fraud during the year in the course of our audit.

(b) During the year no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government and up to the date of this report.

(c) As auditor, we did not receive any whistle- blower complaint during the year and up to the date of this report.

11. The Company is not a Nidhi Company and hence reporting under clause 3(xii) of the Order is not applicable.

12. In our opinion and according to the information and explanations given to us the Company is in compliance with Section 177 and 188 of the Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Standalone financial statements as

required by the applicable accounting standards.

13. (a) According to the information and explanations given to us, On the recommendation of the Audit Committee the Company appointed M/s Ankit Bahuguna & Co., Cost Accountant (FRN: 002805), as an Internal Auditor, the Company has an adequate internal audit system commensurate with the size and nature of its business.

(b) We have considered the internal audit reports for the year under audit, issued to the company during the year under and till date, in determining the nature, timing and extent of our audit procedures.

14. In our opinion and according to the information and explanations given to us, during the year Company has not entered into any non-cash transactions with its Directors or persons connected to its Directors and hence provisions of Section 192 of the Act are not applicable.

15. (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

(b) The company has not conducted any Non-Banking Financial or Housing Finance activities during the year.

(c) The company is not a Core Investment Company (CIC) as

defined in the regulations made by the Reserve Bank of India.

(d) As per the information and explanations received, the group does not have any CIC as part of the group.

16. The company has not incurred cash loss in current financial year as well in immediately preceding financial year.

17. There has been no resignation of the previous statutory auditors during the year.

18. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, the auditor's knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

19. There is not liability of the company under the provisions of section 135 of the Companies Act, relating to Corporate Social Responsibility. Therefore, the provisions of Clause (xx) of paragraph 3 of the order are not applicable to the Company.

## DHAMPURE SPECIALITY SUGARS LIMITED

### Notes to the Standalone Financial Statements

#### 1. COMPANY OVERVIEW

##### Corporate Information

Dhampur Speciality Sugars Limited ('the Company') having CIN: L24112UP1992PLC014478 is a leading manufacturer, processor, dealers, sellers, importers and exporters of sugar product of every kind and description including inverted sugar, raw sugar, gur, khandsari, processed or manufactured by use of any of the products, by-products wastes or scraps either with or without conjunction or mixture of any other material, article or thing.

The Company is a public limited company incorporated and domiciled in India and has its registered office at Village Pallawala, Uttar Pradesh, India. The company is listed on the BSE Limited.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

##### i. Basis of preparation and presentation

###### a) Compliance with Ind AS

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) read with the Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and relevant amendment rules thereafter and

accounting principles generally accepted in India.

These financial statements are approved and adopted by Board of Directors in their meeting held on Thursday, May 28, 2026.

##### b) Basis of preparation

The financial statements have been prepared on the historical cost basis except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, assets for defined benefit plans are measured at fair value, assets held for sale which are measured at lower of cost and fair value less cost to sell as explained further in notes to standalone financial statements

##### c) Functional and presentation currency

The financial statements are presented in Indian rupees (Rs.) and all values are rounded to the nearest Lakh and two decimals thereof, except if otherwise stated.

##### d) Operating Cycle

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle criteria set out below which are in accordance with the Schedule III to the Act. Based on the nature of services and time between the acquisition of assets for providing of services and their realisation in Cash and Cash equivalent, the Company has ascertained its operating cycle as 12 months for the purpose of current / non-current classification of assets and liabilities.

##### ii. Current versus non-current classification

The company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it satisfies any of the following criteria:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle
  - Held primarily for the purpose of trading;
  - Expected to be realised within twelve months after the reporting date; or
  - Cash or cash equivalent unless restricted from being exchanged or used to settle liability for at least twelve months after the reporting date.
- Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

A liability is treated as current when it satisfies any of the following criteria:

- Expected to be settled in the company's normal operating cycle;
- Held primarily for the purpose of trading;
- Due to be settled within twelve months after the reporting date; or
- The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date

Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include the current portion of non-current financial liabilities. All other liabilities are classified as non-current.

The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

### iii. **Property, plant and equipment & capital work-in-progress**

Property, plant and equipment (PPE) are tangible items that are held for use in the production or supply for goods and services, rental to others or for administrative purposes and are

expected to be used during more than one period.

The cost of an item of property, plant and equipment is being recognised as an asset if and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Subsequent costs are included in the asset's carrying amount only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably.

Freehold lands are stated at cost. All other items of property, plant and equipment are stated at cost, net of recoverable taxes less accumulated depreciation and impairment loss, if any.

The cost of an asset includes the purchase cost of material, including import duties, non-refundable taxes and directly attributable costs of bringing an asset to the location and condition of its intended use and trial run expenditure (Net of amount realised on goods produced during trial run). For this purpose, cost includes carrying value as Deemed cost on the date of transition. Interest on borrowings used to finance the construction of qualifying assets are capitalized as part of the cost of the asset until such time that the asset is ready for its intended use.

Items of spare parts, stand-by equipment and servicing equipment which meet the definition of property, plant and equipment are capitalized. Other spare parts are carried as inventory and recognized in the statement of profit and loss on consumption. When parts of an item of PPE have different useful lives,

they are accounted for as separate component.

When significant parts of Property, Plant and Equipment are required to be replaced at intervals, the Company derecognized the carrying amount of replaced parts and recognized the new parts with owned associated useful life and depreciate it accordingly likewise when a major inspection is performed, its cost is recognised in carrying amount of the plant and equipment, if recognition criteria are satisfied. All other repair and maintenance costs are recognized in the Statement of Profit and Loss as incurred.

The present value of the expected cost for the decommissioning of an asset after its use, if any, is included in the cost of the respective asset if the recognition criteria for a provision are met.

The cost and related accumulated depreciation are eliminated from the financial statement upon sale or retirement of the asset and resultant gain or loss are recognized in the Statement of Profit and Loss.

Assets identified and technically evaluated as obsolete are retired from active use and held for disposal are stated at the lower of its carrying amount and fair value less cost to sell.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure, and trial run expenditure.

#### iv. Intangible assets

Intangible assets are recognized when it is probable that the future benefits that are attributable to the assets will flow to the Company and the cost of assets can be measured reliably.

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses. For this purpose, cost includes carrying value as Deemed cost on the date of transition.

Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in the statement of profit and loss.

#### v. Investment Properties

Investment Properties are measured initially at cost including transaction cost. Subsequent to such recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. The cost includes cost of replacing parts and borrowing cost for long term construction projects, if the recognition criteria are met. When significant parts of investment property are required to be replaced at intervals, the Company

depreciate them separately based on their specific useful lives.

All other repairs and maintenance costs are recognised in the Statement of Profit & Loss as and when incurred. The investment properties are derecognized either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected. The difference between the net disposal proceeds and the carrying amount of the assets is recognised in the Statement of Profit and Loss in the period of de-recognition.

#### vi. Depreciation and amortization

The classification of plant and machinery into continuous and non-continuous process is done as per their use and depreciation thereon is provided accordingly. Depreciation commences when the assets are available for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives.

