Subject: Updation of Order Book Position of Brahmaputra Infrastructure Limited (including JV/Joint Operations) as on August 31, 2026

Dear Sir/Madam,

Pursuant to Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, and in continuation of our earlier intimations to the Exchange regarding order/business updates, we wish to inform you of the following developments relating to the order book position of the Company, along with its Joint Ventures/Joint Operations, as on August 31, 2026:

1. **Current Order Book:** The consolidated order book of the Company, together with its Joint Ventures/Joint Operations, stands at approximately **Rs. 1,600 Crores** as on August 31, 2026, after accounting for execution/billing of orders during the month of August 2026.

2. **Bids Under Evaluation/Pipeline:** In addition to the above, the Company has bids aggregating to more than **Rs. 2,000 Crores** currently under submission/evaluation with various government and private authorities. The outcome of these tenders is expected to be declared within the next 6 (six) weeks.

3. **Expected Order Book by year end:** Basis the current pipeline and anticipated conversion of the aforesaid bids, the Company is expecting to build its order book to approximately **Rs. 2,500 Crores** by the close of the Financial Year 2026-27 (FY27).

4. **Bidding Strategy and Geographical Expansion**: The Company continues to follow a selective and conservative approach to bidding, with the objective of maintaining a healthy EBITDA margin in the range of **20% to 25%**, without diluting profitability. The Company's bidding focus remains concentrated on niche EPC projects, particularly in the North-East region, where it continues to bid in a conservative manner without compromising on margins. In line with its growth strategy, the Company is also expanding its geographical footprint beyond the North-East into other states, including West Bengal, Rajasthan, Jammu, Punjab, Haryana, Madhya Pradesh, Odisha, and several others, while maintaining the same disciplined and margin-accretive approach to bidding.

The Company remains focused on strengthening its order book across the EPC and infrastructure segments and will keep the Exchange informed of any further material developments in this regard, in accordance with applicable provisions of the SEBI (LODR) Regulations, 2015.

The above is for your information and records.

Thanking you,

Yours faithfully,

For Brahmaputra Infrastructure Limited
