These are neither exhaustive nor intended to constitute a complete analysis of all the risks involved in participation by Public Shareholders in this Open Offer, or in association with the Acquirer and the PAC, but are merely indicative in nature. Public Shareholders are advised to consult their stock brokers, legal advisors, investment consultants and/ or tax advisors, for understanding and analysing all risks associated with participation in this Open Offer.

For capitalised terms used herein please refer to the section “Definitions and Abbreviations” set out below.

I. Risks relating to the Open Offer and the Underlying Transaction

1. The Underlying Transaction is subject to the satisfaction of other conditions precedent specified in the Share Purchase Agreement (unless waived in accordance with the Share Purchase Agreement). To the best of the knowledge of the Acquirer and the PAC, there are no statutory or other approval(s) required for the consummation of the Underlying Transaction and the acquisition of Equity Shares that will be validly tendered by Public Shareholders pursuant to the Open Offer. However, if any statutory or other approval(s) are required or become applicable at a later date before closure of the Tendering Period, the Acquirer and/or the PAC shall make the necessary applications for such statutory or other approvals and this Open Offer shall be subject to receipt of such statutory or other approval(s).
2. In case of delay in receipt/ non-receipt of any statutory or any other approvals required by the Acquirer and/or the PAC, which become applicable at a later date but prior to completion of the Offer, SEBI may, if satisfied, that the delay in receipt/ non-receipt of approvals was not attributable to any wilful default, failure or neglect on the part of the Acquirer and/or the PAC to diligently pursue such approvals, grant an extension of time to the Acquirer for making payment of the consideration to the Public Shareholders (who will validly tendered their Equity Shares in the Open Offer), subject to such terms and conditions as may be specified by SEBI, including payment of interest in accordance with Regulation 18(11) of the SEBI (SAST) Regulations. Where any statutory approval extends to some but not all the Public Shareholders, the Acquirer shall have the option to make payment to such Public Shareholders in respect of whom no statutory approval(s) are required in order to complete this Open Offer.
3. In terms of Regulation 23(1) of the SEBI (SAST) Regulations, the Acquirer and the PAC may withdraw the Open Offer for the reasons outside the reasonable control of the Acquirer and the PAC under the following circumstances: (i) any statutory or other approval(s) which become applicable and are required by the Acquirer and/ or the PAC for the Open Offer at a later date but prior to completion of the Offer required for the Open Offer or for consummating the Underlying Transaction having been finally refused; (ii) condition precedent as specified in the Share Purchase Agreement, (as set out in paragraph 9 of Part A (*Background to the Open Offer*) of Section III (*Details of the Open Offer*) of this Draft Letter of Offer), which are for reasons outside the reasonable control of the Acquirer and/ or the PAC, are not satisfied, and the Share Purchase Agreement is terminated (in accordance with the terms specified therein); or (iii) such circumstances as in the opinion of SEBI merit withdrawal. In the event of such a withdrawal of the Open Offer, the Acquirer and/ or the PAC (through the Manager to the Open Offer) shall, within 2 (two) Working Days of such withdrawal, make an announcement of such withdrawal stating the grounds for the withdrawal in accordance with Regulation 23(2) of the SEBI (SAST) Regulations. Such public announcement for the withdrawal will be made in the same newspapers in which the Detailed Public Statement has been published and will also be sent to the Stock Exchanges, SEBI and the Target Company at its registered office.

