Accordingly, the facility for appointment of proxies by the Members is not available for this AGM and hence, the Proxy Form, Attendance Slip and Route Map are not annexed to this Notice.
3. Corporate/Institutional Members intending to authorize their representatives to attend the AGM through VC/OAVM and vote through remote e-voting are requested to send a scanned certified true copy (PDF/JPG format) of the Board Resolution/Authority Letter authorizing such representative to attend and vote at the AGM to the Scrutinizer through their registered e-mail address at companysecretary@aravalisecurities.com with a copy marked to evoting@nsdl.co.in.
4. In accordance with the MCA Circulars and SEBI Circulars, the Notice of the 46th AGM along with the Annual Report for the financial year 2025-26 is being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company/Registrar and Share Transfer Agent ("RTA")/Depository Participants ("DPs"). Further, pursuant to Regulation 36(1)(b) of the SEBI Listing Regulations, the Company shall send a communication to those Members whose e-mail addresses are not registered with the Company/RTA/DPs, inter alia, indicating the manner in which the Annual Report and Notice of AGM can be accessed from the website of the Company.
5. Members holding shares in physical form and whose e-mail addresses are not registered with the Company/RTA are requested to register/update the same by submitting duly filled and signed Form ISR-1 along with the prescribed supporting documents including self-attested copy of PAN Card and address proof to the Registrar and Share Transfer Agent of the Company, Skyline Financial Services Private Limited, at the address mentioned in this Notice or through e-mail at compliance@skylinerta.com.
6. Members holding shares in physical form are requested to register/update their PAN, nomination, contact details, bank account details, specimen signature and other KYC details with the Registrar and Share Transfer Agent of the Company in accordance with the SEBI circulars issued from time to time.
7. The Notice of the AGM and the Annual Report for the financial year 2025-26 shall also be available on the website of the Company at www.aravalisecurities.com, on the website of BSE Limited at www.bseindia.com and on the website of NSDL at www.evoting.nsdl.com.
8. The Register of Members and Share Transfer Books of the Company shall remain closed from Sunday, June 28, 2026 to Saturday, July 04, 2026 (both days inclusive).
9. The relevant details pursuant to Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard-2 on General Meetings ("SS-2") issued by the Institute of Company Secretaries of India, in respect of the Director seeking appointment/re-appointment at this AGM, forms part of this Notice.
10. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act and the Register of Contracts or Arrangements in which Directors are interested maintained under Section 189 of the Act shall be available electronically for inspection by the Members during the AGM. Members seeking inspection of such documents may send an e-mail to the Company at least 48 hours before the AGM.
11. Members desirous of obtaining any information concerning the accounts and operations of the Company are requested to address their queries to the Company at least ten days before the date of the AGM so that the required information may be made available at the AGM.
12. Non-Resident Indian ("NRI") Members are requested to inform Skyline Financial Services Private Limited immediately regarding:
 - (a) change in their residential status on return to India for permanent settlement; and
 - (b) particulars of their bank account maintained in India with complete name of the bank, branch, account type, account number and address of the bank, if not furnished earlier.
13. Members may join the AGM through VC/OAVM facility 15 minutes before the scheduled time of commencement of the AGM and shall be allowed to join up to 15 minutes after such scheduled time by following the procedure mentioned in this Notice. The facility of participation through VC/OAVM shall be made available to at least 1,000 Members on a first-come-first-served basis. However, this restriction shall not apply to large shareholders (shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders' Relationship Committee, Auditors and such other persons as permitted under the applicable laws.
14. The attendance of Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
15. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, Regulation 44 of the SEBI Listing Regulations and the MCA Circulars, the Company is providing remote e-voting facility to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has appointed NSDL as the authorised agency for facilitating voting through electronic means. The facility for voting through electronic voting system during the AGM shall also be made available by NSDL to those Members who participate in the AGM and have not cast their votes through remote e-voting.

