KEY BUSINESS UPDATES

- **Integrated Manufacturing Infrastructure:** The Company operates three manufacturing facilities at Lasundra, Zak GIDC and Odhav, with an aggregate installed segment capacity of 53,639 MTPA across PVC profiles, WPC profiles and sheets, and roofing products.
- **Diversified Product Portfolio:** The Company offers over 2,000 product SKUs across PVC, WPC and uPVC segments, catering to residential, commercial and institutional applications.
- **Established Distribution Network:** The Company has built a presence across 20+ states and Union Territories, supported by four distribution depots and a customer base of over 450.

- **7.5 MW Captive Solar Power Plant:** The Company commissioned its 7.5 MW solar power plant at Bordi Village, Kheda, Gujarat, on July 1, 2026, strengthening its renewable energy infrastructure and supporting captive power requirements, with potential long-term savings in energy costs.

MANAGEMENT COMMENTARY

Commenting on the results, Mr. Rajesh Dhirubhai Gondaliya, Chairman & Managing Director, Kaka Industries Limited, said:

"We are pleased to report a strong set of results for H1 FY27. Revenue, EBITDA and PAT have all moved up both year-on-year and over the previous half, which reflects our focus on operational efficiency, product mix improvement and disciplined capital allocation. During H1 FY27, Net Sales grew 26.1% year-on-year to INR 1,574.7 Mn, while EBITDA grew 38.2% and EBITDA margin expanded by 129 basis points to 14.7%. PAT grew 32.9% year-on-year to INR 117.6 Mn, with PAT margin improving by 38 basis points to 7.5%, and EPS stood at Rs. 8.61 per share. We are expanding the depth and width of our distribution channel, targeting untapped areas of Gujarat and the North Indian states. H1 was the preparatory half for our full-scale push towards 30% growth in FY 2027-28. H2 will be a meaningful period of preparation that sets the tone for the next financial year, while we maintain 25% growth in the current year. We are investing in improving our service, deepening and widening the distribution channel, and adding new decorative and furniture products to our range in H2. We are confident in our ability to deliver long-term, sustainable value to all stakeholders."

ABOUT KAKA INDUSTRIES LIMITED
