Message from the Managing Director

Dear Members,

It gives me great pleasure to present the annual performance and outlook of Multibase India Limited. During the year, the operating environment remained challenging due to geopolitical uncertainties, inflationary trends, foreign exchange movements, and supply chain volatility. Against this backdrop, the Company remained focused on business fundamentals, customer-centric solutions, financial discipline, compliance, and sustainable value creation.

India's resilient economic growth, supported by domestic demand, infrastructure investments, policy reforms, and manufacturing-led initiatives, continues to provide opportunities for industrial businesses. The Company remains mindful that performance may be influenced by market conditions, regulatory developments, customer demand, competition, and other external factors.

The specialty chemicals and performance materials sector continues to benefit from demand across automotive, electronics, consumer goods, wire and cable, packaging, and other industrial applications. Trends such as electrification, lightweighting, enhanced safety, premiumization, and sustainable materials provide a relevant opportunity landscape, which the Company will pursue with due regard to commercial viability, regulatory expectations, and risk-adjusted returns.

During the year, the Company remained focused on selected product segments, including Silicone Masterbatches, Thermoplastic Elastomers / TPO, and Silicone Vulcanized Elastomers (TPSiV), with solutions aimed at enhancing performance, durability, aesthetics, and processing efficiency for customers, subject to product specifications, approvals, and market adoption.

Our priorities include deeper customer engagement, localization opportunities, quality assurance, process discipline, and leveraging the Daman facility in a prudent and compliant manner. These initiatives are undertaken within the framework of applicable laws, internal controls, environmental, health and safety practices, and listed-company governance standards.

The Company continues to monitor key risks, including imported raw material dependence, input cost volatility, foreign exchange fluctuations, trade policy changes, supply chain disruptions, customer concentration, product approval cycles, and competitive pressures. Management, under Board oversight, reviews these risks through appropriate controls, compliance processes, and mitigation actions.

Looking ahead, subject to the overall business environment, demand for specialty materials, manufacturing growth in India, and expansion in automotive and electronics ecosystems may support the Company's long-term prospects. We will continue to pursue innovation, operational excellence, sustainability, compliance, and responsible stakeholder value in a measured manner aligned with our capabilities, risk appetite, and statutory obligations.

On behalf of the Board and management team, I thank our shareholders for their continued trust and our customers, employees, business partners, regulators, bankers, auditors, and other stakeholders for their support. We remain committed to transparency, ethical conduct, sound governance, statutory compliance, and long-term stakeholder value.

In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration of the Cost Auditors as recommended by the Audit Committee and approved by the Board of Directors is required to be ratified by the Members. The remuneration payable to M/s. B.F. Modi & Associates, Cost Auditors of the Company for conducting the audit of the cost records for the financial year ending March 31, 2027, as recommended by the Audit Committee and approved by the Board of Directors at its meeting held on May 22, 2026, is INR 100,000/- (Rupees One Lakh Only) plus applicable taxes and reimbursement of out-of-pocket expenses.

Accordingly, the consent of the Members of the Company is sought to ratify the remuneration payable to the Cost Auditors for the financial year ending March 31, 2027.

The Board of Directors recommend the Ordinary Resolution set out at Item No. 3 of this Notice for the approval of the Members of the Company.

None of the Directors or Key Managerial Personnel of the Company and their relatives are, in any way, concerned or interested, financially or otherwise, in the Ordinary Resolution set out at Item No. 3 of this Notice.

Item No. 4

Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'), *inter alia*, states that all Material Related Party Transactions ('RPTs') shall require prior approval of the Members by way of an Ordinary Resolution, even if such transaction(s) are in the ordinary course of business and at an arm's length pricing basis.

A transaction with a Related Party shall be considered material, if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds the limits prescribed under Schedule XII of the SEBI Listing Regulations, as reproduced hereunder:

Consolidated Turnover of Listed Entity	Threshold for Material RPT
Up to INR 20,000 Crore	10% of the annual consolidated turnover of the listed entity
More than INR 20,000 Crore and up to INR 40,000 Crore	INR 2,000 Crore + 5% of the annual consolidated turnover exceeding INR 20,000 Crore
More than INR 40,000 Crore	INR 3,000 Crore + 2.5% of the annual consolidated turnover exceeding INR 40,000 Crore, or INR 5,000 Crore, whichever is lower

Further, SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024, SEBI Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/93 dated June 26, 2025 and SEBI Master Circular No. HO/49/14/14(7)2025-CFD POD2/I/3762/2026 dated January 30, 2026 (collectively referred to as the "SEBI Circulars"), read with Regulation 2(1)(zb) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), prescribe the minimum information required to be provided to the Audit Committee and the shareholders for approval of Related Party Transactions ("RPTs"), in accordance with the Industry Standards formulated by the Industry Standards Forum ("RPT Industry Standards").