16. In accordance with the MCA Circular No. 17/2020 dated April 13, 2020, the Notice convening the AGM has been uploaded on the website of the Company at www.aravalisecurities.com. The Notice is also available on the website of BSE Limited at www.bseindia.com and on the website of NSDL at www.evoting.nsdl.com.

Appointment of Mrs. Chandra Lekha Poddar (DIN: 00290957), as a Non-Executive and Non-Independent Director of the Company:

Pursuant to the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company, at its meeting held on January 13, 2026, appointed Mrs. Chandra Lekha Poddar (DIN: 00290957) as an Additional Director in the category of Non-Executive Director of the Company with effect from January 13, 2026 pursuant to the provisions of Section 161 of the Companies Act, 2013 ("Act"). In terms of Section 161 of the Act, she holds office up to the date of this Annual General Meeting ("AGM") and is eligible for appointment as a Non-Executive and Non-Independent Director of the Company.

The Company has received from Mrs. Chandra Lekha Poddar:

- consent in writing to act as Director in Form DIR-2 pursuant to Section 152 of the Act; and
- intimation in Form DIR-8 confirming that she is not disqualified from being appointed as a Director in terms of Section 164 of the Act.

Mrs. Chandra Lekha Poddar possesses rich experience and expertise in the areas of business management, strategic planning and entrepreneurship. Considering her knowledge, experience and valuable guidance, the Board is of the opinion that her association would be beneficial and in the best interest of the Company.

The appointment of Mrs. Chandra Lekha Poddar as Non-Executive and Non-Independent Director of the Company in accordance with the provisions of Sections 152, 161 and other applicable provisions, if any, of the Companies Act, 2013 ("Act") read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and other applicable Rules made thereunder, Regulation 17(1A) and other applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), including any statutory modification(s), amendment(s) or re-enactment(s) thereof for the time being in force.

Mrs. Chandra Lekha Poddar shall be liable to retire by rotation in accordance with the provisions of the Companies Act, 2013.

Mrs. Chandra Lekha Poddar shall be entitled to receive sitting fees, reimbursement of expenses and such other remuneration, if any, as may be approved by the Board of Directors from time to time in accordance with the applicable provisions of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Mrs. Chandra Lekha Poddar shall be entrusted with such powers, duties and responsibilities as may be decided by the Board of Directors from time to time.

The appointment may be terminated by either party by giving notice as per the terms approved by the Board and applicable law.

Except Mrs. Chandra Lekha Poddar and her relatives (Mrs Malvika Poddar and Mr. Shiv Poddar), none of the Directors, Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution set out at Item No. 1 of the Notice.

The Board of Directors recommends the **Special Resolution** set out at Item No. 1 of the accompanying Notice for approval of the Members.

ITEM NO. 2

Appointment of Mr. Shiv Poddar (DIN: 11472666), as a Non-Executive and Non-Independent Director of the Company:

Pursuant to the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company, at its meeting held on January 13, 2026, appointed Mr. Shiv Poddar (DIN: 11472666) as an Additional Director in the category of Non-Executive Director of the Company with effect from January 13, 2026, pursuant to the provisions of Section 161 of the Companies Act, 2013 ("the Act").

In terms of Section 161 of the Act, Mr. Shiv Poddar holds office up to the date of this Annual General Meeting ("AGM") and is eligible for appointment as a Non-Executive and Non-Independent Director of the Company.

The Company has received from Mr. Shiv Poddar:

- consent in writing to act as Director in Form DIR-2 pursuant to Section 152 of the Act; and
- intimation in Form DIR-8 confirming that he is not disqualified from being appointed as a Director in terms of Section 164 of the Act.

Mr. Shiv Poddar possesses expertise in the areas of business management, entrepreneurial leadership, accounting, management and business strategy, backed by substantial professional experience in these fields. Considering his knowledge and experience, the Board is of the opinion that his association would be beneficial and in the best interests of the Company.

