Dear Sir/Madam,

Sub: MEERA Industries Limited Secures Domestic Order Worth ₹ 7.95 Crore (Rupees Seven Crore Ninety-Five Lakhs Only) from DNB Textiles, Surat, for High-Speed BSY Yarn Twisting & Cop Winding Line.

MEERA Industries Limited (“MEERA” or “the Company”), MEERA Industries Limited, a leading Indian manufacturer of advanced twisting and heat-setting machinery, is pleased to inform shareholders that the Company has secured a domestic order from DNB Textiles Pvt. Ltd., Surat (“DNB”), a well-established fabric manufacturer, as part of DNB’s large-scale capacity expansion in Surat. The order underscores strong customer confidence in MEERA’s technology leadership, execution capability, and after-sales support.

The ordered machines are designed to support BSY filament twisted yarn production for fabrics and industrial applications, typically using polyester, viscose, cotton, and blended yarns. MEERA’s solution set, particularly its high-speed TFO (Two-For-One) twisting expertise for high-twist yarns, is well suited to modern manufacturing requirements where productivity, package quality, and energy efficiency are key operating priorities.

Strategic Context: Improving Export Tailwinds for Indian Textiles

The Indian textile and downstream value-added yarn ecosystem is expected to benefit from improving export market access driven by trade agreements and trade frameworks like India–UAE CEPA, Australia–India ECTA , India–EFTA TEPA, India–UK FTA, India-EU etc.

These developments collectively support a constructive medium-term outlook for export-oriented textile manufacturing.