In view of the above, Resolution No. 4 is being placed for approval by the Members of the Company.

The Audit Committee and Board of Directors', after reviewing all necessary information, have granted their approval for entering into Material Related Party Transaction with Multibase S.A. (Promoter Company/Holding Company), subject to approval by the Members at the ensuing Annual General Meeting as the same exceed the threshold of 10% of total turnover of the Company.

The Audit Committee has noted that the said transaction(s) will be at an arm's length pricing basis and will be in the ordinary course of business.

The Audit Committee has reviewed the certificate provided by CEO & Managing Director and Chief Financial Officer of the Company, as required under the RPT Industry Standards.

The Members of the Company, at the 34th Annual General Meeting held on September 26, 2025, approved the Material Related Party Transaction with Multibase S.A. (Promoter Company/Holding Company) for an aggregate value of up to INR 30,00,00,000 (Rupees Thirty Crore only) for FY 2026-27. The said approval is valid up to March 31, 2027.

For the FY 2027-28, the Company proposes to continue to enter into related party transactions with Multibase S.A. on arm's length basis and in the ordinary course of business and the aggregate of such transaction(s), are expected to cross the materiality threshold.

Accordingly, as per the SEBI Listing Regulations, prior approval of the Members is being sought through Ordinary Resolution for all such transaction(s)/contract(s)/arrangement(s) entered/to be entered by the Company with Multibase S.A for the FY 2027-28.

Further, SEBI vide its circular dated June 26, 2025 has issued the revised Industry Standards on "Minimum information to be provided for review of the Audit Committee and Members for approving of a related party transaction" ('Standards') to facilitate uniform approach and assist listed companies in complying with the provisions of Regulation 23 of the SEBI Listing Regulations.

OPERATIONS

The Company is operating in Automotive, Consumer & Industrial and Thermoplastic Additives with its customers largely present in India.

During the year under review, the Company reported gross revenue from operations of INR 6,657.04 Lacs, as against INR 7,074.87 Lacs in FY 2024-25. Profit before tax stood at INR 1,393.80 Lacs and profit after tax at INR 1,042.75 Lacs, compared with INR 1,465.49 Lacs, in the previous financial year.

Revenue from operations decreased by 5.91% compared with the previous year, primarily due to lower sales of Silicone Masterbatch products and a shift in the customer base.

During the year under review, the Company successfully commenced production of its second traded product at the plant under the traded product localisation project. This initiative marks an important step in strengthening local manufacturing capability and reducing dependence on traded products. However, the benefit of localisation did not translate into margin improvement during the year, as a sudden increase in raw material costs led to a reduction in gross margin to 35.80%, compared with 37.90% in the previous year.

The Company's Interest income from fixed deposits stood at INR 274.46 Lacs during the year, compared with INR 499.80 Lacs in the previous year. The reduction was mainly due to lower fixed deposit balances during the year, following the significant dividend payout made in the previous financial year.

There was no change in nature of business of the Company during the year under review.

MANAGEMENT DISCUSSION AND ANALYSIS

SEGMENT WISE SALES CONTRIBUTION

BACKGROUND & INDUSTRY OUTLOOK

The global economy remained resilient during FY 2025-26 despite geopolitical uncertainties, evolving trade dynamics, and inflationary pressures. India continued to be among the fastest-growing major economies, supported by strong domestic demand, infrastructure spending, policy reforms, and growing manufacturing activity. The IMF projects India's GDP growth at around 6.5%, reinforcing the country's position as a key driver of global economic growth.

The Government's continued focus on manufacturing, infrastructure development, and initiatives such as **Make in India** and Production Linked Incentive (PLI) schemes is creating a favorable environment for industrial growth. Increasing adoption of advanced technologies, sustainability initiatives, and supply chain localization is further supporting demand across industrial sectors.

The specialty chemicals and performance materials industry continue to benefit from growing demand from **Indian automotive (world's 4th largest producer), electronics, consumer goods, and industrial applications**. Trends such as vehicle electrification (EV), lightweighting, enhanced safety requirements, and demand for high-performance materials are driving the need for innovative polymer and silicone-based solutions.