4. In the event that either: (a) there is any litigation by a court of competent jurisdiction or SEBI leading to a stay/ injunction on the Offer or that restricts/ restrains the Acquirer or the PAC from performing its obligations hereunder; or (b) SEBI instructs the Acquirer and/ or the PAC not to proceed with the Offer, then the Offer process may be delayed beyond the tentative schedule of activities indicated in this Draft Letter of Offer or the Acquirer and/ or the PAC may rescind the Share Purchase Agreement in accordance with the terms set out therein and the Acquirer and/ or the PAC may withdraw the Open Offer in terms of Regulation 23 of the SEBI (SAST) Regulations, subject to applicable law. In the event of any delay, the payment of consideration to the Public Shareholders of the Target Company, whose Equity Shares are accepted under this Offer, as well as removal of lien on any Equity Shares not accepted under this Open Offer by the Acquirer may be delayed.
5. The acquisition of Equity Shares under the Open Offer from all Public Shareholders (resident and non-resident) is subject to all approvals required to be obtained by such Public Shareholders in relation to the Offer and the transfer of Equity Shares held by them to the Acquirer. All Public Shareholders (including residents, non-resident Indians, overseas corporate bodies or non-resident shareholders) must obtain all requisite approvals required, if any, to tender the Equity Shares under the Open Offer (including without limitation, the approval from the RBI (*as defined below*)) and submit such approvals, along with the Form of Acceptance-cum-Acknowledgement, and other documents required in terms of this Draft Letter of Offer to accept this Offer. In the event such approvals are not submitted, the Acquirer reserves the right to reject such Equity Shares tendered in this Offer. Further, if the holders of the Equity Shares who are not persons resident in India (including non-resident Indians or overseas corporate bodies or foreign portfolio investors) had required any previous approvals (including from the RBI, or any other regulatory body) in respect of the Equity Shares held by them, they will be required to submit such previous approvals, that they would have obtained for holding the Equity Shares, to tender the Equity Shares held by them, along with the other documents required to be tendered to accept this Offer. If the Equity Shares are held under general permission of the RBI, the non-resident Public Shareholder should state that the Equity Shares are held under general permission and clarify whether the Equity Shares are held on repatriable basis or non-repatriable basis. In the event such approvals and supporting documents are not submitted, the Acquirer reserves the right to reject such Equity Shares. Public Shareholders classified as overseas corporate bodies (“OCB”), if any, may tender the Equity Shares held by them in the Open Offer pursuant to receipt of approval from the RBI under the Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder. Such OCBs shall approach the RBI independently to seek approval to tender the Equity Shares held by them in the Open Offer.
6. The Equity Shares, once tendered through the Acquisition Window (*as defined below*)/ Form of Acceptance-cum-Acknowledgement (*as applicable*) in the Open Offer, cannot be withdrawn by the Public Shareholders, even if the acceptance of their Equity Shares in this Open Offer and payment of consideration is delayed. A lien shall be marked against the Equity Shares tendered in the Offer by the Public Shareholders until the completion of the formalities of this Offer. Further, the tendered physical Equity Shares and documents will be held in trust by the Registrar to the Offer until such time as the process of acceptance of tenders and the payment of consideration is complete. The Public Shareholders will not be able to trade in such Equity Shares which have been tendered in the Open Offer. During such period, there may be fluctuations in the market price of the Equity Shares. Neither the Acquirer nor the PAC or the Manager to the Open Offer make any assurance with respect to the market price of the Equity Shares, both during the period that the Open Offer is open and upon completion of the Open Offer and disclaim any responsibility with respect to any decision taken by the Public Shareholders with respect to whether or not to participate in the Open Offer. The Public Shareholders will be solely responsible for their decisions regarding their participation in this Open Offer.

7. A lien shall be marked against the shares of the Public Shareholders participating in the tender offers. Upon finalisation of the entitlement, only accepted quantity of shares shall be debited from the demat account of the Public Shareholders. The lien marked against unaccepted shares shall be released. The detailed procedure for tendering and settlement of shares under the revised mechanism is specified in the Chapter 4 to the SEBI Master Circular for SEBI (SAST) Regulations bearing reference number SEBI/HO/CFD/PoD-1/P/CIR/2023/31 dated February 16, 2023 (“**Master Circular**”).
8. Further, upon consummation of the Underlying Transaction the Sellers shall collectively hold 36,90,000 (thirty six lakhs ninety thousand) Equity Shares aggregating to 9.95% (nine point nine five per cent) of the Voting Share Capital of the Target Company and each of the Sellers along with other members of promoter group of the Target Company shall cease to be in control of the Target Company and will be reclassified from being members of the promoter/ promoter group of the Target Company to the ‘public’ category in accordance with Regulation 31A(10) of the SEBI (LODR) Regulations. Accordingly, on and from the date of consummation of the Underlying Transaction, the Sellers along with other members of the promoter group of the Target Company shall cease to be members of the promoter and promoter group of the Target Company. As per the SPA, the Acquirer shall support the Sellers in making necessary applications, if required, to Stock Exchanges and support all necessary actions required to reclassify the Sellers and other members of the promoter group from being promoter(s) and/or members of the promoter group of the Target Company on and from consummation of the Underlying Transaction.
9. The Public Shareholders whose Equity Shares have been validly tendered and accepted may be subject to capital gains tax and securities transaction tax applicable to the Equity Shares accepted in this Offer. The Public Shareholders are advised to consult their respective stock broker, investment consultants, and legal, financial, tax, or other advisors and consultants of their choosing, for assessing further risks with respect to their participation in the Open Offer and related transfer of Equity Shares of the Target Company to the Acquirer. The Acquirer or PAC or the Manager to the Open Offer do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this Draft Letter of Offer, and all shareholders should independently consult their respective tax advisors for assessing the tax liability pursuant to this Offer, or in respect of other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take.

