HCLTech recognized as a Leader in four ISG Provider Lens® SAP Ecosystem 2026 quadrants

NEW YORK and NOIDA, India, June 23, 2026 — [HCLTech](#), a leading global technology company, has been recognized as a Leader in four quadrants of the ISG Provider Lens® SAP Ecosystem 2026 assessment for the U.S. region.

The recognition highlights HCLTech’s comprehensive service portfolio, strong market presence, innovative strength and competitive stability in SAP S/4HANA system transformation (large accounts), SAP application managed services (AMS), SAP Business AI and Business Technology Platform (BTP) services and managed cloud services for SAP ERP.

This positioning reflects HCLTech’s ability to support the growing enterprise shift toward AI-first, clean-core transformation focused on measurable outcomes — accelerating S/4HANA adoption with lower risk, improving efficiency through automation and enabling AI-led business operations through platforms such as [AI Force](#). Its strength in managing secure, resilient SAP environments across hybrid and cloud landscapes helps sustain these gains, allowing enterprises to derive consistent value from their SAP investments.

“HCLTech—helps enterprises realize the full value of their SAP transformations, driving long-term outcomes and building more adaptable, data-driven organizations. By combining deep industry SAP expertise with AI capabilities and clean-core strategies, , we enable clients to navigate change with confidence and deliver sustained business value,” said Praveen Bhat, EVP, Global Head, SAP, HCLTech.
