**ORDER**

The present petition has been preferred by the Financial Creditor under Section 7 IBC, 2016. The case of the Financial Creditor is that the loan amount was disbursed in 2018 and the Corporate Debtor was declared NPA in 2021. In 2022 the OA was filed before the DRT for the recovery of the amount due. The counsel states that in view of the fact that the fresh OTS proposal was submitted by the Corporate Debtor on 18.03.2025, thus the present petition is maintainable. The Bench is of the considered opinion that the petition is barred by limitation with precedents, in view of the facts and circumstances in the present case. The counsel for the Financial Creditor prays for an adjournment to substantiate his contentions that the Petitioner is not barred by limitation. In view of the request made, posted to 24.06.2026.