Multibase India Limited (MBIL) continues to strengthen its position in **Silicone Masterbatches (SiMB)** for scratch resistance and surface modification, **Thermoplastic elastomers (TPEs) / TPO** for automotive airbag safety systems and **Silicone Vulcanized Elastomers (TPSiV)** that delivered soft-touch and premium feel for use in mobile phones and consumer electronics. The Company's products enhance performance, durability, aesthetics, and processing efficiency across diverse applications. Supported by technological expertise, innovation, and customer-focused

solutions, the Company remains well positioned to capitalize on emerging opportunities while navigating challenges arising from raw material volatility, global market uncertainties, and increasing competition.

Looking ahead, the Company remains optimistic about **long-term growth** prospects driven by expanding manufacturing activity, increasing demand for specialty materials, and the growing adoption of value-added and sustainable solutions across key end-use industries.

BUSINESS & FINANCIAL REVIEW

The Company operates across the Automotive, Consumer & Industrial, and Thermoplastic Additives segments, with its customer base largely concentrated in India.

During the year under review, the Company reported gross revenue from operations of INR 6,657.04 Lacs, as against INR 7,074.87 Lacs in FY 2024-25. Profit before tax stood at INR 1393.80 Lacs and profit after tax at INR 1,042.75 Lacs, compared with INR 1,969.39 Lacs and INR 1,465.49 Lacs, respectively, in the previous financial year.

Revenue from operations decreased by 5.91% compared with the previous year, primarily due to lower sales of Silicone Masterbatch products and a shift in the customer base.

During the year under review, the Company successfully commenced production of its second traded product at the plant under the traded product localisation project. This initiative marks an important step in strengthening local manufacturing capability and reducing dependence on traded products. However, the benefit of localisation did not translate into margin improvement during the year, as a sudden increase in raw material costs led to a reduction in gross margin to 35.80%, compared with 37.90% in the previous year.

The Company's Interest income from fixed deposits stood at INR 274.46 Lacs during the year, compared with INR 499.80 Lacs in the previous year. The reduction was mainly due to lower fixed deposit balances during the year, following the significant dividend payout made in the previous financial year.

KEY FINANCIAL RATIOS AS ON MARCH 31, 2026

In accordance with the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, the Company is required to give details of significant changes (change of 25% or more as compared to the immediately previous financial year) in key sector-specific financial ratios.

The Company has identified the following ratios as key financial ratios:

Ratios	2025-26	2024-25
Inventory Turnover ratio	3.43	3.42
Debtors Turnover ratio	5.64	7.40
Assets Turnover	0.69	0.61
Current Ratio	7.35	9.22
Gross Profit(%)	35.80%	37.90%
Net Profit Margin(%)	15.66%	20.66%

None of the key financial ratios disclosed above has witnessed a variation of 25% or more compared to the previous financial year. Accordingly, no additional explanation is required in terms of SEBI (LODR) Regulations.

OPPORTUNITIES AND THREATS

Leveraging expansion of MBIL local manufacturing capabilities at the Daman facility for new business acquisition from automotive OEMs for MultiflexTM airbag safety & MultibaseTM SiMB grades application.

Locally manufactured MultibaseTM SiMB grades further being penetrated into Industrial customers from Wire & Cable, BOPP and packaging segment for superior product output.

With expansion of global consumer Electronics goods manufacturing in India, opportunity to expand Silicone Vulcanized Elastomers (TPSiV) product line with them.

RISKS AND CONCERNS

Continued dependence on imported specialty raw materials, owing to limited local availability, can result in higher logistics costs, import duties, and supply chain disruptions.

Volatility in crude oil-linked raw material prices and fluctuations in foreign exchange (FOREX) rates may impact input costs and margins.

Geopolitical uncertainties, evolving trade regulations, and supply chain disruptions may affect global demand patterns and procurement efficiencies.

Increasing competition from domestic and international specialty material suppliers may exert pressure on pricing and market share.

HUMAN RESOURCES AND INDUSTRIAL RELATIONS

The Industrial relations with workmen during the year were cordial. The Directors place on record their appreciation for the sincere and efficient services rendered by the executives, staff and workmen of the Company and are confident that they will continue to contribute to the Company's prosperity and growth.

