(Hybrid Mode)

This is an application to extend the time granted for curing the defects.

The facts giving rise to present IA (re-filing) are that the Appellant e-filed the Memo of Appeal on 18.05.2026. The Office after scrutiny of the Memo of Appeal on 18.05.2026, intimated the defects to the Appellant on the same day. The Appellant re-filed the Appeal on 07.07.2026. It is stated in the IA that the Applicants were travelling and were unable to procure the requisite executed documents within the prescribed time because certain documents necessary for the curing of the defects in Interlocutory Application required the execution by Applicants who were based in Kolkata, outside Delhi, and due to which an additional time was necessary to obtain and verify those documents. The delay was not intentional or deliberate but arose from bona fide logistical and procedural difficulties beyond the control of the Applicants and their Counsel, and consequently the time for procuring and filing the requisite documents lapsed.

Heard Ld. Counsel for Applicant and perused the averments made in the IA as well as Office report.

Ld. Counsel for the Applicant has submitted that the main Appeal is listed before the Bench for tomorrow, i.e., 15/07/2026. It is therefore requested that the I.A. No 4783 of 2026 be also placed before the Bench on 15/07/2026.

In view of the matter, let this I.A. No 4783 of 2026 praying for condonation of delay of 43 days in re-filing the Appeal also be placed before the Hon'ble Bench along with the main matter on **15/07/2026** under the heading 'for admission with defect (fresh case)'.
