Our Assets under Management crossed INR 1,000 crore mark during the year and reached INR 1,096 cr as on 31st March 2026 reflecting a 149% YoY growth, a milestone that underscores the momentum we have built across our gold loan franchise and the growing trust of our customers and lending partners. This growth has been supported by meaningful strategic progress during the year. The growing network of our tech-enabled gold loan branch, and our co-lending partnership with Godrej Finance Limited are not just milestones, they are markers of the institutional depth and scalability we are building into this business.

As we look ahead, we are equally focused on ensuring that our growth is sustainable and well-governed.