X. COMPLIANCE WITH TAX REQUIREMENTS

- A.** If this Open Offer will be executed on market, securities transfer tax ("STT") will be payable through stock exchange on Equity Shares tendered/accepted under this Open Offer. STT is payable on the value of securities on every purchase and sale of securities that are listed on recognized stock exchange. Currently, the STT rate applicable on both purchase and sale of shares on the stock exchange in delivery cases is 0.10% (zero point one per cent) of the value of security transacted.
- B.** The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31. A person who is an Indian tax resident is typically liable to income-tax in India on such person's worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e. income which accrues or arises or deemed to accrue or arise in India) and on income received or deemed to be received by such person in India. In case of shares of a company, the source of income from sale of shares depends on the "situs" of such shares. Based upon the judicial pronouncements, the "situs" of the shares is where a company is "incorporated" and where its shares can be transferred.
- C.** Since the Target Company is incorporated in India and its shares (being in dematerialized form) can be transferred only in India, the shares of the Target Company are a capital asset "situated" in India and any gains arising to a non-resident on transfer of such shares is taxable in India under the Income Tax Act.

- D. Further, the non-resident shareholder can avail benefits of the Double Taxation Avoidance Agreement (“DTAA”) between India and the respective country of which the said shareholder is tax resident subject to satisfying relevant conditions as prescribed, and non-applicability of General Anti-Avoidance Rule (“GAAR”) and providing and maintaining necessary information and documents as prescribed under the Income Tax Act.
- E. The Income Tax Act also provides for different income-tax regimes/ rates applicable to the gains arising from the tendering of shares under the Offer, based on the period of holding, residential status, classification of the shareholder, nature of the income earned and mode of acquisition etc.
- F. As per the provisions of the Income Tax Act, the public shareholders would be required to file an annual income-tax return, as may be applicable to different category of persons based on the nature of income earned, with the Indian income tax authorities, reporting their income for the relevant year.
- G. The summary of income-tax implications on tendering of listed equity shares is set out below.
- H. **Classification of Shareholders:** public shareholders can be classified under the following categories:

Shareholders can be broadly classified under the following categories:

Resident Shareholders being:

- (i) Individuals, Hindu Undivided Family (“HUF”), Association of Persons (“AOP”), Body of Individuals (“BOI”) and every artificial judicial person
- (ii) Others such as Company, Firm etc.

Non-Resident Shareholders being:

- (iii) Non-Resident Indians (NRIs),
- (iv) Foreign Portfolio Investors (FPIs)/ Foreign Institution Investors (FIIs)
- (v) Others such as company, firm, etc.

