Sub: Intimation under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations")

Pursuant to Regulation 30 read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), this is to inform you that the Company has undertaken a strategic initiative to establish and operate a women's and children's hospital at Guntur, Andhra Pradesh, which is expected to augment the Company's healthcare delivery network, particularly in the state of Andhra Pradesh and enhance its overall capacity.

For implementation of the proposed project, the Company has executed a long-term lease deed in respect of hospital premises situated at Guntur, Andhra Pradesh.

The leased premises comprise an existing, newly built hospital building with requisite healthcare infrastructure, which is expected to facilitate a faster operational ramp-up with relatively lower execution timelines and capital expenditure as compared to a greenfield hospital development.

The proposed hospital is expected to strengthen the Company's presence in Andhra Pradesh, expand access to specialised women and children's healthcare services and support the Company's long-term growth strategy.

The details required under Regulation 30 of the SEBI Listing Regulations read with Schedule III thereto and the SEBI Master Circular dated January 30, 2026, are enclosed as **Annexure A**.
