PRESS RELEASE

Record breaking quarter for Kirloskar Oil Engines with Standalone sales of 1,722 Cr; 19% YoY growth and Consolidated sales crossing 2,000 Cr mark at 2,257 Cr, 17% YoY growth

Pune, India – November 4, 2026: Kirloskar Oil Engines Limited (KOEL) (BSE: 533293; NSE: KIRLOSENG), a leader in the manufacturing of internal combustion engines, generator sets and agricultural equipment, with a sizable presence in international markets, announced today its unaudited financial results for the second quarter of the financial year ending March 31, 2027.

Commenting on the results, Gauri Kirloskar, Vice Chairperson and Managing Director, Kirloskar Oil Engines, said, "We are incredibly proud to have scaled a milestone, with our best-ever quarter realising a consolidated revenue of ₹2,257 Crore—with a robust 17% year-on-year growth. Despite severe headwinds from global commodity inflation, the resilience of our business model was demonstrated by strong performances in Power Generation, Aftermarket, and our international businesses, leading to market share gains. Supported by strategic partnerships like our global agreement with DEUTZ and the first commercial billing of KASPL, KOEL is firmly positioned to drive high-impact, sustainable value for our stakeholders in the quarters ahead."
