IMPORTANT NOTES:

1. Pursuant to the General Circular No. 09/2024 dated September 19, 2024, issued by the Ministry of Corporate Affairs (MCA) and circular issued by SEBI vide circular no. SEBI/ HO/ CFD/ CFDPoD-2/ P/ CIR/ 2024/ 133 dated October 3, 2024 ("SEBI Circular") and other applicable circulars and notifications issued (including any statutory modifications or re-enactment thereof for the time being in force and as amended from time to time, companies are allowed to hold AGM through Video Conferencing (VC) or other audio visual means (OAVM), without the physical pres-

ence of members at a common venue. In compliance with the said Circulars, AGM shall be conducted through VC / OAVM.

2. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/OAVM and participate there at and cast their votes through e-voting.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) the Secretarial Standard on General Meetings (SS-2) issued by the ICSI and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs from time to time the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as e-voting on the date of the AGM will be provided by NSDL.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at <https://ashishpolyplast.com/>. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and the

AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.

7. AGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular issued from time to time

THE INSTRUCTIONS FOR MEMBERS FOR REMOTE E-VOTING AND JOINING GENERAL MEETING ARE AS UNDER:-

The remote e-voting period begins on Tuesday, September 22, 2026 at 09:00 A.M. and ends on Thursday, September 24, 2026 at 05:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. September 18, 2026, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being September 18, 2026.

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of “Two Steps” which are mentioned below:

Step 1: Access to NSDL e-Voting system

A) Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode

In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Login method for Individual shareholders holding securities in demat mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in demat mode with NSDL.	1. For OTP based login you can click on https://eservices.nsdl.com/SecureWeb/evoting/evotinglogin.jsp . You will have to enter your 8-digit DP ID, 8-digit Client Id, PAN No., Verification code and generate OTP. Enter the OTP received on registered email id/mobile number and click on login. After successful authentication, you will be redirected to NSDL Depository

site wherein you can see e-Voting page. Click on company name or **e-Voting service provider i.e. NSDL** and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

2. Existing **IDeAS** user can visit the e-Services website of NSDL Viz. <https://eservices.nsdl.com> either on a Personal Computer or on a mobile. On the e-Services home page click on the “**Beneficial Owner**” icon under “**Login**” which is available under ‘**IDeAS**’ section , this will prompt you to enter your existing User ID and Password. After successful authentication, you will be able to see e-Voting services under Value added services. Click on “**Access to e-Voting**” under e-Voting services and you will be able to see e-Voting page. Click on company name or **e-Voting service provider i.e. NSDL** and you will be re-directed to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.
3. If you are not registered for IDeAS e-Services, option to register is available at <https://eservices.nsdl.com>. Select “**Register Online for IDeAS Portal**” or click at <https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp>
4. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or **e-Voting service provider i.e. NSDL** and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.
5. Shareholders/Members can also download NSDL Mobile App “**NSDL Speede**” facility by scanning the QR

code mentioned below for seamless voting experience.

NSDL Mobile App is available on

App Store

Google Play

Individual Share-
holders holding se-
curities in demat
mode with CDSL

1. Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The users to login Easi /Easiest are requested to visit CDSL website www.cdslindia.com and click on login icon & New System Myeasi Tab and then user your existing my easi username & password.
2. After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the evoting is in progress as per the information provided by company. On clicking the evoting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. Additionally, there is also links provided to access the system of all e-Voting Service Providers, so that the user can visit the e-Voting service providers' website directly.
3. If the user is not registered for Easi/Easiest, option to register is available at CDSL website www.cdslindia.com and click on login & New System Myeasi Tab and then click on registration option.

The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the Demat Account. After successful authentication, user will be able to see the e-Voting option where the evoting is in progress and also able to directly access the system of all e-Voting Service Providers.

Individual Shareholders (holding securities in demat mode) login through their depository participants	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. upon logging in, you will be able to see e-Voting option. Click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider i.e. NSDL and you will be redirected to e-Voting website of NSDL for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.
--	--

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.com or call at 022 - 4886 7000
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800-21-09911

B) Login Method for e-Voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholder/Member’ section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.
Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.
4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.
b) For Members who hold shares in demat account with CDSL.	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your user ID is 12*****
c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.

- b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
- c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) **Physical User Reset Password?** (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.com mentioning your demat account number/folio number, your PAN, your name and your registered address etc.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join Meeting".
3. Now you are ready for e-Voting as the Voting page opens.

4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.
5. Upon confirmation, the message “Vote cast successfully” will be displayed.