Accordingly, the Board recommends the appointment of Mr. Shiv Poddar as a Non-Executive and Non-Independent Director of the Company, liable to retire by rotation, in accordance with the provisions of Sections 152, 161 and other applicable provisions, if any, of the Companies Act, 2013 read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and applicable provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), including any statutory modification(s), amendment(s) or re-enactment(s) thereof for the time being in force.

Mr. Shiv Poddar shall be liable to retire by rotation in accordance with the provisions of the Companies Act, 2013.

Mr. Shiv Poddar shall be entitled to receive sitting fees, reimbursement of expenses and such other remuneration, if any, as may be approved by the Board of Directors from time to time in accordance with the applicable provisions of the Companies Act, 2013 and the SEBI Listing Regulations.

Mr. Shiv Poddar shall perform such duties and exercise such powers as may be entrusted to him by the Board of Directors from time to time.

ANNEXURE-CTO DIRECTORS' REPORT

CORPORATE GOVERNANCE REPORT

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE:

Aravali Securities & Finance Ltd (Aravali) governance philosophy is that the policies and procedures should be so strong that they don't leave any room for mistakes or manipulations. ARAVALI emphasis is on providing complete transparency in management and fixing authority and responsibility of every person in the organization. This enables every person in the organization to work for the achievement of the Company's goal and thereby maximizing the return to the Company has also to the members of the Company.

ARAVALI's Corporate Governance is based on two core principles:

- I. Management must have the executive freedom to drive the enterprise forward without undue restraints; and
- II. This freedom of management should be exercised within a framework of effective accountability.

ARAVALI believes that any meaningful policy on Corporate Governance must provide empowerment to the executive management of the Company, and simultaneously create a mechanism of checks and balances which ensures that the decision-making powers vested in the executive management are not misused, and used with care and responsibility to meet stakeholders' aspirations and societal expectations.

Corporate Governance is an integral element of Company's value system, management ethos and business practices. Good Corporate Governance is a continuing exercise and the Company is committed to ensure the same by focusing on strategic and operational excellence in the overall interest of its all stakeholders.

The above belief and core principles of Corporate Governance adopted by ARAVALI lead to Company's governance philosophy, trusteeship, transparency, accountability and responsibility which in turn are the basis of public confidence in corporate system.

- The person should possess appropriate financial and/or business literacy, leadership skills and professional competence to effectively contribute to the functioning of the Board;
- The person should have such educational and professional qualifications and experience as may be considered beneficial for the Company and conducive to achieving its business objectives and long-term growth;
- In case of appointment of an Independent Director, the proposed appointee shall satisfy the criteria of independence as prescribed under Section 149(6) of the Companies Act, 2013 and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations");
- The proposed appointee shall not be disqualified from being appointed as a Director under the applicable provisions of the Companies Act, 2013 and other applicable laws.

The Nomination and Remuneration Committee shall have the discretion to consider and prescribe such other criteria or norms as it may deem necessary for identifying and selecting suitable candidates for appointment on the Board.

Positive Attributes of Directors (Including Independent Directors)

The Directors, including Independent Directors, shall possess and demonstrate the following positive attributes:

- integrity, honesty, ethical behaviour, credibility, trustworthiness and the ability to exercise sound judgment;
- ability to handle conflicts constructively and willingness to address issues proactively in the best interests of the Company;
- commitment to continuously update and enhance their skills, knowledge and familiarity with applicable laws, regulations and business environment;
- willingness to devote sufficient time, attention and efforts towards discharging their duties and responsibilities effectively;
- ability to exercise objective and independent judgment in Board deliberations, particularly with respect to strategy, performance evaluation, risk management, internal controls, key managerial appointments and standards of conduct;

- ability to work cohesively with other Directors and contribute effectively to the functioning of the Board and its Committees;
- commitment to act in good faith in order to promote the objects of the Company and protect the interests of the Company, its shareholders, employees and other stakeholders;
- in the case of Independent Directors, compliance with the requirements of independence prescribed under the Companies Act, 2013 read with the Rules made thereunder and the SEBI Listing Regulations.

