1. As per the Office Report dated 19.08.2026, the Review Petition was found defective and the reasons thereof are pointed out in the said report. Despite this Registry's communication to the counsel for the petitioner to cure the defects, the defects have not been cured so far.

2. Even otherwise, having perused the Review Petition, we find that there is no error apparent on the face of the record. No case for review under Order XLVII Rule 1 of the Supreme Court Rules 2013 has been established.

3. In view of the above, the Review Petition is dismissed being defective as well as on merits.
