Director Speaks

Commenting on the release, Mr. Sharan Bansal, Director of Skipper Limited, said: " The receipt of new orders aggregating to Rs. 1,265 crore across domestic and international markets marks another significant milestone for the Company and underscores the strength of our diversified T&D business model. These order wins reflect our strong technical capabilities, proven execution track record, and growing customer confidence across geographies and is a testament to our growing capabilities in the high-complexity segment of India's power infrastructure build-out'

He further added "The continued momentum in order inflows aligns with the increasing investments being witnessed domestically and globally in transmission infrastructure, grid expansion, and renewable energy integration. With a robust order pipeline and improving opportunities across key markets, we believe the Company remains well-positioned to sustain its growth trajectory and will continue to focus on disciplined execution, operational efficiency, and prudent project selection while creating long-term value for our stakeholders"
