PRESS RELEASE

Business Update For Q1 FY27

July 20, 2026: HRS Aluglaze Limited (BSE: 544656) today provided a business update on its operational performance for the quarter ended June 30, 2026 (Q1 FY27).

Strong Operational Execution & Business Momentum

- Maintained strong execution across ongoing façade projects during Q1 FY27 while further strengthening the company's order pipeline, supported by sustained demand from commercial, residential and institutional developments.
- Secured orders aggregating approximately ₹25.5 crore (excluding GST) during the quarter, taking the unexecuted order book to approximately ₹112.3 crore as on June 30, 2026, providing healthy revenue visibility with execution timelines for the future.
- Successfully executed ₹ 14.1 crore. orders during the quarter, reflecting the company's continued focus on timely project delivery, operational excellence and efficient execution across its project portfolio.

Order Book & Execution Visibility

- Geotrix Pvt. Ltd., the company's subsidiary, commenced commercial operations on April 1, 2026, continued to strengthen its business momentum during Q1 FY27 with revenue of approximately ₹0.8 crore, fresh order inflows of approximately ₹6.9 crore and an unexecuted order book of approximately ₹6.1 crore as on June 30, 2026.
- The company continued to deploy proceeds from its Initial Public Offering towards capacity expansion and infrastructure development, in line with the objects of the issue. Construction and development activities for the proposed manufacturing facility are progressing as planned, with the capex initiative expected to enhance production capacity, improve operational efficiencies and support long-term business growth.
- The ongoing capital expenditure programme is expected to strengthen the company's integrated manufacturing capabilities and enhance its ability to undertake larger and more complex façade projects across India.