The management has estimated the useful lives and residual values of all property, plant and equipment and adopted useful lives as stated in Schedule II of the Companies Act, 2013.

The Company has used the following useful lives to provide depreciation on its tangible assets:

| Assets              | Useful lives |
|---------------------|--------------|
| Building            | 03-60 Years  |
| Plant & Machinery   | 15-40 Years  |
| Office Equipment    | 05 Years     |
| Furniture & Fixture | 10 Years     |
| Vehicles            | 08 Years     |

Intangible assets are amortized on a straight-line basis over the estimated useful economic life of the assets. The Company uses a rebuttable presumption that the useful life of intangible assets is ten years from the date when the assets is available for use.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each financial year and are given effect to wherever appropriate.

#### vii. Foreign currency translations/Conversion

Transactions in foreign currencies are initially recorded at the functional currency spot rate prevailing at the date the transaction first qualifies for recognition.

Monetary assets and liabilities related to foreign currency transactions remaining outstanding at the balance sheet date are translated at the functional currency spot rate of exchange prevailing at the balance sheet date. Any income or expense arising on account of foreign exchange difference either on settlement or on translation is recognised in the Statement of Profit and Loss.

Non-monetary items which are carried at historical cost denominated in a foreign currency are translated using the exchange rate at the date of the initial transaction.

#### viii. Inventories

Raw material, process chemicals, stores and packing material are measured at weighted average cost.

Work in progress, traded and finished goods (other than by products and scraps) are measured at lower of cost or net realizable value. Cost of finished goods and work in progress comprises of raw material cost (net of realizable value of By-products), variable and fixed

production overhead, which are allocated to work in progress and finished goods on full absorption cost basis. Cost of inventory also includes all other cost incurred in bringing the inventories to their respective present location and condition. Borrowing costs are not included in the value of inventories. Cost of traded goods is measured on FIFO basis and it includes incidental expenses. Net realizable value (NRV) is the estimated selling price in the ordinary course of business less estimated costs of completion and the estimated costs necessary to make the sale.

#### ix. Revenue recognition

The Company derives revenue primarily from sale of Jaggery and other by-products produced from processing of sugar cane, sale of power and sale of chemicals.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration, the company expect to receive in exchange of those products or services. Revenue is inclusive of excise duty and excluding estimated discount, pricing incentives, rebates, other similar allowances to the customers and excluding GST and other taxes and amounts collected on behalf of third parties or government, if any.

#### Sale of goods

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;

- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

#### Dividend income

Dividend income is recognised when the Company's right to receive the dividend is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably i.e. in case of interim dividend, on the date of declaration by the Board of Directors; whereas in case of final dividend, on the date of approval by the shareholders.

#### Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

#### Insurance claims

Insurance claim are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it is reasonable to expect ultimate collection.

**Export incentives**

Export incentives are accounted for in the year of exports based on eligibility and when there is no significant uncertainty in receiving the same.

**Other incomes**

All other incomes are accounted on accrual basis.

**x. Expenses**

All expenses are accounted for on accrual basis.

**xi. Long term borrowings**

Long term borrowings are initially recognised at net of material transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

**xii. Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial time to get ready for their intended use or sale. Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs. Other borrowing costs are expensed in the period in which they are incurred.

**xiii. Leases**

Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of minimum lease payments at the inception of lease, whichever is lower. Lease under which the risks and rewards incidental to ownership are not transferred to lessee, is classified as operating lease. Lease payments under operating leases are recognized as an expense on a straight-line basis in net profit in the statement of profit and loss over the lease term.

**xiv. Provision for current and deferred tax****a. Current income tax:**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax expense is recognized in profit or loss except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in OCI or equity.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and established provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities.

The Company Offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis or to realise

the assets and settle the liabilities simultaneously.

The Company will update the amount in the financial statement if facts and circumstance change as a result of examination or action by tax authorities.

#### **Deferred tax:**

Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled. Deferred tax is recognized in Statement of profit and loss except to the extent that it relates to items recognized directly in OCI or equity, in which case it is recognized in OCI or equity.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The Carrying amount of assets is reviewed at each balance sheet date, if there is any indication of impairment based on internal/external factor. An asset is impaired when the carrying amount of the assets exceeds the recoverable amount. Impairment is charged to the profit and loss account in the year in which an asset is identified as impaired.

An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

#### **xvi. Provisions, contingent liabilities and assets**

#### **xv. Impairment of non-financial assets**

Intangible assets that have an indefinite useful life are not subject to amortisation but are tested annually for impairment.

Other intangible assets and property, plant and equipment are evaluated for

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of

the amount of the obligation. The expense relating to a provision is presented in the statement of profit or loss net of any reimbursement. Provisions are not recognised for future operating losses.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote.

A contingent asset is not recognised but disclosed, when probable asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

**xvii. Cash and cash equivalents**

Cash and cash equivalents include cash on hand, cheques on hand, balance with banks on current accounts and short term, highly liquid investments with an original maturity of three months or less and which are subject to an insignificant risk of changes in value.

**xviii. Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**A. Financial assets**

**Initial recognition and measurement**

All financial assets, except trade receivables are initially recognized at fair value. Trade receivables are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value of the financial assets, as appropriate, on initial recognition.

**Subsequent measurement**

For purposes of subsequent measurement, financial assets are classified in following categories:

**a) Financial assets carried at amortised cost**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial assets give rise to cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding.

Amortised cost is determined using the Effective Interest Rate (EIR) method. Discount or premium on acquisition and fees or costs forms an integral part of the EIR.

**b) Financial assets at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both

collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income for these financial assets is included in other income using the effective interest rate method.

**c) Financial assets at fair value through profit or loss (FVTPL)**

FVTPL is a residual category for financial instruments. Any financial instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Company may elect to classify a financial instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Financial instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

**d) Equity investments**

All equity investments, except investments in subsidiaries are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument,

excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

Equity investments in subsidiaries are carried at cost less impairment losses, if any, except for the equity investments in subsidiaries as at the transition date which are carried at deemed cost being fair value as at the date of transition.

**Impairment of financial assets:**

The company assesses on a forward-looking basis the expected credit losses associated with the assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

For trade receivables, the company applies the simplified approach permitted by Ind AS 109 "Financial Instruments" which requires expected lifetime losses to be recognised from initial recognition of receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in

the forward looking estimates are analysed.

#### **Derecognition of financial assets:**

The Company derecognizes a financial asset when, and only when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the assets and an associated liability for amounts it may have to pay.

### **B. Financial liabilities**

#### **Initial recognition and measurement**

Financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities (other than financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial liabilities, as appropriate, on initial recognition.

#### **Subsequent measurement**

Financial liabilities are carried at amortized cost using the effective interest method or at FVTPL.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR

amortisation is included as finance costs in the statement of profit and loss.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

#### **Derecognition of financial liabilities**

A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when, and only when the obligation specified in the contract is discharged or cancelled or expires.

