manufacturing technologies, and the launch of the "Polymos" polymer compounding brand.

**Management's comment:**

Commenting on the performance, Mr. Shashi Kant Singh, Managing Director, Srigeer DLM Limited, stated:

*"Our performance in H2 and FY26 reflects the resilience of our operational model and our continued focus on efficiency and cost discipline. Despite a relatively softer demand environment during part of the year, we have been able to maintain stable margins and healthy profitability.*

*During the year, we focused on strengthening production efficiency, optimizing procurement processes, and maintaining a disciplined approach towards working capital. These efforts have helped us enhance operational readiness and improve execution across our business segments.*

*With a strong foundation in design-led manufacturing, expanding capabilities across key segments, and a continued focus on quality and execution, we are well-positioned to benefit from demand recovery and drive sustainable long-term growth."*
