Meenakshi India successfully lists on BSE; sets sights on Rs. 500 crore milestone in Revenues by 2030

Lists at Rs. 281.99 with 1.125 crore equity shares (Face value of Rs. 10 each)

Chennai, July 22, 2026: Meenakshi India Limited (MIL) (BSE: 544831), a leading apparel manufacturer specialising in premium bottom wear and outerwear for global brands, today announced its listing on the Bombay Stock Exchange (BSE) Main Board, effective **July 22, 2026**, marking a significant milestone in the company's growth journey. The company remains to be listed over The Calcutta Stock Exchange Limited. The company's stock debuted at Rs. 281.99, with its 1.125 crore equity shares of face value Rs. 10 each, on offer.

This milestone positions Meenakshi India Limited to accelerate its next phase of growth by expanding its manufacturing capabilities, expanding its presence across domestic and international presence, deepening customer partnerships and continuing to deliver sustainable long-term value for all stakeholders.

Speaking on the occasion, **Mr. Ashutosh Goenka, Chairman & Managing Director, Meenakshi India Limited**, said, "Our listing on the BSE Main Board is an important milestone for Meenakshi India Limited and comes at a defining moment for the Indian textile and apparel industry. With global demand recovering and improved market access from recent and upcoming trade agreements, such as the India–UK FTA, already being operational, the signed and soon-to-be-operational India–EU FTA, and ongoing discussions around a bilateral trade agreement with US, premium Indian apparel manufacturers can expect stronger export demand and improved realisations, enhancing their global competitiveness. We believe the industry is entering a new phase of growth, and Meenakshi India is well-positioned to capitalise on this opportunity through its focus on quality, reliability and specialised manufacturing. Our planned investments in capacity expansion will enable us to meet growing global demand while continuing to build long-term value for our customers, shareholders and all stakeholders.

Looking ahead, Meenakshi India Limited plans to invest approximately ₹40 crore towards expanding its manufacturing infrastructure, with the objective of increasing its annual production capacity from around 18 lakh garments to nearly 35 lakh garments by FY30. Backed by these investments and sustained operational excellence, the company targets revenue in the range of ₹450–500 crore by FY30. As it executes its growth strategy, Meenakshi India Limited will continue to reinforce its position as a preferred manufacturing partner for leading global brands by focusing on premium, value-added apparel solutions, underpinned by quality, innovation and specialised manufacturing capabilities.

Mr. Shubhang Goenka, Whole-Time Director, Meenakshi India Limited, added, "Becoming a BSE Main Board-listed company reflects the evolution of Meenakshi India into a stronger and more mature organisation. It enhances our visibility in the capital markets while reinforcing our commitment to the highest standards of governance, transparency and disciplined execution. As we move forward, we will remain focused on delivering consistent operational performance, strengthening customer relationships and maintaining the highest standards expected of a listed company."

The BSE Main Board listing marks another defining chapter in Meenakshi India Limited's four-decade journey as the company continues to strengthen its position as a trusted manufacturing partner for leading global apparel brands.
