Independent Auditor's Limited Review Report on the unaudited standalone Quarterly Financial results of the Coffee Day Enterprises Limited pursuant to the regulation 33 of the SEBI (Listing obligations and Disclosure Requirements) Regulations, 2015

To,

Board of Directors of **Coffee Day Enterprises Limited**

1. We were engaged to review the accompanying statement of unaudited standalone financial Results of Coffee Day Enterprises Limited ('the Company') for the quarter ended September 30, 2026 and year to date results for the period from 01 April 2026 to 30 September 2026.

2. It is the responsibility of the Company's Management and Board of Directors to prepare this Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The statement has been approved by the Company's Board of Directors.

3. Our responsibility is to conduct a review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Because of the matters described in the paragraph 4 below, we were not able to obtain sufficient appropriate evidence to provide a basis for conclusion on the Statement and hence we do not express a conclusion on the results.

Basis for disclaimer of conclusion

a. We have not been provided with sufficient evidence with respect to recoverability of dues from group companies amounting to INR 1,400.12 crores stated to be recoverable by the management (as

detailed in Note 5 of the Standalone Financials Results). In the absence of sufficient appropriate audit evidence on the recoverability of these loans, we are unable to comment on the realisability of the stated advances from group companies and the impact on the standalone financial results.

b. Attention is drawn to Note 6 and 10 of the standalone financial results, wherein instances of non-compliance with certain debt covenants including interest & principal repayment defaults have been described. We also draw attention to the fact that the Company has not obtained the balance confirmations on loans from one lender amounting to Rs. 47.88 crores. In the absence of adequate and sufficient audit evidence to establish the amounts payable to the lenders, we are unable to provide our opinion on the correctness of these amounts reflected in the standalone financial results.

c. The Results has been prepared by the Management and Board of Directors using the going concern assumption (Refer Note 7 of the Standalone Financials Results). The matters detailed in the above paragraphs may have a consequential implication on the Company's ability to continue as a going concern. We are therefore unable to comment on whether the going concern basis for preparation of the Standalone Financial Results is appropriate.

In respect of the Holding Company and some of the subsidiaries, there are instances of non-compliance with certain debt covenants including interest & principal repayment defaults have been described. We also draw attention to the fact that the Holding Company has not obtained the balance confirmations on loans from one lender amounting to Rs. 47.88 crores. We have been informed that during the previous years, certain lenders have exercised their right to recall the loan (refer Note 7, Note 8 and Note 12 of the Statement). In the absence of adequate and sufficient audit evidence to establish the amounts payable to the lenders, we are unable to provide our opinion on the correctness of these amounts reflected in the consolidated financial results and also on their consequential impact and potential tax liabilities.

c. The Consolidated Financial results of the Group have been prepared by the Management and Board of Directors using the going concern assumption in view of the positive net-worth of the Group (refer Note 6 of the Consolidated Financial Results). The matters detailed in the above paragraphs may have a consequential implication on the Group's ability to continue as a going concern. We have expressed the same in the reports of two subsidiary and three step-subsidiary.

Further, the auditors of one subsidiary and two step-down subsidiaries have also expressed material uncertainty over going concern in their reports.

d. We draw attention to Note No.13 of the Statement wherein in 1 subsidiary there are doubts on the recoverability of capital advance dues aggregating to INR 275 Crores. An agreement for the purchase of land at Mumbai had been entered into which has been acquired by City & Industrial

Coffee Day Enterprises Limited
Consolidated limited review report (continued)

Development Corporation (CIDCO) nodal agency for acquiring land for Navi Mumbai International Airport. CIDCO has proposed alternative land in lieu of the acquisition of land. However, the party has filed legal case for monetary compensation instead of alternate land. Hence, we are unable to comment on the recoverability of amount due.

e. One of the subsidiaries of the company has not recognized a financial guarantee given to erstwhile subsidiary SICAL amounting to Rs.41.67 Crores, which has been invoked by the lenders. Due to the proposed restructuring plan with the lender regarding a settlement, we are unable to assess the impact of this matter on the financial Results. Accordingly, the level of compliance with the Indian Accounting Standards cannot be ascertained by us.

f. We have highlighted in one subsidiary that the Company is currently undergoing a corporate restructuring process with its lenders, as detailed in Note No.8 of the Consolidated Financial Results. This restructuring involves realigning the company's debt and interest obligations in accordance with the proposed plan, which remains pending for necessary approvals. The company has not recognized the impact of exchange fluctuation difference for the External commercial borrowings from one lender who are also a part of the proposed restructuring plan. The conversion of the foreign currency loan into rupee loans as well as applicable interest rate of 8.50% is subject to the necessary approval of the Reserve Bank of India. Pending final execution of the restructuring plan and pending necessary approvals from the RBI for the conversion of foreign currency loan, we are unable to comment on the completeness of the loan balances and its impact in these consolidated financial results.

6. Other matters

a. We did not review the financial results of one subsidiary, three step-down subsidiaries and 2 partnership firm, whose financial results reflect total revenues of Rs. 0.77 Crores and total assets of Rs. 20.45 crores and total comprehensive income of Rs. 0.28 crore for the period ended on that date, as considered in the Statement. e. Further, we have not received neither the limited reviewed financial statements nor the management complied accounts 3 joint ventures, for the quarter ended 30th September 2026, and these have not been considered in the Statement. The company has informed that two of the joint ventures are in-active with the resignation of the respective directors of the company.