### **C. Offsetting of financial instruments**

Financial assets and financial liabilities including derivative instruments are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### **xix. Fair value measurement**

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Entity uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets & liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above.

**xx. Employees benefits**

**a. Short-term obligations**

Short-term obligations for wages and salaries, including nonmonetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the

related service up to the end of the reporting period are recognised and measured at the undiscounted amounts expected to be paid when the liabilities are settled.

**b. Post-employment obligations**

**i Defined contribution plans**

The eligible employees of the Company are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Company make contribution at a specified percentage of the covered employee's salary. The contributions, as specified under Defined Contribution Plan to Regional Provident Fund Commissioner and the Central Provident Fund recognised as expense during the period in the statement of profit and loss.

**ii Defined benefit plans**

The Company provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees of the company. The Gratuity Plan provides a lumpsum payment to vested employees at retirement, death, or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the company.

The cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each balance sheet date.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and is included in finance cost expenses in the Statement of Profit and Loss.

The service cost on the net defined benefit liability/(asset) is included in

employees benefits expenses in the statement of profit and loss.

**c. Compensated absences**

The employees of the Company are entitled to compensated absences which are both accumulating and non-accumulating in nature. The cost of accumulating compensated absences which are expected to be carried forward beyond twelve months from the reporting date are treated as long term benefits for measurement purposes and are provided for based on actuarial valuation using projected unit credit method for the unused entitlement.

The benefits are discounted using the market yields as at the end of the balance sheet date that has terms approximating to the terms of the related obligation and accounted for on the same principles as followed in the case of gratuity plan as stated hereinabove.

**d. Voluntary retirement scheme**

Compensation to employees who have opted for retirement under the "Voluntary Retirement scheme" is charged to the profit and loss account in the year of retirement.

**xxi. Cash flow statement**

Cash flows are stated using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of incomes and expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Company are segregated.

**xxii. Earnings per share**

Basic earnings per share are calculated by dividing the profit / (loss) for the year (before other comprehensive income), attributable to the equity shareholders, by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share are calculated by dividing the profit/(loss) for the year (before other comprehensive income), adjusting the after tax effect of interest and other financing costs associated with dilutive potential equity shares, attributable to the equity shareholders, by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares.

**xxiii. Segment Reporting**

The company operates in one reportable business segment i.e. " Manufacturing and trading of Jaggery & Sugar and allied activities.

**3. USE OF ESTIMATES AND MANAGEMENT JUDGEMENTS**

The preparation of financial statements in conformity with Indian Accounting Standards (Ind AS) requires management of the company to make judgements estimates and assumptions that affect the reported amount of revenues, expenses, assets, liabilities and related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date.

The estimates and management's judgements are based on previous experience and other factors considered

reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

The areas involving critical judgement are as follows:

**i. Useful lives of Property, plant and equipment / intangible assets**

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

**ii. Provisions and contingencies**

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has required best judgement by management regarding the probability of exposure to potential loss. The timing of recognition and quantification of the liability requires the application of judgement to existing facts

and circumstances, which can be subject to change.

**iii. Post-employment benefit plans**

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, the rate of salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

**iv. Provision for income taxes and deferred tax assets**

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/ recovered for uncertain tax positions. Deferred tax assets are recognised for unused tax losses and unused tax credit to the extent that it is probable that taxable profit would be available against which the losses could be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

**v. Impairment of investments in subsidiary**

The Company reviews its carrying value of investments carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of profit and loss.

#### vi. Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

#### vii. Fair value measurement of financial instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted price in markets, then fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable

markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

### c. Terms and rights attached to Equity Shares

The Company has a single class of equity shares having face value of Rs. 10 per share. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The voting rights of an equity shareholder are in proportion to its share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of share on which any call or other sums presently payable have not been paid.

The company declares and pays dividend in Indian rupees. The holders of the equity shares are

entitled to receive dividends as declared from time to time. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

### d. Dividend

The Board of Director has not proposed any dividend during the financial year 2025-26.

### e. Shareholders holding more than 5% of the Equity shares

**Fair Value Hierarchy**

The fair value of the financial assets and financial liabilities are included at the amount at which the instrument could be exchanged in a current

transaction between willing parties, other than in a forced or liquidation sale.

The following table provides the fair value measurement hierarchy of Company's asset and

liabilities, grouped into Level 1 to Level 3 as described below: -

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

**NOTE NO. 32 DUES FROM MEDIUM SMALL AND MICRO ENTERPRISES (MSME)**

There is no MSME, to whom the Company owes dues, which are outstanding for more than 45 days as at 31 March, 2026 (31 March, 2025: Nil). This information as required to be disclosed under the Micro, Small and Medium Enterprises Development Act, 2006 has been determined to the extent such parties have been identified on the basis of information available with the Company.

| 4   | Interest due and payable for the period of delay in making payment but without adding the interest specified under MSME Development Act, 2006                                        | -           | -           |
| 5   | Interest accrued and remaining unpaid as at year end                                                                                                                                 | -           | -           |
| 6   | Further interest remaining due and payable even in the succeeding years, until such date when the interest due as above are actually paid to the small enterprises.                  | -           | -           |

Note: The above information and that given in Note No. 16. 'Trade Payables' regarding Micro and Small Enterprises has been determined on the basis of information available with the Company and has been relied upon by the auditors.

### **NOTE NO. 33 FINANCIAL RISK MANAGEMENT**

The company has in place comprehensive risk management policy in order to identify measure, monitor and mitigate various risks pertaining to its business. Along with the risk management policy, an adequate internal control system, commensurate to the size and complexity of its business, is maintained to align with the philosophy of the company. Together they help in achieving the business goals and objectives consistent with the Company's strategies to prevent inconsistencies and gaps between its policies and practices. The Board of Directors/committees reviews the adequacy and effectiveness of the risk management policy and internal control system. The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk and
- Market risk

#### **I. Credit risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company's Jaggery sales are mostly on cash. , thereby the credit default risk is significantly mitigated.

The impairment for trade receivables are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each balance sheet date.

Financial assets are written off when there is no reasonable expectation of recovery, however the Company continues to attempt to recover the receivables. Where recoveries are made, subsequently these are recognized in the statement of profit and loss.

The Company major exposure of credit risk is from trade receivables, which are unsecured and derived from external customers.

#### **II. Liquidity Risk**

Liquidity risk is defined as the risk that company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company's management is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by senior management. Management monitors the company's net liquidity position through rolling, forecast on the basis of expected cash flows.

##### **(i) Maturities of financial liabilities**

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and excluding contractual interest payments and exclude the impact of netting agreements.

(Rs. In Lakh)

### III. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other risks, such as regulatory risk and commodity price risk. Financial instruments affected by market risk include trade receivable and trade payables involving foreign currency exposure, and inventories.

