HCL Infosystems Limited announced its financial results on 05th November 2026 for the quarter ended 30th September 2026 and reported revenue of Rs. 413 Lakhs.

Q2' FY27 Business Highlights

1. The revenue for the current quarter stood at Rs. 413 Lakhs, as compared to Rs. 418 Lakhs in the previous quarter.

2. Loss Before Tax for the current quarter stood at Rs.1,494 Lakhs, as compared to Rs. 1,668 Lakhs reported in the previous quarter. This is mainly due to lower provision of unutilized GST ITC by Rs 144 Lakhs as compared to previous quarter.

3. Loss for the current quarter includes non-cash interest expense on Non-Convertible Debentures charged to Profit and Loss Account of Rs. 662 Lakhs.

Mr. Gaurav Bhalla, Manager of HCL Infosystems Ltd, while commenting on the results, said, "During the quarter, the Company's management continued to focus on initiatives aimed at reducing future operational losses, and pursuing recovery of long-overdue receivables from customers through legal proceedings."

The Ministry of Labour and Employment has revised the statutory wage ceiling for Employees' Provident Fund coverage under the Code on Social Security, 2020, from Rs. 15,000 per month to Rs. 25,000 per month, with effect from 17.09.2026. The Company has complied with the revised statutory framework, wherever applicable.

Company Update

As communicated earlier, the Company continues to pursue arbitration proceedings against several customers to recover past dues.

Also, the Company remains engaged in residual project execution, complying with applicable regulatory requirements, maintaining effective internal financial controls and managing ongoing litigations. The cost incurred by the Company in relation to these activities continues to be considerable component of the total cost reflected in the financial results.

During the quarter, the Company has incurred legal, professional, and consultancy expenses amounting to Rs. 526 Lakhs and made provisions for unutilized GST input tax credit amounting to Rs. 98 Lakhs.