Criteria for Appointment of Key Managerial Personnel and Senior Management Personnel

The appointment of Key Managerial Personnel ("KMP") and Senior Management Personnel shall be based on the following criteria:

- possession of adequate qualifications, professional expertise, experience, knowledge and skills necessary for effective discharge of their functions and responsibilities;
- leadership abilities, managerial capabilities and commitment to maintaining high standards of professionalism and corporate governance;
- ability to build and lead teams and contribute towards achieving the Company's business objectives and corporate mission;
- adherence to the Company's Code of Conduct, policies and applicable legal and regulatory requirements;
- integrity, honesty, ethical conduct and ability to maintain transparency and accountability in operations.

Policy Relating to Remuneration of Directors, Key Managerial Personnel and Senior Management Personnel

The remuneration policy of the Company is designed to attract, retain and motivate qualified and competent individuals required for managing the affairs of the Company successfully and shall be guided by the following principles:

- the level and composition of remuneration shall be reasonable, adequate and sufficient to attract, retain and motivate Directors, KMP and Senior Management Personnel of requisite quality and competence;
- remuneration shall be commensurate with the role, responsibilities, experience, qualification, performance, industry standards and contribution of the concerned individual;
- no Director, KMP or employee shall participate in any decision relating to determination of his or her own remuneration;
- the remuneration structure shall appropriately balance fixed pay and performance-linked incentives, wherever applicable, to align individual performance with short-term and long-term objectives of the Company;
- the relationship between remuneration and performance benchmarks shall be clear, transparent and objectively measurable;
- due consideration shall be given to the prevailing remuneration practices in the industry, size and nature of the business of the Company and market competitiveness;
- performance, value addition, accountability, responsibilities undertaken, time devoted and profitability and growth of the Company shall be considered while determining remuneration;
- remuneration practices shall be consistent across the organization and in compliance with the applicable provisions of the Companies Act, 2013, SEBI Listing Regulations and other applicable laws;
- remuneration structures shall be designed in a manner that is simple, transparent, tax efficient and not misleading with respect to cost-to-company and take-home remuneration;
- any deviation from this Policy shall be appropriately justified and disclosed in accordance with applicable laws.

Review of the Policy

The Nomination and Remuneration Committee and the Board of Directors shall review this Policy from time to time and may amend the same as may be required in compliance with applicable laws, rules, regulations

INDEPENDENT AUDITORS' REPORT

To the Members of Aravali Securities & Finance Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Ind AS financial statements of ARAVALI SECURITIES & FINANCE LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2026, the Statement of Profit and Loss including other comprehensive income, Statement of Changes in Equity and the Statement of Cash Flow for the year then ended, and notes to the Ind AS financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Companies Act, 2013, "(the Act)" in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and, its loss including other comprehensive income its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the Ind AS financial statements and our Auditor's Report thereon.

Our opinion on the Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Ind AS financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the Act) with respect to the preparation and presentation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern

basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of sub-section (11) of Section 143 of the Act, we give in the 'Annexure A' statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required under the provisions of Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit:

- b. In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books:
- c. The Balance Sheet, the Statement of Profit and Loss, including other comprehensive income, the Statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account:
- d. In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- e. On the basis of the written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
- f. With respect to the adequacy of internal financial controls over financial reporting of the Company with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate report in 'Annexure-B';
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
 - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note No 32(vi) to the Financial Statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note No 32(vii) to the Financial Statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party "Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note 56b to the financial statements); and
 - (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The Company has not declared and paid dividend during the year.
- vi. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instances of audit trail feature being tampered with for the period where audit trail is enabled and operated. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- h. The Company has not paid/ provided for managerial remuneration during the year.

