NATCO Pharma Limited completes acquisition of additional 13.25% stake in Adcock Ingram Holdings Proprietary Limited

Hyderabad, India – Tuesday, July 14, 2026 – NATCO Pharma Limited (NSE: NATCOPHARM; BSE: 524816) ("NATCO") announced the successful completion of its acquisition of an additional 13.25% equity stake in Adcock Ingram Holdings Proprietary Limited ("Adcock Ingram"), a leading South African pharmaceutical and healthcare company.

With the completion of this transaction, NATCO's shareholding in Adcock Ingram has increased from 35.75% to 49%. The acquisition was completed through NATCO Pharma South Africa Proprietary Limited, NATCO's wholly owned subsidiary in South Africa. The transaction involved the acquisition of shares for an aggregate consideration of around ZAR 1.81 billion equivalent to around ₹ 1,060 crores at the transaction exchange rate.

Strategic milestone in NATCO's African growth journey

The completion of the additional stake acquisition marks another significant milestone in NATCO's long-term Africa strategy.

NATCO first acquired 35.75% in Adcock Ingram through its participation in the Adcock Ingram's delisting process in 2025 following the announcement of a firm intention offer in July 2025, shareholder approval in October 2025 and completion of the transaction in November 2025.

Pursuant to that, NATCO's Board further approved the acquisition of an additional 13.25% stake in July 2026, and the transaction has now been completed following the satisfaction of customary closing conditions and regulatory requirements.

About NATCO Pharma Limited

NATCO Pharma Limited is a public limited company, listed on the Bombay Stock Exchange and the National Stock Exchange of India, with a market capitalisation of ~US$ 1.82 billion. Established in 1981, NATCO Pharma is well recognised for its innovation in pharmaceutical R&D and emphasis on developing niche, high potential molecules. The company has a particular focus on delivering quality medicines in oncology, cardiology, neurology, and other high-value therapeutic categories. Products are manufactured across 9 state-of-the-art facilities certified and approved by leading global regulatory authorities, including the US FDA, Brazil's ANVISA, Health Canada, and the World Health Organisation. NATCO Pharma exports its products to more than 50 countries worldwide including USA, Brazil and Canada.