INTERNAL CONTROL SYSTEMS

The Company has put in place an adequate system of internal control measures in all risk areas, implemented by the management, towards achieving efficiency in operations, optimum utilization of resources and effective monitoring thereof and compliance with applicable laws.

The directors have laid down internal financial controls to be followed by the Company and such internal financial controls are adequate and were operating effectively.

These measures are in the form of procedures/ processes set by the management covering all critical and important areas. These controls are periodically updated and are subject to review by internal auditors. Internal audit function has been outsourced to independent firm of Chartered Accountants who submit quarterly reports to the Board. The Audit Committee reviews the report of the Internal Auditors and recommends steps to be taken to improve internal controls if any.

CAUTIONARY STATEMENT

This section of the Annual Report has been included in adherence to the spirit enunciated in the Code of Corporate Governance approved by the Securities and Exchange Board of India. INDEPENDENT AUDITOR'S REPORT

To the Members of Multibase India Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Multibase India Limited** ('the Company'), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss, including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, notes to the financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as the 'financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies ('Indian Accounting Standards') Rules, 2015, as amended ('Ind AS') and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ('SA's') specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended March 31, 2026. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
Revenue recognition Refer to accounting policy for Revenue Recognition in Note 2.6(i) to the financial statements. The Company recognised revenue of INR 6,657.04 lakhs for the year ended March 31, 2026. i. Revenue from sale of goods is recognised when entity satisfies the performance obligation by transferring promised goods to the customer. ii. An asset is transferred when (or as) the customer obtains control of that asset. This requires detailed analysis of the Inco terms of each sales order regarding determination of timing of revenue recognition. iii. Depending on the agreed Incoterms with customers, majority of the Company's sales are under 'Carriage to Pay' terms, wherein control and significant risks and rewards are transferred upon dispatch of goods. The Company maintains outward register, e-way bills and related dispatch documents supporting revenue recognition.	Our procedures included the following: i. Evaluated the appropriateness of the revenue recognition accounting policies of the Company with the principles of Indian Accounting Standard 115 - 'Revenue from contracts with customer' ('Ind AS 115') ii. Evaluated the design, implementation and tested the operating effectiveness of the relevant key controls including general information and technology control environment, key IT application controls over the Company's IT systems in the general ledger accounting system. iii. Performed Analytical procedures on revenue recognised during the year to identify and inquire on unusual variances, if any and getting the reasons for variances confirmed from the management of the Company.

Key audit matter	How our audit addressed the key audit matter
iv. Engagement Team ('ET') has evaluated the Company's revenue recognition process, dispatch mechanism and underlying Incoterms to assess whether revenue recognition is aligned with transfer of control and recorded in the appropriate accounting period.	iv. Ensured completeness and existence assertion by performing substantive testing on selected samples of revenue transactions recorded during the year by testing the underlying documents including customer Purchase Order ('PO'), Order acceptance (OA), invoices, shipping documents and customer receipts and obtaining independent balance confirmation from the customers at the balance sheet date. v. Obtained an understanding of the Company's dispatch and invoicing process and performed substantive testing of selected revenue transactions, including testing of dispatch documents such as outward register, e-way bills, invoices and Lorry Receipt ('LR') copies for samples pertaining to transactions recorded near the year end, to assess whether revenue was recognized in the appropriate accounting period. vi. Assessed the adequacy and appropriateness of the disclosures made in the financial statements to ensure they are accurate, complete and comply with the requirements of Ind AS 115. vii. Based on our procedures performed above, the timing of revenue recognition was considered to be appropriate.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon, which is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles

generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors of the Company is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable

assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

We give in 'Annexure A' a detailed description of Auditor's responsibilities for Audit of the financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ('the Order'), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in 'Annexure B' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books except in the matters stated in the paragraph 2(h)(vi) below on reporting under Rule 11(g).
 - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) The reservation relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 2(b) above on reporting under section 143(3)(b) and paragraph 2(h)(vi) below on reporting under Rule 11(g).
 - (g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure C'.
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of

the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 38 to the financial statements.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv.
 - a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ('Intermediaries'), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company.
 - b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ('Funding Parties'), with the understanding, whether recorded in writing or otherwise, as on the date of this audit report, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances and according to the information and explanations provided to us by the Management in this regard nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material mis-statement.