6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to kshahcs@yahoo.co.in with a copy marked to evoting@nsdl.com. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the “Forgot User Details/Password?” or “Physical User Reset Password?” option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on.: 022 - 4886 7000 or send a request to NSDL at evoting@nsdl.com

Process for those shareholders whose email ids are not registered with the depositories for procuring user id and password and registration of e mail ids for e-voting for the resolutions set out in this notice:

1. In case shares are held in physical mode please provide Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) by email to ashishpolyplast@gmail.com
2. In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of Consolidated Account statement, PAN (self attested scanned copy of PAN card), AADHAR (self attested scanned copy of Aadhar Card) to (ashishpolyplast@gmail.com). If you are an Individual shareholders holding securities in demat mode, you are requested to refer to the login method explained at **step 1 (A)** i.e. **Login method for e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.**
3. Alternatively shareholder/members may send a request to evoting@nsdl.com for procuring user id and password for e-voting by providing above mentioned documents.
4. In terms of SEBI circular dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are required to update their mobile number and email ID correctly in their demat account in order to access e-Voting facility.

THE INSTRUCTIONS FOR MEMBERS FOR e-VOTING ON THE DAY OF THE AGM ARE AS UNDER:-

1. The procedure for e-Voting on the day of the AGM is same as the instructions mentioned above for remote e-voting.
2. Only those Members/ shareholders, who will be present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system in the AGM.
3. Members who have voted through Remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.
4. The details of the person who may be contacted for any grievances connected with the facility for e-Voting on the day of the AGM shall be the same person mentioned for Remote e-voting.

INSTRUCTIONS FOR MEMBERS FOR ATTENDING THE AGM THROUGH VC/OAVM ARE AS UNDER:

1. Member will be provided with a facility to attend the AGM through VC/OAVM through the NSDL e-Voting system. Members may access by following the steps mentioned above for **Access to NSDL e-Voting system**. After successful login, you can see link of “VC/OAVM” placed under “**Join meeting**” menu against company name. You are requested to click on VC/OAVM link placed under Join Meeting menu. The link for VC/OAVM will be available in Shareholder/Member login where the EVEN of Company will be displayed. Please note that the members who do not have the User ID and Password for e-Voting or have forgotten the User ID and Password may retrieve the same by following the remote e-Voting instructions mentioned in the notice to avoid last minute rush.
2. Members are encouraged to join the Meeting through Laptops for better experience.
3. Further Members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
4. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
5. Shareholders who would like to express their views/have questions may send their questions in advance mentioning their name demat account number/folio number, email id, mobile number at ashishpolyplast@gmail.com. The same will be replied by the company suitably.

The Members,
ASHISH POLYPLAST LIMITED
CIN: L17110GJ1994PLC021391
A/305 Samudra Complex Near hotel Klassic Gold
Off C G Road Ahmedabad 380006 Gujarat India

Our report of even date for the financial year ended 31/03/2026 is to be read along with this letter:

- 1.Maintenance of secretarial record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
- 2.We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
- 3.We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
- 4.Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
- 5.The compliance of the provisions of corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
- 6.The secretarial audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.
- 7.We have relied on Management Representation Letter provided by the Company before issuing this Report to the Company.

ANNEXURE-BCONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION & FOREIGN EXCHANGE EARNINGS AND OUTGO**1 CONSERVATION OF ENERGY**

(i)	the Steps taken or impact on conservation energy	The company has adopted several energy conservation measures. Due care has been taken at the time of selection of plant & machinery. Periodical testing is being done for each unit of power supply to verify that the energy consumed is minimized.
(ii)	the Steps taken by the company for utilizing alternate source of energy	Nil
(iii)	the capital investment on energy conservation equipments	Nil

2 TECHNOLOGY ABSORPTION

(i)	The efforts made towards technology absorption	The Company always keeps itself updated with all the latest technological innovation by way of constant communications with consulting experts. Efforts are being made to make maximum use of available infrastructure, at the same time innovating new techniques to bring efficiency and economy in different areas.
(ii)	The benefit derived like product improvement, cost reduction, product development or import substitution	
(iii)	details of imported technology (imported during the last three years reckoned from the beginning of the financial year)	No imported technology
	(a) the details of technology imported	N.A
	(b) year of import	
	(c) whether the technology has been fully absorbed	
	(d) if not fully absorbed, arrears where absorption has not taken place, and the reasons thereof	

3 FOREIGN EXCHANGE EARNING/OUTGO

Amount in Rs.

	Particulars	Current Year	Previous Year
a	Total foreign exchange earned	NIL	NIL
b	Total foreign exchange outgo	NIL	NIL

By Order of the Board

Annexure -C

MANAGEMENT DISCUSSIONS & ANALYSIS**A INDIA'S PLASTIC PIPE INDUSTRY**

The Indian plastic pipes and fittings sector sustained its structural demand in FY 2025-26, heavily driven by persistent downstream expansion across rural agricultural irrigation networks and private urban plumbing sectors. However, the broader industry experienced significant pricing volatility during the fiscal year. A substantial cooling down and price relaxation of Polyvinyl Chloride (PVC) raw material resin led to an industry-wide reduction in absolute transaction values and sales realizations. While this raw material correction supported long-term affordability for farmers and real estate developers, it placed sharp, short-term deflationary pressures on absolute top-line turnover figures for localized manufacturing units.