ANNEXURE-B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in Paragraph 2(f) of Report on Other Legal and Regulatory Requirements of our report of even date to the members of Aravali Securities & Finance Limited as at and for the year ended 31st March, 2026)

Opinion

We have audited the internal financial controls over financial reporting of Aravali Securities & Finance Limited ("the Company") as of 31st March, 2026 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these Ind- AS financial statements and such internal financial controls over financial reporting with reference to these Ind- AS financial statements were operating effectively as at 31st March, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these Ind-AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Ind-AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Ind- AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these Ind- AS financial statements assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Ind As financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these Ind-AS financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting with reference to these Ind-AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Ind-AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with

generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Ind- AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Ind- AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Ind- AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

1 Corporate Information

ARAVALI SECURITIES & FINANCE LIMITED (the 'Company') having CIN: L67120HR1980PLC039125 is a public limited company domiciled in India, with its registered office situated at Plot No 136, Rider House, Ground Floor, Sector 44, Gurgaon -122003, Haryana. The Company has been incorporated under the provisions of Companies Act, 1956 and its equity shares are listed on the BSE Limited (BSE), in India.

The Company is presently engaged in providing Financial and Other Advisory Services besides dealing in Shares and Securities.

2 Basis of Preparation

A. Statement of Compliance

The Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ('the Act') and other relevant provision of the Act.

The financial statements for the year ended March 31, 2026 were approved by the Board of Directors and authorised for issue at its meeting held on 8th May, 2026.

B. Functional and Presentation Currency

These financial statements are presented in Indian Rupees (INR) which is also Company's functional currency.

C. Basis of Accounting

The financial statements have been prepared on accrual and going concern basis following historical cost convention, except for the following item which are measured on an alternative basis on each reporting date:

<u>Items</u>	<u>Measurement basis</u>
Investments in Mutual Funds	- At Fair Value through OCI
Net defined benefit (asset)/ liability	- At fair value of plan assets less the present value of the defined benefit obligation

D. (i) Use of Estimates and Judgements

The preparation of the financial statements requires Management to make judgements, estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and the accompanying disclosures. The Company based its assumptions and estimates on parameters available when the financial statements were prepared and are reviewed on an on going basis. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities. Revisions to accounting estimates are recognised prospectively. Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment within the next financial year are furnished in the relevant notes.

(ii) Critical Accounting Judgements And Key Sources Of Estimation Uncertainty

The following are the areas of estimation uncertainty and critical judgements that the management has made in the process of applying the Company's accounting policies and that have the most significant effect on the amounts recognized in the financial statements:-

Useful lives of Depreciable Assets

Management reviews the useful lives of depreciable assets at each reporting date. As at the current year end, management assessed that the useful lives represent the expected utility of the assets to the Company. Further, there is no significant change in the useful lives as compared to previous year.

**Defined Benefit Plans**

The cost of the defined benefit plan and other post employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Provision and Contingent Liability

On an ongoing basis, Company reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in financial statements. Contingent losses that are considered possible are not provided for but disclosed as Contingent liabilities in the financial statements. Contingencies the likelihood of which is remote are not disclosed in the financial statements. Contingent gain are not recognized until the contingency has been resolved and amounts are received or receivable.

Impairment of Financial and Non-Financial Assets

The impairment provisions for Financial Assets are based on assumptions about risk of default and expected cash loss rates. The company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based in Company's past history, existing market conditions as well as forward-looking estimates at the end of each reporting period.

Impairment of Non – Financial Assets exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's-length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a DCF model.

3 Material Accounting Policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements, unless otherwise indicated.

a) Property, Plant & Equipment

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

All items of property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost comprises of purchase price including duties and taxes and expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in the Statement of Profit and Loss.

Depreciation

Depreciation is calculated on cost of item of property, plant and equipment less their estimated residual values over their estimated useful lives specified in Schedule II to the Companies Act, 2013, using the straight-line method and is generally recognised in the Statement of Profit and Loss.

Freehold land is carried at historical cost less any accumulated impairment losses.

The estimated useful lives of items of property, plant and equipment are estimated by the management which are equal to the life prescribed under Schedule II to the Companies Act, 2013. The residual values are not more than 5% of the original cost of the asset. The asset's residual value & useful lives are reviewed & adjusted if appropriate, at the end of each reporting period. Depreciation on additions and disposals are provided on pro rata basis i.e. from/upto the date on which asset is ready for use or disposed off.

b) Current versus Non-Current Classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents.

c) Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a Lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of the asset.