- v. The Board of Directors of the Company have not proposed any final dividend for the Financial Year ended March 31, 2026.
- vi. Based on our examination, which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail (edit log) feature being tampered with. As per rule 3 of Companies (Account) Rules, 2014 the Company has a data storage policy, where daily back-up of the books of accounts and other books and papers maintained in electronic mode in servers physically located in India, except for audit trail (edit log) are maintained in servers located outside India. Additionally, the audit trail of prior years has been preserved by the Company as per the statutory requirements for record retention except that the same is maintained in servers located outside India (Refer in note 44 to the financial statements).
3. In our opinion, according to information, explanations given to us, the remuneration paid by the Company to its directors is within the limits laid prescribed under Section 197 read with Schedule V of the Act and the rules thereunder.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MULTIBASE INDIA LIMITED

Auditor's Responsibilities for the Audit of the Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

ANNEXURE C TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF MULTIBASE INDIA LIMITED

[Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the Members of Multibase India Limited on the Financial Statements for the year ended March 31, 2026.]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

Opinion

We have audited the internal financial controls with reference to financial statements of Multibase India Limited ('the Company') as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI').

Management and Board of Director's Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements

based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial

statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial

statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

(Currency: Amounts INR in Lakhs, unless otherwise stated)

1 Corporate Information

Multibase India Limited ('the Company') is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company's equity shares are listed on the Bombay Stock Exchange ('BSE') in India. The registered office of the Company is located at 74/5 & 6 Daman Industrial Estate, Kadaiya Village, Nani Daman 396210, Daman and Diu.

The Company is engaged in manufacturing, trading and selling of Polypropylene Compound, Thermoplastic Elastomer, Silicone Master Batch and Thermoplastic Master Batch.

2 Basis of preparation**2.1 Statement of compliance**

The financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ("the Act") and other relevant provisions of the Act.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Act. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The financial statements under Ind AS were authorised for issue by the Company's Board of Directors on **May 22, 2026**.

Details of the Company's material accounting policies are included in Note 2.6.

2.2 Basis of measurement

These financial statements are prepared under the historical cost convention unless otherwise indicated.

2.3 Use of estimates and judgments

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Information about judgments made in applying accounting policies that have the most significant effects on the amounts recognised in the financial statements is included in the following notes:

- Note 34 – determining the amount of expected credit loss on financial assets (including trade receivables) and
- Note 31 – identification of reportable operating segments.

Assumptions and estimation uncertainties

- Note 3 and 28 – estimate of useful life used for the purposes of depreciation of property plant and equipment.
- Note 7 – provision on inventories.
- Note 14, 18, 32 – measurement of defined benefit obligations: key actuarial assumptions; and
- Note 38 – recognition and measurement of provisions and contingencies: key assumptions about the likelihood and magnitude of an outflow of resources.

2.4 New and amended standards adopted by the Company

There are no new and amended standards during the year.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

(Currency: Amounts INR in Lakhs, unless otherwise stated)

2.5 New standards and amendments notified but not effective

Amendment to Ind AS 1 - Classification of Liabilities as Current or Non-current and Non-current liabilities with covenants:

The amendment includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026, retrospectively, as outlined below:

- a) Breach of material covenant for long-term loan arrangement on or before end of reporting period with effect that liability becomes payable on demand as on reporting date, then it shall be classified as current liability, if lender agreed after reporting period and before approval of financial statements to not demand payment as a consequence of breach.
- b) Classify as non-current liability, if lender agreed by end of reporting period to provide grace period ending at least 12 months after reporting period within which entity can rectify the breach provided lender does not demand immediate repayment.
- c) Disclose information about the timing of settlement to understand the impact of the liability on the financial statements.

2.6 Material accounting policies

(a) Foreign currency translation

- (i) Functional and presentation currency

These financial statements are presented in Indian Rupees (INR) amount in lakhs, unless otherwise stated, which is also the Company's functional currency.

- (ii) Transactions and balances

Transactions in foreign currencies are translated into the functional currency of the Company at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated into the functional currency at the exchange rate when the fair value was determined. Non-monetary assets and liabilities that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Exchange differences are recognised in statement of profit or loss.

(b) Measurement of fair values

Some of the Company's accounting policies and disclosures require the measurement of fair values.

The Company has a control framework with respect to the measurement of fair values which includes finance team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values and reports directly to the chief financial officer.