- I. **Classification of Income:** Shares can be classified under the following two categories: i. Shares held as investment (Income from transfer taxable under the head “**Capital Gains**”); ii. Shares held as stock-in-trade (Income from transfer taxable under the head “**Profits and Gains from Business or Profession**”). Income arising from the transfer of shares may be treated either as “capital gains” or as “business income” for income-tax purposes, depending upon whether such shares were held as a capital asset or as stock-in-trade. In view of the amended definition of ‘capital asset’ provided in Section 2(22) of the Income Tax Act, 2005 shares held by all FIIs (and their sub – account) or FPIs registered under the SEBI (Foreign Portfolio Investors) Regulations, 2014 are to be treated as ‘capital asset’. For Public Shareholder other than FIIs/FPIs, gains arising from the transfer of shares may be treated either as ‘capital gains’ or as ‘business income’ for income-tax purposes, depending upon whether such shares were held as a capital asset or trading asset (i.e., stock-in-trade). public shareholders (other than FIIs/FPIs) should also refer to the relevant circulars/notifications and guidelines issued by the CBDT in this regard.
- J. **Shares held as investment:** As per the provisions of the Income Tax Act, where the shares are held as investments (i.e. capital asset), income arising from the transfer of such shares is taxable under the head “Capital Gains”. Additionally, the securities held by FIIs/FPIs are treated as capital assets under Section 2(22) of the Income Tax Act, 2005 (whether or not such asset is being held as

a capital asset). Therefore, gains arising out of securities held by FIIs/FPIs will be taxable in India as Capital Gains. Capital Gains in the hands of shareholders is computed as per provisions of Section 75 of the Income Tax Act, 2025.

Period of holding: Depending on the period for which the shares are held, the gain is taxable as “short-term capital gain” or “long-term capital gain”:

- (i) In respect of listed equity shares held for a period less than or equal to 12 (twelve) months prior to the date of transfer, the same should be treated as a “short-term capital asset”, and accordingly the gains arising therefrom should be taxable as “short term capital gains” (“STCG”).
- (ii) Similarly, where listed equity shares are held for a period more than 12 (twelve) months prior to the date of transfer, the same should be treated as a “long-term capital asset”, and accordingly the gains arising therefrom should be taxable as “long-term capital gains” (“LTCG”).

Tendering of Shares in the Offer through a Recognized Stock Exchange in India: Where a transaction for transfer of such equity shares (i.e. acceptance under an open offer) is transacted through recognized stock exchanges and is chargeable to STT, then the taxability will be as under (for all categories of shareholders):

- (iii) The Finance Act, 2018 has withdrawn the exemption under section 10(38) of Income Tax Act, 1961 for LTCG arising from transfer of equity shares on or after 1 April 2018. Section 198 of the Income Tax Act, 2025 provides for taxation of income arising from the transfer of such shares, which is explained in the following paragraphs.
- (iv) The gain accrued on such equity shares till 31 January 2018 has been exempted by providing that for the purpose of computing LTCG the cost of shares acquired before 1 February 2018 shall be the higher of the following:
 - (1) Actual cost of acquisition; or
 - (2) Lower of (A) fair market value, and (B) full value of consideration received or accruing as a result of the transfer of shares.Fair market value has been defined to mean the highest price of the equity share quoted on any recognized stock exchange on January 31, 2018.
- (v) After taking into account the exemption provided above, LTCG arising from transfer of equity shares, exceeding INR 125,000, will be taxable at 12.50% without allowing the benefit of indexation.
- (vi) However, Section 198 of the Income Tax Act, 2025 shall not apply if such equity shares were acquired on or after 1 October 2004 and securities transaction tax (‘STT under Chapter VII of the Finance (No.2) Act, 2004’) was not paid. In this regard, the Central Government has issued a notification no. 60/2018/F.No.370142/9/2017-TPL dated 1st October, 2018, providing certain situations wherein section 198 of the Income Tax Act, 2025 will continue to be applicable even if STT is not paid at the time of acquisition of equity shares. The notification provides for the following situations:

- (a) Where acquisition of existing listed equity share in a company, whose equity shares are not frequently traded on recognized stock exchanges of India, was made through a preferential issue, subject to certain exception;
- (b) Where transaction for acquisition of existing listed equity share in a company was not entered through recognized stock exchanges of India, subject to certain exception;
- (c) Acquisition of equity share of a company during the period beginning from the date on which the company was delisted from recognized stock exchanges and ending on the date on which the company was again listed on recognized stock exchanges in accordance with the Securities Contracts (Regulation) Act, 1956 read with the SEBI Act and any rules made thereunder.)