#### (a) Foreign currency risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is exposed to the effects of fluctuation in the prevailing foreign currency exchange rates on its financial position and cash flows. Exposure arises primarily due to exchange rate fluctuations between the functional currency and other currencies from the Company's operating, investing and financing activities.

#### (b) Regulatory risk

Sugar & Jaggery industry is regulated both by Central Government as well as State Government. Central and State Governments policies and regulations affects the Sugar industry and the Company's operations and profitability

#### (c) Commodity price risk

Sugar & Jaggery industry being cyclical in nature, realizations get adversely affected during downturn. Higher cane price or higher production than the demand ultimately affects profitability. The Company has mitigated this risk by well integrated business model by diversifying into various FMCG Products.

#### (d) Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. However, the Company does not hold any borrowings in FY 2024-25 and FY 2023-24.

**NOTE NO. 34 CAPITAL MANAGEMENT**

In order to maintain or adjust the capital structure, the company may adjust the amount of dividends payable to shareholders and return capital to shareholders. Consistent with others in the industry, the Company monitors capital on the basis of the following gearing ratio.

| Particulars          | As at March 31st 2026 | As at March 31st 2025 |
|----------------------|-----------------------|-----------------------|
| Equity share capital | 873.12                | 833.12                |
| Other equity         | 2979.38               | 2202.53               |
| <b>Total equity</b>  | <b>3852.50</b>        | <b>3035.65</b>        |

**NOTE NO. 36: EVENTS OCCURRING AFTER THE BALANCE SHEET DATE**

The Company evaluates events and transactions that occur subsequent to the balance sheet date but prior to approval of financial statement to determine the necessity for recognition and/or reporting of any of these events and transactions in the financial statements. As of May 28, 2026, there were no material subsequent events to be recognized or reported that are not already disclosed.

**NOTE NO. 37: OFFSETTING FINANCIAL INSTRUMENTS**

There are no financial instruments which are offset, or subject to enforceable master netting arrangements and other similar agreements but not offset, as at each reporting date.

**NOTE NO. 38 CODE ON SOCIAL SECURITY, 2020**

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post employment received Indian Parliament approval and Presidential assent in September 2020. The Code has been published in the Gazette of India and subsequently on November 13, 2020 draft rules were published and invited for

stakeholders' suggestions. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.

**NOTE NO. 39 OTHER STATUTORY INFORMATION**

- (i) The Company does not have any transactions with struck off companies
- (ii) The Company has not traded or invested in Crypto currency or Virtual Currency during the period/year.

(iii) Sales tax assessment to earlier years are in progress, Demand, if any, shall be accounted for, on the completion of assessments.

(iv) Title Deeds of all the immovable Properties are held in the name of Company.

(v) No Benami Proceeding has been initiated or pending against the company.

(vi) Company is not declared wilful defaulter by any bank or financial institution.

(vii) The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the Intermediary shall:

- a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or
- b. provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:

- a. directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
- b. provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries

(ix) The Company does not have any transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any

other relevant provisions of the Income Tax Act, 1961).

*Although, during the financial year 2025–26, search proceedings under the provisions of the Income-tax Act, 1961 were conducted by the DDIT(Inv.) 4(4), Income-tax Department, New Delhi on the Company (D.O.S. 29 October 2025). The proceeding in this regard is under process and as at the date of approval of these financial statements, no demand, adjustment, or financial implication has arisen against the Company pursuant to the aforesaid proceedings. Accordingly, based on information presently available, the management is of the view that no adjustment is required to these financial statements in this regard.*

- (x) The Company has not declared a willful defaulter by any banks or any other financial institution at any time during the financial year

## INDEPENDENT REPORT

## AUDITOR'S

**To the Members of DHAMPURE  
SPECIALITY SUGARS LIMITED**

## REPORT ON THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

### OPINION

We have audited the accompanying Consolidated financial statements of Dhampure Speciality Sugars Limited (hereinafter referred to as “the Holding Company”), and its subsidiary (the Holding Company and its subsidiary together referred to as “the Group”), which comprise the Consolidated Balance Sheet as at March 31, 2026, the Consolidated Statement of Profit and Loss (including Other Comprehensive profit), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as “the Consolidated financial statements”).

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditor on separate Financial Statements and on the other financial information of the subsidiary as referred to in ‘Other Matters’ paragraph below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian

Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, (“Ind AS”) and other accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2026, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI)

together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

### INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditor's report thereon. The Holding Company's annual report is expected to be made available to us after the date of this auditor's report. Our opinion on the consolidated financial statements does not cover the other

information and we do not express any form of assurance conclusion thereon. In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or

otherwise appears to be materially misstated. When we read the Holding Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

### RESPONSIBILITIES OF MANAGEMENT FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Board of Directors of the entities included in the Group are responsible for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of

adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Board of Directors either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each entity.

#### **INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON**

The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis and Directors' Report including Annexures to Directors' Report and Corporate Governance and

Shareholder's information, but does not include the Consolidated financial statements and our auditor's report thereon. Our opinion on the Consolidated financial statements does not cover the other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries and associates, is traced from their financial statements audited by other auditors.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE CONSOLIDATED FINANCIAL STATEMENTS**

The Parent's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial

performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing

the ability of the respective entities to (i) continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

### **AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these

Consolidated Financial  
Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

I. Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a

material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- (ii) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system with reference to Consolidated Financial statement in place and the operating effectiveness of such controls.
- (iii) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- (iv) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of

our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- (v) Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- (vi) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative

materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key matters. We describe the matters in our auditor's report unless law or regulation precludes public disclosure about the matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **OTHER MATTERS**

We have audited the standalone financial statements of all the 3 subsidiary company considered in the preparation of the Consolidated Financial Statements and which

together constitutes total assets of 5,065.37 Lakh as at March 31, 2026, total revenue of 5,838.98 Lakh and total comprehensive Profit (comprising of net income after tax and other comprehensive income) of 554.78 Lakh for the year ended March 31, 2026. These standalone financial statements and other financial information have been audited by our firm whose reports have been furnished to us by the Management, and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub section (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiary company.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports and the financial statements provided by the Management.

#### **REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS**

1. As required by Section 197(16) of the Act, we report that the group has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the separate financial statements of the subsidiaries and associates referred to

in the Other Matters section above we report, to the extent applicable that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated financial statements;
- b) In our opinion, proper books of account as required by law in preparation of the aforesaid Consolidated Financial Statements have been kept by the Holding Company so far as it appears from our examination of those books.
- c) The Consolidated balance sheet, the Consolidated statement of profit and loss including other comprehensive income, Consolidated statement of cash flow and the statement of changes in equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- d) In our opinion, the aforesaid Consolidated financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 as amended.
- e) On the basis of the written representations received from the directors as on March 31, 2026 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
- f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Company and the operating effectiveness of such

controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls with reference to consolidated financial statements.

- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended: we report that in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
  - i. The Group does not have any pending litigations which would impact its financial position.
  - ii. The Group did not have any long term contracts, including derivatives Contracts for which there were any material Foreseeable Losses as at March 31, 2026.
  - iii. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or

share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.

iv. Since the Group has not declared or paid any dividend during the year, the question of commenting on whether dividend declared or paid is in accordance with the provisions of section 123 of the Companies Act, 2013 does not arise.

v. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor’s Report) Order, 2020 (“CARO”/ “the Order”) issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditors of respective companies included in the consolidated financial statements to which reporting under CARO is applicable, as provided to us by the Management of the Parent, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the said companies included in the consolidated financial statements

## **ANNEXURE ‘A’ TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF DHAMPURE SPECIALITY SUGARS LIMITED**

### **Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2026, we have audited the internal financial controls with reference to consolidated financial statements of Dhampur Speciality Sugars Limited (hereinafter referred to as “Parent”) and its subsidiary company, which includes internal financial controls with reference to its subsidiaries, which are companies incorporated in India, as of that date.

### **MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

The respective Board of Directors of the Parent, its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the internal control with reference to consolidated financial statements criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)”.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **AUDITORS’ RESPONSIBILITY**

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Parent, its subsidiary company, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary company, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Parent, its subsidiary company, which are companies incorporated in India.

#### **MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for

external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance

with the policies or procedures may deteriorate.

### **OPINION**

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the other auditors referred to in the Other Matters paragraph below, the Parent, its subsidiary company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to consolidated financial statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **OTHER MATTERS**

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements in so far as it relates to 3 subsidiary companies, which are companies incorporated in India, is based solely on the corresponding reports

of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

## DHAMPURE SPECIALITY SUGARS LIMITED

### Notes to the Consolidated Financial Statements

#### 1. COMPANY OVERVIEW

##### Corporate Information

The Consolidated Financial Statement comprises financial statements of Dhampur Speciality Sugars Limited ('the Company') having CIN: L24112UP1992PLC014478 and Its Three Subsidiary Companies.

The Company is a leading manufacturer, processor, dealers, sellers, importers and exporters of sugar product of every kind and description including inverted sugar, raw sugar, gur, khandsari, processed or manufactured by use of any of the products, by-products wastes or scraps either with or without conjunction or mixture of any other material, article or thing.

The Subsidiary Companies deals in Fast Moving Consumers Goods.

The Company is a public limited company incorporated and domiciled in India and has its registered office at Village Pallawala, Uttar Pradesh, India. The Holding Company's equity shares are listed on BSE Limited.

below. Such accounting policies have been applied consistently to all the periods presented in these financial statements, unless otherwise indicated.

#### i. Basis of preparation and presentation

##### a) Compliance with Ind AS

The Consolidated financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 (the Act) read with the Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and relevant amendment rules thereafter and accounting principles generally accepted in India.

These financial statements are approved and adopted by Board of Directors in their meeting held on Thursday, May 28, 2026.

##### b) Basis of preparation

The Consolidated financial statements have been prepared on the historical cost basis except for certain financial assets and

liabilities that are measured at fair values at the end of each reporting period, assets for defined benefit plans are measured at fair value, assets held for sale which are measured at lower of cost and fair value less cost to sell as explained further in notes to Consolidated financial statements.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied by the Company in the preparation of its Consolidated financial statements are listed

| Name of subsidiary                     | CIN                   | Proportion of ownership interest |
|----------------------------------------|-----------------------|----------------------------------|
| SUN BURST SERVICES PRIVATE LIMITED     | U72900HR2013PTC050750 | 100%                             |
| DHAMPUR GREEN PRIVATE LIMITED          | U15500DL2011PTC226547 | 100%                             |
| NOSTALGIC FOODS RETAIL PRIVATE LIMITED | U52590DL2015PTC397844 | 100%                             |

**c) Functional and presentation currency**

The Consolidated financial statements are presented in Indian rupees (Rs.) and all values are rounded to the nearest Lakh and two decimals thereof, except if otherwise stated.

power over the investee. Specifically, the Group controls an investee if and only if the Group has:

- Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- Exposure, or rights, to variable returns from its involvement with the investee, and
- The ability to use its power over the investee to affect its returns

**d) Operating Cycle**

All assets and liabilities has been classified as current and non-current as per the Holding Company's normal operating cycle criteria set out below which are in accordance with the Schedule III to the Act. Based on the nature of services and time between the acquisition of assets for providing of services and their realisation in Cash and Cash equivalent, the Company has ascertained its operating cycle as 12 months for the purpose of current/ non-

The group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control.

current classification of assets and liabilities

Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group losses control of the subsidiary. Assets, Liabilities, Income and Expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the group gains control until the date the Group ceases to control the subsidiary. The Proportion of ownership in the subsidiary is as follows:

**e) Basis of Consolidation**

The consolidated financial statements related to Dhampur Speciality Sugars Limited ("The Company" and its Subsidiary Collectively referred as the "Group"). The Holding Company consolidates all entities which are controlled by it.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events

In the case of subsidiary company, control is achieved when the group is exposed, or has right, to variable return from its involvement with the investee and has the ability to affect those returns through its

in similar circumstances, appropriate adjustments are made to that group member's financial statement in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.

The consolidated financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e. year ended on March 31.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the owners of the Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Holding Company and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

#### **f) Consolidation procedure**

The consolidated financial statements have been prepared on the following basis:

- (i) The financial statements of the Holding Company and its subsidiaries are combined on a line-by-line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.
- (ii) Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant & equipment, are eliminated in full.

(iii) Offset (eliminate) the carrying amount of

the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.

- (iv) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as on the date of disposal is recognised in the Consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary
- (v) Non-Controlling Interest's share of profit / loss of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to owners of the Holding Company
- (vi) Non-Controlling Interest's share of net assets of consolidated subsidiaries is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the owners of the Holding Company.

#### **ii. Current versus non-current classification**

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it satisfies any of the following criteria:

- Expected to be realised or intended to be sold or consumed in the normal operating cycle
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting date; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle liability for at least twelve months after the reporting date.

Current assets include the current portion of

non-current financial assets. All other assets are classified as non-current.

A liability is treated as current when it satisfies any of the following criteria:

- Expected to be settled in the company's normal operating cycle;
- Held primarily for the purpose of trading;
- Due to be settled within twelve months after the reporting date; or
- The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date

Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include the current portion of non-current financial liabilities. All other liabilities are classified as non-current.

The Group has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

### iii. **Property, plant and equipment & capital work-in-progress**

Property, plant and equipment (PPE) are tangible items that are held for use in the production or supply for goods and services, rental to others or for administrative purposes and are expected to be used during more than one period.

The cost of an item of property, plant and equipment is being recognised as an asset if and only if it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. Subsequent costs are included in the asset's carrying amount only when it is probable that future economic benefits associated with the item

will flow to the entity and the cost of the item can be measured reliably.

Freehold lands are stated at cost. All other items of property, plant and equipment are stated at cost, net of recoverable taxes less accumulated depreciation and impairment loss, if any.