The finance team annually reviews and evaluates significant unobservable inputs and valuation adjustments and if third party information, such as pricing services, is used to measure fair values, then the financial reporting team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as which are as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

(Currency: Amounts INR in Lakhs, unless otherwise stated)

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values is included in the following notes:

- Note 34 – financial instruments.

(c) Financial instruments***Recognition and initial measurement***

Trade receivables are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss ('FVTPL'), transaction costs that are directly attributable to its acquisition or issue.

Financial assets - classification and subsequent measurement

On initial recognition, a financial asset is classified and measured at

- Amortised cost;
- Fair Value through Other Comprehensive Income (FVOCI) – debt investment;
- FVOCI – equity investment; or
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment - by - investment basis. At present there are no such investments.

All financial assets not classified and measured at amortised cost or FVOCI are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

Subsequent measurement and gains and losses for financial assets held by the Company

Financial assets at FVTPL These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

Financial assets at amortised cost These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss.

Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(d) Property, plant and equipment

Recognition and measurement

Items of Property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

(Currency: Amounts INR in Lakhs, unless otherwise stated)

Subsequent measurement

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Depreciation

Depreciation on property, plant and equipment is calculated on a straight-line basis as per the useful life prescribed and in the manner laid down under Schedule II to the Act.

Category	Useful life(in years)	As per Schedule II
Factory Building	30	30
Office Building	60	60

The Management believes that these estimated useful lives reflect fair approximation of the period over which the assets are likely to be used.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Cost of assets not ready for intended use, as on the Balance Sheet date, is shown as capital work in progress. Advances given towards acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed as other non-current assets.

Derecognition

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The consequential gain or loss is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the Statement of profit and loss.

(e) Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories is based on the moving weighted average basis and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their present location and condition. Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- **Raw materials:** Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on moving weighted average basis.
- **Finished goods:** Cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs.
- **Traded goods:** Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on moving weighted average basis.

The Company makes provisions for slow-moving and non-moving inventories based on a combination of ageing, historical usage and expected future realisability.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

(Currency: Amounts INR in Lakhs, unless otherwise stated)

Provisioning policy: A standard provision of 35% is made for inventory items that are aged over one year. An additional provision may be recognised over and above the standard rate, based on management's assessment of recoverability, irrespective of ageing, considering past trends and future saleability. Provision of 100% is made for expired inventory.

Provisions for inventory obsolescence are recognised in the Statement of Profit and Loss under "Changes in Inventories of Finished Goods and Stock-in-Trade" (Refer Note 25) and the carrying value of inventories is disclosed under Note 7.

The comparison of cost and net realisable value is made on an item-by-item basis.

(f) Impairment

Impairment of financial assets

The Company recognises loss allowances for expected credit losses on financial assets measured at amortised cost.

At each reporting date, the Company assesses whether financial assets carried at amortised cost are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or being significantly past due;
- the restructuring of a loan or advance by the Company on terms that the Company would not consider otherwise;
- or
- it is probable that the borrower will enter bankruptcy or other financial reorganization.

The Company accounts for 100% provision for the receivables aged more than 365 days.

Write off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

Impairment of non-financial assets

The Company's non-financial assets, other than inventories, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated to reduce the carrying amounts of the assets of the CGU (or group of CGUs) on a pro rata basis.

Assets (other than goodwill) for which impairment loss has been recognised in prior periods, are reviewed at each reporting date to assess whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

(Currency: Amounts INR in Lakhs, unless otherwise stated)

Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised

(g) Employee benefits**Short term employee benefits**

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefits expense in profit or loss in the periods during which the related services are rendered by employees.

Defined benefit plans - Gratuity

The Company has defined benefit plan for post employment benefits in the form of Gratuity in accordance with the Payment of Gratuity Act, 1972. Liability for defined benefit plan is provided on the basis of valuation, as at the Balance Sheet date, carried out by independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit Method.

Other long-term employee benefits

The employees of the Company are entitled to other long-term benefit in the form of compensated absences as per the policy of the Company. Liability for other long-term employee benefit is provided on the basis of valuation, as at the Balance Sheet date, carried out by independent actuary. The actuarial valuation method used by independent actuary for measuring the liability is the Projected Unit Credit Method.

Termination benefits

Termination benefits are expensed at the earlier of when the Company can no longer withdraw the offer of those benefits and when the Company recognises costs for a restructuring.

(h) Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows to net present value using an appropriate pre-tax discount rate that reflects current market assessments of the time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non - occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset.