The right-of-use assets are also subject to impairment.

Lease Liabilities

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Company has elected not to recognise right-of-use assets and lease liabilities for leases of low-value assets and short-term leases. The Company recognises the lease payments associated with these leases as an expense in profit or loss on a straight-line basis over the lease term. The related cash flows are classified as operating activities in the Statement of Cash Flows.

Company as a Lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

d) Financial Instruments

i. Recognition and initial measurement

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition.

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- Amortised Cost;
- Fair Value through Other Comprehensive Income (FVOCI) - equity investment ; or
- Fair Value through Profit & Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL :

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI - equity investment). This election is made on an investment by investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Subsequent measurement and gains and losses

Financial assets at FVTPL These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

Financial assets at the amortised cost These assets are subsequently measured at amortised cost using effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

Equity investments at FVOCI These assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

Financial liabilities

Financial liabilities are classified as either financial liabilities at FVTPL or other financial liabilities. A financial liability is classified as at FVTPL if it is held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss.

iii. Derecognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset. If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

iv. Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

v. Derivative financial instruments

Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured to their fair value at each reporting date. Changes in the fair value of any derivative instrument are recognised immediately in the statement of profit and loss and are included in other income or expenses.

**vi. Measurement of Fair Values**

A number of the Company's accounting policies and disclosures require measurement of fair values, for both financial and non-financial assets and liabilities.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of nature of the characteristics, risk of assets or liabilities and the level of fair value hierarchy. As explained above, this note summarizes accounting policies for fair value and the other fair value related disclosures are given in relevant notes .

e) Valuation of Inventories:

Inventories are valued at cost or net realizable value whichever is lower.

f) Impairment

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

Non-financial assets other than goodwill that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

g) Employee Benefits**i. Short-Term Employee Benefits**

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed during the period as the related service is provided. A liability is recognised for the amount expected to be paid, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

ii. Defined Benefit Plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

Gratuity liability is a defined benefit obligation and is provided for on the basis of a valuation on projected unit credit method made at the end of each financial year. The Company has created an approved gratuity fund, which has taken a group gratuity cum insurance policy with Life Insurance Corporation of India (LIC) for future payment of gratuity to employees. The Company accounts for gratuity liability of its employees on the basis of actuarial valuation carried out at the year end by the independent actuary. When calculation results in potential asset for the Company, the recognized asset is limited to its present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan (the asset ceiling) in order to calculate present value of economic benefits, consideration is given to any minimum funding requirement.

Re-measurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest), the effect of the asset ceiling, (excluding interest) are earnings through Other Comprehensive Income in the period in which they occur.

**iii. Defined Contribution Plans**

Retirement benefit in the form of Provident Fund is a defined contribution scheme. The Company recognizes contribution payable to the scheme as an expenditure, when an employee renders the related service. The Company has no obligation, other than the contribution payable to the respective funds.

iv. Compensated Absences

The employees can carry forward a portion of the unutilised accrued compensated absences and utilize it in future service periods or receive cash compensation. Company treats compensated absences, as short-term employee benefit. The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement.

h) Revenue**i. Sale of Goods**

Revenue from sale of goods is recognized when significant risk and rewards of ownership pass to the buyer, as per the terms of the contract and it is probable that the economic benefits associated with the transaction will flow to the Company.

ii. Revenue from Service

Revenue from services is recognized in the accounting period in which the services are rendered and when invoices are raised.

iii. Rental Income

Rental Income from property is recognized as part of other income in the Statement of Profit and Loss.

iv. Dividend Income

Dividend income is recognized in profit or loss on the date on which the Company's right to receive payment is established.

v. Interest Income

Interest income is recognized on time basis using the effective interest method.

i) Borrowing Costs

Borrowing costs directly attributable to the acquisition or construction of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds.

j) Taxes on Income:

Tax expenses for the relevant period comprises of current tax and deferred tax. Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and provisions of the Income Tax Act, 1961 and other applicable tax laws.