The cost of an asset includes the purchase cost of material, including import duties, non-refundable taxes and directly attributable costs of bringing an asset to the location and condition of its intended use and trial run expenditure (Net of amount realised on goods produced during trial run). For this purpose, cost includes carrying value as Deemed cost on the date of transition. Interest on borrowings used to finance the construction of qualifying assets are capitalized as part of the cost of the asset until such time that the asset is ready for its intended use.

Items of spare parts, stand-by equipment and servicing equipment which meet the definition of property, plant and equipment are capitalized. Other spare parts are carried as inventory and recognized in the statement of profit and loss on consumption. When parts of an item of PPE have different useful lives, they are accounted for as separate component.

When significant parts of Property, Plant and Equipment are required to be replaced at intervals, the Group derecognized the carrying amount of replaced parts and recognized the new parts with owned associated useful life and depreciate it accordingly likewise when a major inspection is performed, its cost is recognised in carrying amount of the plant and equipment, if recognition criteria are

satisfied. All other repair and maintenance costs are recognized in the Statement of Profit and Loss as incurred.

The present value of the expected cost for the decommissioning of an asset after its use, if any, is included in the cost of the respective asset if the recognition criteria for a provision are met.

The cost and related accumulated depreciation are eliminated from the financial statement upon sale or retirement of the asset and resultant gain or loss are recognized in the Statement of Profit and Loss.

Assets identified and technically evaluated as obsolete are retired from active use and held for disposal are stated at the lower of its carrying amount and fair value less cost to sell.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure, and trial run expenditure.

#### iv. Intangible assets

Intangible assets are recognized when it is probable that the future benefits that are attributable to the assets will flow to the Group and the cost of assets can be measured reliably.

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated

amortisation and accumulated impairment losses. For this purpose, cost includes carrying value as Deemed cost on the date of transition.

Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, is recognised in the statement of profit and loss.

#### v. Investment Properties

Investment Properties are measured initially at cost including transaction cost. Subsequent to such recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. The cost includes cost of replacing parts and borrowing cost for long term construction projects, if the recognition criteria are met. When significant parts of investment property are required to be replaced at intervals, the Group depreciate them separately based on their specific useful lives.

All other repairs and maintenance costs are recognised in the Statement of Profit & Loss as and when incurred. The investment properties are derecognized either when they have been disposed off or when they are permanently withdrawn from use and

no future economic benefit is expected. The difference between the net disposal proceeds and the carrying amount of the assets is recognised in the Statement of Profit and Loss in the period of de-recognition.

#### vi. Depreciation and amortization

The classification of plant and machinery into continuous and non-continuous process is done as per their use and depreciation thereon is provided accordingly. Depreciation commences when the assets are available for their intended use. Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives.

The management has estimated the useful lives and residual values of all property, plant and equipment and adopted useful lives as stated in Schedule II of the Companies Act, 2013.

The Group has used the following useful lives to provide depreciation on its tangible assets:

| Assets              | Useful lives |
|---------------------|--------------|
| Building            | 03-60 Years  |
| Plant & Machinery   | 15-40 Years  |
| Office Equipment    | 05 Years     |
| Furniture & Fixture | 10 Years     |
| Vehicles            | 08 Years     |

Intangible assets are amortized on a straight-line basis over the estimated useful economic life of the assets. The Group uses a rebuttable presumption that the useful life of intangible assets is ten years from the

date when the assets is available for use.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each financial year and are given effect to wherever appropriate.

#### vii. Foreign currency translations/Conversion

Transactions in foreign currencies are initially recorded at the functional currency spot rate prevailing at the date the transaction first qualifies for recognition.

Monetary assets and liabilities related to foreign currency transactions remaining outstanding at the balance sheet date are translated at the functional currency spot rate of exchange prevailing at the balance sheet date. Any income or expense arising on account of foreign exchange difference either on settlement or on translation is recognised in the Statement of Profit and Loss.

Non-monetary items which are carried at historical cost denominated in a foreign currency are translated using the exchange rate at the date of the initial transaction.

#### viii. Inventories

Raw material, process chemicals, stores and packing material are measured at weighted average cost.

Work in progress, traded and finished goods (other than by products and scraps) are measured at lower of cost or net realizable value. Cost of finished goods and work in progress comprises of raw material cost (net of realizable value of By-products), variable and fixed production overhead, which are allocated to work in

progress and finished goods on full absorption cost basis. Cost of inventory also includes all other cost incurred in bringing the inventories to their respective present location and condition. Borrowing costs are not included in the value of inventories. Cost of traded goods is measured on FIFO basis and it includes incidental expenses.

Net realizable value (NRV) is the estimated selling price in the ordinary course of business less estimated costs of completion and the estimated costs necessary to make the sale.

#### ix. Revenue recognition

The Group derives revenue primarily from sale of Jaggery and other by-products produced from processing of sugar cane, sale of power and sale of chemicals.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration, the Group expect to receive in exchange of those products or services. Revenue is inclusive of excise duty and excluding estimated discount, pricing incentives, rebates, other similar allowances to the customers and excluding GST and other taxes and amounts collected on behalf of third parties or government, if any.

##### Sale of goods

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- the Group has transferred to the buyer the significant risks and rewards of ownership of the goods;

- the Group retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Group; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

##### Dividend income

Dividend income is recognised when the Group's right to receive the dividend is established, it is probable that the economic benefits associated with the dividend will flow to the entity and the amount of the dividend can be measured reliably i.e. in case of interim dividend, on the date of declaration by the Board of Directors; whereas in case of final dividend, on the date of approval by the shareholders.

##### Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

##### Insurance claims

Insurance claim are accounted for on the basis of claims admitted / expected to be admitted and to the extent that the amount recoverable can be measured reliably and it

is reasonable to expect ultimate collection.

### **Export incentives**

Export incentives are accounted for in the year of exports based on eligibility and when there is no significant uncertainty in receiving the same.

### **Other incomes**

All other incomes are accounted on accrual basis.

## **x. Expenses**

All expenses are accounted for on accrual basis.

## **xi. Long term borrowings**

Long term borrowings are initially recognised at net of material transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method.

## **xii. Borrowing costs**

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial time to get ready for their intended use or sale. Borrowing costs consist of interest and other costs that the Group incurs in connection with the borrowing of funds. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs. Other borrowing costs are expensed

in the period in which they are incurred.

## **xiii. Leases**

Leases under which the Group assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of minimum lease payments at the inception of lease, whichever is lower. Lease under which the risks and rewards incidental to ownership are not transferred to lessee, is classified as operating lease. Lease payments under operating leases are recognized as an expense on a straight-line basis in net profit in the statement of profit and loss over the lease term.

## **xiv. Provision for current and deferred tax**

### **a. Current income tax:**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax expense is recognized in profit or loss except to the extent that it relates to items recognized directly in other comprehensive income or equity, in which case it is recognized in OCI or equity.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and established provisions, where appropriate, on the basis of amounts expected to be paid

to the tax authorities.