2.6 Material accounting policies (Continued)

(i) Revenue

Revenue is recognised upon transfer of control of promised goods to customers for an amount that reflects the consideration which the Company expects to receive in exchange for those goods.

Sale of goods

Revenue from the sale of goods are recognized when control of the goods has been transferred to the customer and when there are no longer any unfulfilled obligations to the customer. Depending on the contractual terms with the customers, this can be either at the time of dispatch, delivery or upon formal acceptance by the customer. This is considered the appropriate point where the performance obligations in our contracts are satisfied as the Company no longer have control over the inventory. The Company does not provide any warranties or maintenance contracts to its customers.

Other income

Interest

Interest revenue is calculated by using the effective interest method for financial assets measured at amortised cost. Interest income is recognised on an accrual basis.

Service & Miscellaneous income

Service income includes cross charges for employee services provided to related entities. Income from these services is recognized in the financial statements when the services are rendered and invoiced, as per the terms of the relevant agreement. The revenue is determined based on the total cost incurred plus a markup specified in the contractual terms. This approach ensures that income is matched with the related costs and is systematically recognized over the period during which the services are provided. Miscellaneous other income includes lease rentals, sale of scrap of packaging materials which comes along with the raw materials and reimbursement of expenses incurred on behalf of related companies.

(j) Income taxes

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or profit for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/ reduced to the extent that it is probable/ no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

2.6 Material accounting policies (Continued)**(k) Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The CODM is responsible for allocating resources and assessing performance of the operating segments of the Company. For the disclosure on reportable segments see Note 31.

(l) Cash and cash equivalents

Cash and Cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, demand deposits with banks where the original maturity is three months or less and other short term highly liquid investments.

(m) Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for the effects of dividend, interest and other charges relating to the dilutive potential equity shares by weighted average number of equity shares plus dilutive potential equity shares.

(n) Rounding off amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

32 Employee benefits**(A) Defined Contribution Plan:**

The Company recognised INR 24.53 lakhs for the year ended March 31, 2026 which include provision of INR 3.45 lakhs created on account of impact of new labour code (March 31, 2025: INR 20.23 lakhs) towards provident fund contribution in the Statement of Profit and Loss.

(B) Defined Benefit Plan:

The most recent actuarial valuation of the defined benefit obligation in relation to the gratuity scheme was carried out at March 31, 2026. The present value of the defined benefit obligations and the related current service cost and past service cost, were measured using the Projected Unit Credit Method.

Based on the actuarial valuation obtained in this respect, the following table sets out the details of the employee benefit obligation at the balance sheet date:

	March 31, 2026	March 31, 2025
Defined benefit obligation	119.28	80.75

i. Movement in net defined benefit liability

The following table shows a reconciliation from the opening balances to the closing balances for net defined benefit and its components:

	Defined benefit obligation	
	March 31, 2026	March 31, 2025
Opening balance	80.75	114.32
Included in profit or loss		
Current service cost	8.71	6.09

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

(Currency: Amounts INR in Lakhs, unless otherwise stated)

ii. Actuarial assumptions

The following were the principal actuarial assumptions at the reporting date (expressed as weighted averages).

	March 31, 2026	March 31, 2025
Discount rate	7.78%	7.00%
Future salary growth	7.00%	7.00%
Rate of employee turnover	30 & Below - 5% 31 to 44 - 3% 45 & Above - 2%	30 & Below - 5% 31 to 44 - 3% 45 & Above - 2%
Mortality rate	100% of Indian Assured Lives Mortality (2012-14)	100 % of Indian Assured Lives Mortality (2012-14)

Assumptions regarding future mortality have been based on published statistics and mortality tables.

iii. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

	March 31, 2026		March 31, 2025	
	Increase	Decrease	Increase	Decrease
Discount rate (0.5% movement)	(5.71)	6.13	(3.90)	4.20
Future salary growth (0.5% movement)	6.15	(5.78)	4.18	(3.92)

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

The average duration of the defined benefit plan obligation at the end of the reporting period is 12.57 years (March 31, 2025: 12.04 years).

iv. Expected future cash flows

The expected future cash flows in respect of gratuity were as follows:

Maturity Profile of Defined benefit Obligation	2025-26	2024-25
0 to 1 year	3.55	2.22
1 to 2 year	3.29	2.25
2 to 3 year	11.19	2.20
3 to 4 year	2.62	7.07
4 to 5 year	5.09	1.81
5 to 6 year	13.54	3.27
6 years onwards	80.00	61.93

(C) Other long-term employee benefits:

Compensated absences are payable to employees at the rate of daily salary for each day of accumulated leave on death or on resignation or upon retirement. The total liability for compensated absences as at the year ended is INR 48.76 lakhs (March 31, 2025: INR 40.81 lakhs), as shown under non-current liabilities INR 46.92 lakhs (March 31, 2025: INR 39.71 lakhs) and current liabilities INR 1.84 lakhs (March 31, 2025: INR 1.10 lakhs). The amount charged to the Statement of Profit and Loss is INR 11.70 lakhs (March 31, 2025 : INR 12.34 lakhs).