Minimum alternate tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax for the year. The Company recognizes MAT credit available as an asset only to the extent it is probable that sufficient taxable profit will be available to allow all or part of MAT credit to be utilized during the specified period, i.e., the period for which such credit is allowed to be utilized. In the year in which the Company recognizes MAT credit as an asset, it is created by way of credit to the Statement of Profit and Loss and shown as non-current asset. The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent that it is no longer probable that it will pay normal tax during the specified period.

Deferred tax is recognized, subject to consideration of prudence, on all timing difference between taxable income and accounting income that originate in one period and are capable of being reversed in one or more subsequent periods. The accumulated deferred tax liability is adjusted by applying the tax rates and tax laws applicable at the year-end.

**k) Provision, Contingent Liabilities and Contingent Assets**

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Expected future operating losses are not provided for.

Contingencies

Provision in respect of loss contingencies relating to claims, litigations, assessments, fines and penalties are recognized when it is probable that a liability has been incurred and the amount can be estimated reliably.

Contingent Liabilities and Contingent Assets

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

l) Earnings per share

Basic Earnings Per Share ('EPS') is computed by dividing the net profit or loss for the year attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date. In computing diluted earnings per share, only potential equity shares that are dilutive and that either reduce earnings per share or increase loss per share are included. The number of shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for the share splits.

m) Statement of Cash Flows

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing and financing activities of the Company are segregated.

n) Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and in hand and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible (including interest thereon) to known amounts of cash and which are subject to an insignificant risk of changes in value.

o) Events after Reporting Date

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

p) Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. Amendments to Ind AS1 'Presentation of Financial Statements' - Classification of Liabilities as current or non current and non current liabilities with covenants. The amendment includes specific provisions that will take effect for reporting periods beginning on or after 1 April 2026 retrospectively. The Company does not expect this amendment to have an impact on its operations or financial statements.

30 Financial Risks Management

In the course of business, amongst others, the Company is exposed to several financial risks such as Credit Risk, Liquidity Risk, Interest Rate Risk, Exchange Risk and Commodity Price Risk. These risks may be caused by the internal and external factors resulting into impairment of the assets of the Company causing adverse influence on the achievement of Company's strategies, operational and financial objectives, earning capacity and financial position.

The Company has formulated an appropriate policy and established a risk management framework which encompass the following process.

- identify the major financial risks which may cause financial losses to the company
- assess the probability of occurrence and severity of financial losses
- mitigate and control them by formulation of appropriate policies, strategies, structures, systems and procedures
- Monitor and review periodically the adherence, adequacy and eicacy of the financial risk management system.

The Company enterprise risk management system is monitored and reviewed at all levels of management, Audit Committee and the Board of Directors from time to time.

Credit Risk

Credit Risk refers to the risks that arise on default by the counterparty on its contractual obligation resulting into financial loss to the company. The Company may carry this Risk on liquid assets and some of the non current financial assets.

The credit risk on cash & cash equivalent, investment in fixed deposits, liquid funds and deposits are insignificant as counterparties are banks or mutual funds with high credit ratings assigned by the rating agencies of international repute.

Liquidity Risk

Liquidity Risk arises when the Company is unable to meet its short term financial obligations as and when they fall due.

The Company maintains adequate liquidity in the system so as to meet its all financial liabilities timely.

Interest Rate Risk

Generally market linked financial instruments are subject to interest rate risk. The Company does not have any market linked financial instruments both on the asset side as well liability side. Hence there is no interest rate risk linked to market rates.

However the interest rate in respect of borrowings by the Company from others are at a fixed rate. Any fluctuation in the same either on higher side or lower side will result into financial loss or gain to the company.

31 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders and issue new shares.

The management of the Company reviews the Capital structure of the Company on regular basis.