The Group Offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

The Group will update the amount in the financial statement if facts and circumstance change as a result of examination or action by tax authorities.

**b. Deferred tax:**

Deferred tax is recognized using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax is recognized in Statement of profit and loss except to the extent that it relates to items recognized directly in OCI or equity, in which case it is recognized in OCI or equity.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer

probable that the related tax benefit will be realized.

Minimum Alternate Tax (MAT) credits is recognised as deferred tax assets in the Balance Sheet only when the asset can be measured reliably and to the extent there is convincing evidence that sufficient taxable profit will be available against which the MAT credits can be utilised by the Group in future.

**xv. Impairment of non-financial assets**

Intangible assets that have an indefinite useful life are not subject to amortisation but are tested annually for impairment.

Other intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The Carrying amount of assets is reviewed at each balance sheet date, if there is any indication of impairment based on internal/external factor. An asset is impaired when the carrying amount of the assets exceeds the recoverable amount. Impairment is charged to the profit and loss account in the year in which an asset is identified as impaired.

An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

**xvi. Provisions, contingent liabilities and assets**

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit or loss net of any reimbursement. Provisions are not recognised for future operating losses.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Group. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation

is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote.

A contingent asset is not recognised but disclosed, when probable asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

**xvii. Cash and cash equivalents**

Cash and cash equivalents include cash on hand, cheques on hand, balance with banks on current accounts and short term, highly liquid investments with an original maturity of three months or less and which are subject to an insignificant risk of changes in value.

**xviii. Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

**A. Financial assets**

**Initial recognition and measurement**

All financial assets, except trade receivables are initially recognized at fair value. Trade receivables are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value of the

financial assets, as appropriate, on initial recognition.

### **Subsequent measurement**

For purposes of subsequent measurement, financial assets are classified in following categories:

#### **a) Financial assets carried at amortised cost**

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial assets give rise to cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding.

Amortised cost is determined using the Effective Interest Rate (EIR) method. Discount or premium on acquisition and fees or costs forms an integral part of the EIR.

#### **b) Financial assets at fair value through other comprehensive income (FVTOCI)**

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income for these financial assets is included in other income using the effective interest rate method.

#### **c) Financial assets at fair value through profit or loss (FVTPL)**

FVTPL is a residual category for financial instruments. Any financial instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

In addition, the Group may elect to classify a financial instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Financial instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

#### **d) Equity investments**

All equity investments, except investments in subsidiaries are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Group decides to classify the same either as at FVTOCI or FVTPL. The Group makes such election on an instrument by- instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the profit and loss.

Equity investments in subsidiaries are carried at cost less impairment losses, if any, except for the equity investments in subsidiaries as at the transition date which are carried at deemed cost being fair value as at the date of transition.

#### **Impairment of financial assets:**

The Group assesses on a forward-looking basis the expected credit losses associated with the assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

For trade receivables, the Group applies the simplified approach permitted by Ind AS 109 "Financial Instruments" which requires expected lifetime losses to be recognised from initial recognition of receivables. The Group uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward-looking estimates are analysed.

#### **Derecognition of financial assets:**

The Group derecognizes a financial asset when, and only when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the assets and an associated liability for amounts it may have to pay.

### **B. Financial liabilities**

#### **Initial recognition and measurement**

Financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial liabilities (other than financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial liabilities, as appropriate, on initial recognition.

#### **Subsequent measurement**

Financial liabilities are carried at amortized cost using the effective interest method or at FVTPL.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

#### **Derecognition of financial liabilities**

A financial liability (or a part of a financial liability) is derecognized from the Group's Balance Sheet when, and only when the obligation specified in the contract is discharged or cancelled or expires.

#### **C. Offsetting of financial instruments**

Financial assets and financial liabilities including derivative instruments are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

#### **xix. Fair value measurement**

The Group measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes

place either:

- In the principal market for the asset or liability or
- In the absence of a principal market, in the most advantageous market for the asset or liability

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Entity uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2: Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3: Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures,

the Group has determined classes of assets & liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above.

## **xx. Employees benefits**

### **a. Short-term obligations**

Short-term obligations for wages and salaries, including nonmonetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service up to the end of the reporting period are recognised and measured at the undiscounted amounts expected to be paid when the liabilities are settled.

### **b. Post-employment obligations**

#### **i Defined contribution plans**

The eligible employees of the Group are entitled to receive benefits in respect of provident fund, a defined contribution plan, in which both employees and the Group make contribution at a specified percentage of the covered employee's salary. The contributions, as specified under Defined Contribution Plan to Regional Provident Fund Commissioner and the Central Provident Fund recognised as expense during the period in the statement of profit and loss.

#### **ii Defined benefit plans**

The Group provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees of the Group. The Gratuity Plan provides a lumpsum payment to vested employees at retirement, death, or termination of

employment, of an amount based on the respective employee's salary and the tenure of employment with the Group.

The cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuation being carried out at each balance sheet date.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and is included in finance cost expenses in the Statement of Profit and Loss.

The service cost on the net defined benefit liability/(asset) is included in employees benefits expenses in the statement of profit and loss.

### **c. Compensated absences**

The employees of the Group are entitled to compensated absences which are both accumulating and non- accumulating in nature. The cost of accumulating compensated absences which are expected to be carried forward beyond twelve months from the reporting date are treated as long term benefits for measurement purposes and are provided for based on actuarial valuation using projected unit credit method for the unused entitlement.

The benefits are discounted using the market yields as at the end of the balance sheet date that has terms approximating to the terms of the related obligation and accounted for on the same principles as followed in the case of gratuity plan as stated hereinabove.

**d. Voluntary retirement scheme**

Compensation to employees who have opted for retirement under the “Voluntary Retirement scheme” is charged to the profit and loss account in the year of retirement

**xxi. Cash flow statement**

Cash flows are stated using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of incomes and expenses associated with investing or financing flows. The cash flows from operating, investing and financing activities of the Group are segregated.

**xxii. Earnings per share**

Basic earnings per share are calculated by dividing the profit/(loss) for the year (before other comprehensive income), attributable to the equity shareholders, by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share are calculated by dividing the profit/(loss) for the year (before other comprehensive income), adjusting the after tax effect of interest and other financing costs associated with dilutive potential equity shares, attributable to the equity shareholders, by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares which could be issued on the conversion of all dilutive potential equity shares.

**xxiii. Segment Reporting**

The Group operates in one reportable business segment i.e. " Manufacturing and trading of Jaggery & Sugar and allied activities.

**3. USE OF ESTIMATES AND MANAGEMENT JUDGEMENTS**

The preparation of financial statements in conformity with Indian Accounting Standards (Ind AS) requires management of the Group to make judgements estimates and assumptions that affect the reported amount of revenues, expenses, assets, liabilities and related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date.

