## MICL GROUP MARKS ITS 20TH ON-TIME DELIVERY WITH AARADHYA PARKWOOD (TOWERS C&D)

**Mumbai, 03<sup>rd</sup> June 2026:** Man Infraconstruction Limited (MICL) is pleased to announce the receipt of the **Occupancy Certificate (OC) for Tower C & Tower D** of **Aaradhya Parkwood**, its premium residential development located near **Dahisar Check Naka, adjacent to Singapore International School**.

**Mr. Manan Shah, Managing Director, Man Infraconstruction Limited (MICL), said:**

"The receipt of the Occupancy Certificate for Tower C & D at Aaradhya Parkwood is a proud moment for the entire MICL team — and a significant one, as this marks our **20th project delivered on time. Achieving this in about 31 months ahead of schedule and within four years of launch** reflects our commitment to quality and on-time delivery. Aaradhya Parkwood was designed to offer residents the best of both worlds — city convenience paired with a greener, calmer environment. The strong response from homebuyers, **with over 90% of the project already sold**, reinforces our belief that customers continue to value well-located developments with thoughtful design and a good living experience"

Aaradhya Parkwood brings together the convenience of city living with the calm of nature. Located near a forest habitat and overlooking Sanjay Gandhi National Park, the development is designed to offer spacious homes, good connectivity and a balanced living experience.

Spread across approximately 2.5 acres, Aaradhya Parkwood comprises four residential towers of 35 storeys each with one basement level. **The project has an aggregate saleable carpet area of approximately 5.3 lakh square feet, and an estimated GDV of ₹925+ crore.**

Tower C & D were launched in September 2022 and have now received the Occupancy Certificate in June 2026, marking another important milestone in MICL's continued track record of execution and delivery.
