ABOUT

Mobavenue AI Tech Ltd. is an AI-powered AdTech and consumer growth technology company with offices across India, London, New York and Singapore, serving ~170 brands in 13 countries with a team of 200+ professionals. Mobavenue enables businesses, enterprises, publishers and global agencies to connect with high-intent consumers and drive measurable outcomes across the customer journey. With a focus on technology-led innovation and performance-driven growth, the Company helps advertisers enhance customer acquisition, engagement and retention through data-driven advertising solutions.

Its technology ecosystem is built around the proprietary A3 framework - Awareness, Acquisition and Activation - supported by the GMP 360 stack, which integrates data, AI-led decision-making and programmatic execution across mobile, Connected TV, web, OEM and digital out-of-home (DOOH).

The Company has a growing international presence across Southeast Asia, the Middle East and North Africa (MENA), Latin America (LATAM), the UK and the US, serving clients across sectors such as quick commerce, banking and financial services, fintech, entertainment and travel. It is scaling up its outcome-based business model through higher campaign volumes, improved monetisation and technology-led execution.

The company has grown from a revenue base of INR 87 Cr in FY25 to INR 219 Cr in FY26. For H1 FY27, consolidated revenue grew 49% year-on-year to INR 150 Cr, while EBITDA increased 60% to INR 32 Cr, with the EBITDA margin expanding to 21%. The Company is focusing on sustainable growth in both topline and bottomline, through global expansion and technology-led innovation to build a scalable, AI-native advertising and consumer growth platform.