For this purpose, the cost of acquisition will be computed in accordance with the provisions of Section 90 and 198 of the Income Tax Act, 2025. In terms of Section 90 and 198 of the Income Tax Act, 2025 if investments were made on or before January 31, 2018, a method of determining the cost of acquisition of such investments has been specifically laid down such that gains up to January 31, 2018 are grandfathered (not taxed). To clarify, if the equity shares on which STT is paid were acquired prior to January 31, 2018, the cost of acquisition of such shares should be higher of:

- (1) Actual cost of acquisition; or
- (2) Lower of: (A) fair market value as on January 31, 2018, and (B) full value of consideration received or accruing as a result of the transfer of the shares ('actual sale consideration').

Fair market value has been defined to mean the highest price of the equity shares quoted on any recognized stock exchange on January 31, 2018.

The notification inter alia provides certain exceptions to the above situations where the provisions of Section 198 of the Income Tax Act, 2025 will not apply.

- (vii) Where STT is not paid on the transfer of listed equity shares (i.e., off-market transfer), Section 198 of Income Tax Act, 2025 does not apply, and the long-term capital gains are governed by Section 197 of the Income Tax Act, 2025. In such cases, LTCG would be chargeable to tax under section 197 of the Income Tax Act, 2025 at the rate of 12.50% (without indexation benefit) plus applicable surcharge and cess.
- (viii) If STT is not paid at the time of acquisition of the shares being acquired under the Open Offer and the same do not fall within the exceptions identified under CBDT Notification No. 60/2018 dated October 1, 2018, then the entire LTCG arising to the shareholder shall be subject to tax as under:

- (a) At 12.50% (twelve point five zero per cent) in the case of resident public shareholders in accordance with provisions of Section 197 of the Income Tax Act, 2025 (without indexation benefit).
- (b) At 12.50% (twelve point five zero per cent) in the case of non-resident public shareholders (other than an FPI/FII or NRI who is governed by the provisions of Chapter XII-A of the Income Tax Act) in accordance with provisions of Section 197 of the Income Tax Act, 2025 (without indexation benefit).
- (c) At 12.50% (twelve point five zero per cent) in case of NRI under Section 214 of the Income Tax Act, 2025 (without indexation benefit and Chapter VI-A deduction).
- (d) At 12.50% (twelve point five zero per cent) in the case of FIIs/FPIs in accordance with the provisions of Section 210 of the Income Tax Act, 2025 (without indexation benefit, foreign exchange fluctuation and Chapter VI-A deduction).
- (ix) STCG arising from such transaction will be subject to tax @ 20.00% under Section 196 of the Income Tax Act, 2025. The said rate will be increased by applicable surcharge and health and education cess. Further, no deduction under Chapter VI-A would be allowed in computing STCG.
- (x) Under Section 198 of the Income Tax Act, 2025 STCG arising to a FIIs/FPIs on transfer of shares (STT paid) will be chargeable at the rate of 20.00% (twenty per cent). Further, no deduction under Chapter VI-A would be allowed in computing STCG.
- (xi) In addition to the above LTCG or STCG tax, applicable surcharge and health and education cess is leviable.
- (xii) Further, in case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is required to be considered while computing tax on such LTCG or STCG taxable under Section 196 to 198 of the Income Tax Act, 2025. In addition to the above LTCG or STCG tax, applicable surcharge, Health and Education Cess are leviable.
- (xiii) Under Section 11 read with Schedule V(1) of the Income Tax Act, 2025, any income of an Investment Fund, other than the income chargeable under the head “Profits and gains of business or profession” would be exempt from income-tax but would be taxable in the hands of their investors. For this purpose, an “Investment Fund” means a fund registered as Category I or Category II Alternative Investment Fund and is regulated under the Securities and Exchange Board of India (Alternate Investment Fund) Regulations, 2012 or regulated under the International Financial Services Centres Authority (Fund Management) Regulations, 2022 made under the International Financial Services Centres Authority Act, 2019, each as amended.
- (xiv) Under Section 11 read with Schedule VII(20) and Schedule VII(21) of the Income Tax Act, 2025, any income of mutual funds registered under SEBI or regulations made thereunder or mutual funds set up by public sector banks or public financial institutions or mutual funds authorized by the RBI and subject to the conditions specified therein, is exempt from tax subject to such conditions as the Central Government may by notification in the Official Gazette, specify in this behalf.
- (xv) Non-resident public shareholders can avail beneficial provisions of the applicable DTAA entered into by India subject to fulfilling of the relevant conditions and the documentary compliance prescribed under the Income Tax Act.
- (xvi) Minimum alternate tax (“MAT”) implications will get triggered in the hands of a

resident corporate shareholder. For resident corporate public shareholders who have opted to be governed by the beneficial corporate income tax rate of 22.00% (twenty two per cent) or 15.00% (fifteen per cent) under Section 200, 201 and 205 of the Income Tax Act, 2025, MAT implications will not be applicable.