The estimates and management's judgements are based on previous experience and other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

The areas involving critical judgement are as follows:

**i. Useful lives of Property, plant and equipment / intangible assets**

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into

account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting

period. The useful lives and residual values are based on the Group's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

## ii. Provisions and contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has required best judgement by management regarding the probability of exposure to potential loss. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

## iii. Post-employment benefit plans

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, the rate of salary increases and the inflation rate. The Group considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

## iv. Provision for income taxes and deferred tax assets

The Group's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/ recovered for uncertain tax positions. Deferred tax assets are recognised for unused tax losses and unused tax credit to the extent that it is probable that taxable profit would be available against which the losses could be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

## v. Impairment of investments in subsidiary

The Group reviews its carrying value of investments carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of profit and loss.

## vi. Leases

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Group is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Group is reasonably certain not to exercise that option. In assessing whether the Group is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Group to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Group revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

#### vii. Fair value measurement of financial instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted price in markets, then fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

C. The Company has a single class of equity shares having face value of Rs. 10 per share. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The voting rights of an equity shareholder are in proportion to its share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of share on which any call or other sums presently payable have not been paid. The company declares and pays dividend in Indian rupees. The holders of the equity shares are entitled to receive dividends as declared from time to time. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company after distribution of all preferential amounts. The distribution will be in

proportion to the number of equity shares held by the shareholders.

#### d. Dividend

The Board of Director has not proposed any dividend during the financial year 2025-26.

#### e. Shareholders holding more than 5% of the Equity shares

### Fair Value Hierarchy

The fair value of the financial assets and financial liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following table provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below :-

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Management uses its best judgement in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

### NOTE NO. 31: DUES FROM MEDIUM SMALL AND MICRO ENTERPRISES (MSME)

There is no MSME, to whom the Company owes dues, which are outstanding for more than 45 days as at 31 March, 2026 (31 March, 2025: Nil). This information as required to be disclosed under the Micro, Small and Medium Enterprises Development Act, 2006 has been determined to the extent such parties have

been identified on the basis of information available with the Company.

| Sl. | Particulars                                                                                                                                                                          | 31-Mar-2026 | 31-Mar-2025 |
|-----|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|-------------|
| 1   | Principal amount remaining unpaid as at year end                                                                                                                                     |             | -           |
| 2   | Interest due thereon remaining unpaid as at year end                                                                                                                                 | -           | -           |
| 3   | Interest paid by the company in terms of Section 16 of MSME Development Act, 2006 along with the amount of the payment made to the supplier beyond the appointed day during the year | -           | -           |
| 4   | Interest due and payable for the period of delay in making payment but without adding the interest specified under MSME Development Act, 2006                                        | -           | -           |
| 5   | Interest accrued and remaining unpaid as at year end                                                                                                                                 | -           | -           |
| 6   | Further interest remaining due and payable even in the succeeding years, until such date when the interest due as above are actually paid to the small enterprises.                  | -           | -           |

Note: The above information and that given in Note No. 16. 'Trade Payables' regarding Micro and Small Enterprises has been determined on the basis of information available with the Company and has been relied upon by the auditors.

#### **NOTE NO. 32: FINANCIAL RISK MANAGEMENT**

The company has in place comprehensive risk management policy in order to identify measure, monitor and mitigate various risks pertaining to its business. Along with the risk management policy, an adequate internal control system, commensurate to the size and complexity of its business, is maintained to align with the philosophy of the company. Together they help in achieving the business goals and objectives consistent with the Company's strategies to prevent inconsistencies and gaps between its policies and practices. The Board of Directors/committees reviews the adequacy and effectiveness of the risk management

policy and internal control system. The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk and
- Market risk

#### **I. Credit risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company's Jaggery sales are mostly on cash, thereby the credit default risk is significantly mitigated.

The impairment for trade receivables are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well

as forward looking estimates at the end of each balance sheet date.

Financial assets are written off when there is no reasonable expectation of recovery, however the Company continues to attempt to recover the receivables. Where recoveries are made, subsequently these are recognized in the statement of profit and loss.

The Company major exposure of credit risk is from trade receivables, which are

to meet its cash and collateral requirements. The Company's management is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by senior management. Management monitors the company's net liquidity position through rolling, forecast on the basis of expected cash flows.

unsecured and derived from external(i) customers.

## II. Liquidity Risk

Liquidity risk is defined as the risk that company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity

### Maturities of financial liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and excluding contractual interest payments and exclude the impact of netting agreements.

| (Rs. In Lakh)                           |                    |                                       |                   |               |

### III. Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other risks, such as regulatory risk and commodity price risk. Financial instruments affected by market risk include trade receivable and trade payables involving foreign currency exposure, and inventories.

#### (a) Foreign currency risk

Currency risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company is exposed to the effects of fluctuation in the prevailing foreign currency exchange rates on its financial position and cash flows. Exposure arises primarily due to exchange rate fluctuations between the functional currency and other currencies from the Company's operating, investing and financing activities.

#### (b) Regulatory risk

Sugar & Jaggery industry is regulated both by Central Government as well as State Government. Central and State Governments policies and regulations affects the Sugar industry and the Company's operations and profitability

#### (c) Commodity price risk

Sugar & Jaggery industry being cyclical in nature, realizations get adversely affected during downturn. Higher cane price or higher production than the demand ultimately affect profitability. The Company has mitigated this risk by well integrated business model by diversifying into various FMCG Products.

#### (d) Interest rate risk

Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates. However, the Company does not hold any borrowings in FY 2024-24 and FY 2022-23.

#### NOTE NO. 33: CAPITAL MANAGEMENT

In order to maintain or adjust the capital structure, the group may adjust the amount of dividends payable to shareholders and return capital to shareholders. Consistent with others in the industry, the Company monitors capital on the basis of the following gearing ratio.

| Particulars              | As at March 31st 2026 | As at March 31st 2025 |
|--------------------------|-----------------------|-----------------------|
| Equity share capital     | 873.12                | 833.12                |
| Other equity             | 3368.95               | 2578.17               |

**NOTE NO. 35 EVENTS OCCURRING AFTER THE BALANCE SHEET DATE**

The Group evaluates events and transactions that occur subsequent to the balance sheet date but prior to approval of Consolidated financial statement to determine the necessity for recognition and/or reporting of any of these events and transactions in the financial statements. As of May 28, 2026, there were no material subsequent events to be recognized or reported that are not already disclosed.

**NOTE NO. 36: OFFSETTING FINANCIAL INSTRUMENTS**

There are no financial instruments which are offset, or subject to enforceable master netting arrangements and other similar agreements but not offset, as at each reporting date.

**NOTE NO. 37: CODE ON SOCIAL SECURITY, 2020**

The Code on Social Security, 2020 ('Code') relating to employee benefits during employment and post employment received Indian Parliament approval and Presidential assent in September 2020. The Code has been published in the Gazette of India and subsequently on November 13, 2020 draft rules were published and invited for stakeholders' suggestions. However, the date on which the Code will come into effect has not been notified. The Group will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code becomes effective.
