PRESS RELEASE

Blue Dart and NCRTC Sign MoU to Explore Express Parcel Movement on the Delhi-Meerut Namo Bharat Corridor

Mumbai, October 6, 2026: Blue Dart Express Limited, South Asia's premier express air and integrated transportation and distribution company, has signed a Memorandum of Understanding (MoU) with the National Capital Region Transport Corporation (NCRTC) to explore the movement of express parcels on the Delhi-Ghaziabad-Meerut Namo Bharat corridor.

The collaboration will examine how Blue Dart's pickup and delivery network can move express parcels utilizing the transformational regional rail connectivity to serve businesses and customers across the National Capital Region. As part of the MoU, the two organisations will assess operational requirements, parcel volumes, station facilities, service standards and commercial arrangements to arrive at a feasible solution.

The 82 km Namo Bharat corridor connects Delhi, Ghaziabad and Meerut. Its Sarai Kale Khan station is seamlessly connected to Hazrat Nizamuddin railway station and the inter-state bus terminal, while the Anand Vihar station also has been connected to the Anand Vihar railway station and two inter-state bus terminals. Such multi-modal connectivity makes the corridor relevant to the movement of shipments between established transport hubs and the businesses they serve. The proposed approach would set-up an optimal link between the semi-high-speed regional rail movement with Blue Dart's existing pickup and delivery services, subject to operational feasibility and arrangements agreed by both organisations.

On the partnership, **Shri Shalabh Goel, Managing Director, NCRTC**, stated, *"Namo Bharat is a strategic intervention to transform the regional connectivity across the National Capital Region and help reduce vehicular congestion and air pollution. In a short span of time, this service has gained popularity among the people and is enabling easy access to jobs, education, healthcare and affordable housing. Our collaboration with Blue Dart gives us an opportunity to explore how this new-age infrastructure could also serve the freight ecosystem with the convenience and benefit of the people at the centre."*

Pablo Ciano, CEO, DHL eCommerce Division, said, *"India is a significant growth market for DHL eCommerce, and Blue Dart's service quality and network are central to how we serve its customers. As businesses grow and supply chains evolve, we need to keep looking at how new-age infrastructure can strengthen that network. This collaboration with NCRTC is an opportunity to explore how the transformational regional rail connectivity could add value for customers in the National Capital Region."*

Balfour Manuel, Managing Director, Blue Dart Express Ltd., said, *"For our customers, reliability depends on how well every part of a shipment's journey works together. This MoU gives us the opportunity to examine how Namo Bharat's semi-high-speed regional connectivity could be integrated with Blue Dart's pickup and delivery capabilities. We will work with NCRTC to identify where this approach could add value for businesses while supporting our efforts to develop more sustainable logistics solutions."*

The collaboration forms part of Blue Dart's continued work to strengthen its integrated transportation network and explore solutions that respond to evolving customer needs.

About Blue Dart:

Blue Dart Express Ltd., South Asia's premier express air and integrated transportation & distribution company, offers secure and reliable delivery of consignments to over 56,400 locations in India. Blue Dart is a provider of choice for its stakeholders due to its customer-centric approach and aims to further strengthen this partnership. As part of DHL Group's DHL eCommerce division, Blue Dart accesses the largest and most comprehensive express and logistics network worldwide, covering over 220 countries and territories, and offers an entire spectrum of distribution services including air express, freight forwarding, supply chain solutions, customs clearance and other value-added services.

The Blue Dart team drives market leadership through its motivated people, dedicated air and ground capacity, cutting-edge technology, wide range of innovative, vertical-specific products and value-added services to deliver unmatched standards of service quality to its customers. Blue Dart's market leadership is further validated by its position as the nation's most innovative and awarded express logistics company, with recognitions including 'India's Best Companies to Work For' by The Great Place to Work® Institute, India; 'Best Multinational Workplaces in Asia' by The Great Place to Work® Institute, Asia; 'Superbrand'; and 'Reader's Digest Most Trusted Brand'.

The company has also been recognised among the Fortune 500 India's Largest Corporations and Forbes India's Super 50 Companies, underscoring its leadership, operational excellence and trusted market position. Blue Dart continues to strengthen its governance, quality and information security standards through globally recognised certifications from LRQA, maintaining both the ISO 9001:2015 Quality Management System (QMS) certification and the ISO/IEC 27001:2022 Information Security Management System (ISMS) certification.

The company's Diversity and Inclusion initiatives have led to its recognition as one of India's 'Best Workplaces for Women' in 2021 and 'Best Organisations for Women' in 2026 for the fifth time by ET Edge. Furthermore, Blue Dart was awarded the 'Best In-House Legal Team' award in the logistics category at The Economic Times Global Legal Awards 2024-2025. Blue Dart fulfils its social responsibility through its Go Programs, namely GoGreen – Climate Protection, GoHelp – Drinking Water, Livelihood, Health and Disaster Management, and GoTeach – Education.