Foreign companies shall not be liable to Minimum Alternate Tax ('MAT') in accordance with the Section 206(1)(l) of the Income Tax Act, 2025 of the Income Tax Act, 2025. MAT does not apply where the foreign company is a resident of a country with which India has an agreement under 159 of Income Tax Act, 2025 and such company does not have a permanent establishment in India; or where the foreign company is not required to seek registration under the Companies Act, 2013. Accordingly, most foreign shareholders are outside the scope of MAT.

For non-company public shareholders, applicability of the provisions of Alternate Minimum Tax will also have to be analysed depending upon the facts of each case.

Income from sale of shares may also be classified as Income from "Profits and Gains from Business and Profession" (i.e. Business Income) if the shares are held as stock-in-trade by any of the eligible public shareholders. L. Tax Deduction at Source:

12.1 In case of resident shareholders

- 12.1.1 In absence of any specific provision under the Income Tax Act, the Acquirer are not required to deduct tax on the consideration payable to the resident public shareholders pursuant to the said Offer.
- 12.1.2 With effect from July 1, 2021, the Finance Act, 2021 creates an obligation on the buyer of goods to withhold tax under Section 393(1) of the Income Tax Act, 2025 at the rate of 0.10% (zero point one per cent) when buying goods from an Indian resident. The withholding obligation only exists where the consideration for goods exceeds INR 50,00,000 (Indian Rupees Fifty Lakhs) and the buyer had a business turnover of more than INR 10,00,00,000 (Indian Rupees Ten Crores) in the immediately preceding year. The term “goods” has not been defined and may cover shares.
- 12.1.3 As per Circular No 13 of 2021 dated June 30, 2021 issued by the CBDT, the provisions of Section 393(1) of the Income Tax Act, 2025 is not applicable where the transactions in securities and commodities are traded through recognized stock exchange. Therefore, the Acquirer is not required to withhold tax under Section 393(1) of the Income Tax Act, 2025 on consideration payable to resident public shareholders.
- 12.1.4 The resident public shareholders must file their tax return in India inter alia considering gains arising pursuant to this Open Offer. The resident public shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.
- 12.1.5 Interest – In respect of interest income, the obligation to deduct tax at source under the provisions of the Income Tax Act is on the person responsible for paying such income. The final decision to deduct tax or not on the interest payments for delay in payment of consideration, or the quantum of taxes to be deducted rests solely with the Acquirer

depending on the settlement mechanism for such interest payments. It is important for the public shareholders to compute income on this transaction and immediately pay taxes in India, if applicable, in consultation with their custodians/authorized dealers/tax advisors appropriately. The public shareholders must file their tax return in India, inter alia, considering gains arising pursuant to this Open Offer in consultation with their tax advisors.

- 12.1.6 The resident public shareholders undertake to indemnify the Acquirer if any tax demand is raised on the Acquirer on account of income arising to the resident Public Shareholders pursuant to this Open Offer. The resident Public Shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid, etc.

12.2 In case of non-resident shareholders

12.2.1 In case of FIIs / FPIs:

In case of Foreign Institutional Investors ('FIIs') / Foreign Portfolio Investors ('FPIs'), 393(2) of the Income Tax Act, 2025 provides that no tax is required to be deducted at source on capital gains arising from transfer of securities. This exemption is limited strictly to capital gains in the Section 210 of the Income Tax Act, 2025

However, this provision does not apply to any other category of income payable to FIIs/FPIs, such as interest, dividends, or any income chargeable as business income under the Act. Such income, where chargeable to tax in India, continues to be subject to TDS under the applicable provisions (e.g., Section 393 of the Income Tax Act, 2025) as relevant.

