**Subject : Intimation of Commissioning and Operationalization of Solar Power Projects forming part of IPO Objects**

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, we are pleased to inform that the Company has successfully commissioned and operationalized its Ground Mounted Solar Power Projects comprising Project A and Project B aggregating to 7.20 MW (AC) / 9.67 MW (DC) at Village: Gadha and Vaktapur, Taluka: Himmatnagar, District: Sabarkantha, State: Gujarat.

The aforesaid projects form part of the Objects of the Initial Public Offer of the Company.

Based on the requisite approvals received from the concerned authorities, including charging permission of and meter sealing, the projects were operationalized and commenced generation of Solar Power with effect from May 27, 2026.

The Commissioning certificate from Gujarat Energy Development Agency is presently under process and is expected to be received in due course.

The successful commissioning and operationalization of the aforesaid projects marks a significant milestone in the execution of the Company's growth strategy and achievement of the principal object for which funds were raised through the Initial Public Offer.

Kindly take the same on record.

Thanking you.

Yours Faithfully,