B. Calculation of fair values

- The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent with those used for the year ended March 31, 2025.
- Cash and cash equivalents, trade receivables, trade payables and other financial liabilities have fair values that approximate to their carrying amounts due to their short-term nature.

35 Financial risk management

The Company has exposure to the following risks arising from the financial instruments:

a) Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations. The carrying amount of financial assets represent the maximum credit exposure.

Impairment of financial assets

Management evaluates credit risk of trade receivables and other financial assets based on past due information. Management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk and the current provision for the bad debts represents the impacted credit loss it forsees in its receivables. The credit risk rating grade of unimpaired amount is considered as fully collectible.

Based on the assessment of credit risk rating grades of banks where balances are held, the management considers the balances with banks are unimpaired.

b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Exposure to liquidity risk:

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments.

Sensitivity analysis

A reasonably possible strengthening (weakening) of the foreign currencies against INR at March 31, 2026 would have affected the measurement of financial instruments denominated in US dollars and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

Effect in INR

	Profit before tax		Equity, net of tax	
	Strengthening	Weakening	Strengthening	Weakening
March 31, 2026

	<u>(0.71)</u>	<u>0.71</u>	<u>(0.53)</u>	<u>0.53</u>

d) Interest Rate Risk

Company does not have borrowings, hence is not exposed to interest rate risk.

e) Capital Management

Equity share capital and other equity are considered for the purpose of Company's capital management.

The Company manages its capital so as to safeguard its ability to continue as a going concern and to optimise returns to shareholders. The capital structure of the Company is based on management's judgement of its strategic and day-to-day needs with a focus on total equity so as to maintain investor, creditors and market confidence.

The management and the Board of Directors monitor the return on capital as well as the level of dividends to shareholders. The Company may take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

“Prayaas Day Care School”- From Surviving to Thrive....

As part of its enduring commitment to social responsibility and inclusive development, your Company is proud to support a day care centre dedicated to children with autism. This initiative, From Surviving to Thriving, reflects the belief that every child deserves the opportunity to grow in an environment that respects their individuality and nurtures their potential.

Guided by the principle that autism is different, not less, the Company's CSR funding helps provide a safe, sensory-friendly and fully equipped space where children with autism receive personalised care, therapeutic support, and opportunities for joyful learning and meaningful connection.

The centre is staffed by compassionate professionals who work closely with families to ensure that every child is empowered to thrive — not only academically, but emotionally and socially. Through this initiative, the Company seeks to foster dignity, inclusion and hope, translating corporate compassion into lasting impact.

Together, we are building a future in which every child, regardless of neurological difference, is given the chance to shine.

“Unnati - Women Empowerment Project”

Empowering Women, Enabling Progress

Women's empowerment is a transformative force that shapes every dimension of society — social, economic, political, and personal. It is not merely a principle to be endorsed, but a commitment to be acted upon: equipping women with the knowledge, education, skills, resources, and opportunities they need to make informed choices, exercise their rights, and participate fully and confidently in every sphere of life.

True empowerment extends beyond inclusion to leadership. It calls for environments in which women are not only present, but heard, respected, and valued. It requires dismantling the barriers of inequality, discrimination, and systemic bias that have long constrained women's potential, and replacing them with pathways to growth, dignity, and self-determination.

When women are empowered, families thrive, communities flourish, and economies grow. Empowered women become agents of change — educators, innovators, entrepreneurs, and leaders — who create opportunity for others and carry progress forward across generations.

Your Company believes that meaningful development must be inclusive, and that empowering women is not only a moral imperative but a strategic investment in a stronger, more equitable future. Through its Corporate Social Responsibility initiatives, the Company remains committed to creating opportunities that enable women to rise, lead, and shape their own destinies — because when women thrive, society thrives.