Accordingly, for the purposes of the Offer, no withholding is required in respect of capital gains arising to FIIs/FPIs on tendering of Equity Shares, but TDS implications may arise in respect of other categories of income, if any, that are taxable under the Act.

Note: The CBDT has vide Notification No. 9/2014 dated January 22, 2014 notified Foreign Portfolio Investors registered under the Securities and Exchange Board of India (FPI) Regulations, 2014 as FII for the purpose of Section 210 of the Income Tax Act 2025.

12.2.2 In case of other non-resident shareholders (other than FIIs / FPIs) holding Equity Shares of the Target Company:

In accordance with Section 159 of the Income Tax Act, 2025, where a non-resident shareholder is eligible to claim benefits under an agreement entered into by India under Section 159 of the Income Tax Act 2025, the provisions of the Income Tax Act, 2025 shall apply only to the extent they are more beneficial to such shareholder.

In accordance with Section 393(2) of the Income Tax Act 2025, any person responsible for paying to a non-resident any sum chargeable to tax in India is required to deduct tax at source at the time of payment. The obligation to withhold under Section 393(2) applies even where the transaction is undertaken through the stock exchange or where, as a matter of operational mechanics, the Acquirer is not able to withhold tax at the time of settlement. Accordingly, if any consideration payable to a non-resident shareholder is chargeable to tax in India, the Acquirer shall be required to withhold tax at the applicable rates, unless a valid tax treaty benefit, lower / nil

withholding certificate, or other prescribed documentation is furnished by such shareholder. Non-resident shareholders are required to provide PAN, Tax Residency Certificate, Form 10F and other prescribed particulars to enable appropriate withholding.

Given the practical difficulty, the Acquirer will not be deducting income tax at source on the consideration payable to such non-resident, as there is no ability for the Acquirer to deduct taxes since the remittance/payment will be routed through the Stock Exchange and there will be no direct payment by the Acquirer to the non-resident public shareholders.

Since the Open Offer is through the Stock Exchange, the responsibility of discharging the tax due on the gains (if any) is primarily on the non-resident Shareholder. The non-resident Shareholder must compute such gains (if any) on this transaction and immediately pay applicable taxes in India, if applicable, in consultation with their custodians/ authorized dealers/ tax advisors appropriately. The non-resident shareholders must file their tax return in India inter-alia considering gains arising pursuant to this Offer in consultation with their tax advisors.

The non-resident shareholders undertake to indemnify the Acquirer if any tax demand is raised on the Acquirer on account of gains arising to the non-resident Shareholders pursuant to this Offer. The nonresident shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability / non-taxability of the proceeds pursuant to this Offer, copy of tax return filed in India, evidence of the tax paid etc.

Computation of applicable tax rates shall also include surcharge and cess (depending upon the facts of the case).

M. Remittance/Payment of Interest:

13.1 In case of interest, if any, paid by the Acquirer, to resident and the non-resident public shareholders for delay in receipt of statutory or governmental approvals which become applicable at a later date but prior to completion of the Offer as per Regulation 18(11) of the SEBI (SAST) Regulations or in accordance with Regulation 18(11A) of the SEBI (SAST) Regulations, the final decision to deduct tax or the quantum of taxes to be deducted rests solely with the Acquirer depending on the settlement mechanism for such interest payments. In the event the Acquirer decides to withhold tax, the same shall be basis the documents submitted along with the Form of Acceptance-cum-Acknowledgment or such additional documents as may be called for by the Acquirer. It is recommended that the public shareholders consult their custodians/authorized dealers/tax advisors appropriately with respect to the taxability of such interest amount (including on the categorisation of the interest, whether as capital gains or as other income). In the event the Acquirer are held liable for the tax liability of the shareholder, the same shall be to the account of the Public Shareholder and to that extent the Acquirer should be indemnified.

13.2 The public shareholders must file their tax return in India inter alia considering the interest (in addition to the gains on the sale of shares), if any, arising pursuant to this Open Offer. The public shareholders also undertake to provide the Acquirer, on demand, the relevant details in respect of the taxability/non-taxability of the proceeds pursuant to this Open Offer, copy of tax return filed in India, evidence of the tax paid etc.