Operating within this tight pricing landscape, the Company strategically leveraged its core product portfolio of agricultural irrigation and domestic plumbing PVC pipes. For FY 2025-26, the Company recorded a total revenue turnover of ₹1,502 lakhs, representing a 6.21% contraction compared to the previous fiscal year. This variance does not indicate a loss in baseline volume demand, but rather mirrors the direct impact of deflationary PVC market pricing and intense regional competition from well-capitalized, organized brands. By refusing to chase low-margin, high-risk credit sales, the Company deliberately prioritized cash-flow safety and preserved its local dealer networks. Entering the next fiscal cycle, the Company remains structurally agile and well-positioned to capitalize on localized micro-irrigation demand and Tier-2 housing infrastructure.

B INDUSTRY STRUCTURE AND DEVELOPMENTS:**Market Composition and Segmentation**

India has been predominantly a Unplasticized Polyvinyl Chloride (UPVC) market, with this dominance stemming from UPVC's superior rigidity, higher pressure tolerance compared to other plastics, and cost-effectiveness. The organized players are expected to gain market share due to the benefits of branding and operational scale, even as competitive intensity remains high across the sector.

The industry's end-user segments are primarily driven by:

- Irrigation sector - accounting for the largest chunk of demand, supported by various Central and State schemes to increase irrigated area and improve water use efficiency
- water supply and plumbing applications
- Industrial applications including hose pipes and braided pipes
- Replacement demand from aging infrastructure

Raw Material Supply Chain Evolution

Significant investments are being made to reduce import dependence for PVC resin, the key raw material. Large-scale domestic PVC manufacturing plants are being commissioned, which is expected to ease the current heavy reliance on imports and provide better supply chain security.

C OPPORTUNITIES AND THREATS:

• Key Growth Opportunities

1 Infrastructure Development Push

Government initiatives such as the Jal Jeevan Mission (extended until 2028 with enhanced outlay of Rs. 670 billion), increased allocation to PMAY-Urban by 54% to Rs. 233 billion for FY2026, and PM Awas Yojana Urban 2.0 with central assistance of Rs. 2,200 billion over the next 5 years are creating substantial demand drivers.

2 Demographic Dividend

Rising middle class, increasing per capita incomes, rapid urbanization, and the shift toward nuclear families are supporting the construction industry's expected CAGR of ~10% over FY2024-28.

3 Agricultural Modernization:

Government focus on micro-irrigation schemes and water use efficiency is driving demand in the irrigation segment, which represents the largest end-use application.

4 Low Penetration Advantage:

India's significantly lower per capita plastic consumption (13 kg/person/year) compared to developed economies provides substantial room for market expansion.

D INDUSTRY THREATS AND CHALLENGES

1 Raw Material Price Volatility:

The industry faces significant exposure to PVC price fluctuations, which directly impact margins. Sharp price increases limit demand due to restricted pass-through capabilities, while rapid price declines lead to inventory losses and dealer destocking, affecting volumes.

2 Import Dependence:

Heavy reliance on imported PVC resin exposes the industry to global supply chain disruptions, currency fluctuations, and geopolitical risks.

3 Policy and Regulatory Risks:

The imposition of anti-dumping duties on PVC imports from major producing countries in October 2024 could impact raw material costs and availability.

4 Market Cyclicity:

The industry experienced moderated growth in 9M FY2025 due to sluggish government capital expenditure during the General Elections period, highlighting vulnerability to policy cycles.

E OPERATIONAL RISKS

1 Quality and Compliance Requirements

The implementation of stringent BIS (Bureau of Indian Standards) certification requirements under the Poly Vinyl Chloride (PVC) Homopolymers Quality Control Order 2024 necessitates continuous compliance with evolving quality standards.

2 Environmental Regulations

The Plastic Waste Management (Amendment) Rules 2024 introduce stricter Extended Producer Responsibility (EPR) requirements, mandating companies to achieve recycling targets increasing from 30% in 2024-25 to 80% by 2027-28 for rigid plastics.

3 Technology and Innovation Pressure

Increasing demand for sustainable and recyclable products requires continuous investment in research and development to meet evolving market expectations

4 Working Capital Management

Volatile raw material prices create challenges in inventory management and working capital optimization. Extended payment cycles in government and institutional segments pose cash flow management challenges.

5 Regulatory Changes

Evolving environmental norms, quality standards, and trade policies could impact operational flexibility and cost structures.

F MITIGATION STRATEGIES

To address these risks, industry participants are focusing on:

- 1 Diversifying supplier base and developing long-term raw material contracts
- 2 Investing in backward integration for key raw materials
- 3 Enhancing product portfolio toward value-added and specialized applications
- 4 Strengthening brand positioning and distribution networks
- 5 Implementing robust quality management systems to meet BIS requirements
- 6 Developing sustainable and recyclable product lines to address environmental concerns

G INTERNAL CONTROL SYSTEMS:

The Company has built adequate systems of internal controls towards achieving efficiency and effectiveness in operation, optimum utilization of resources, and effective monitoring thereof as well as compliance with all applicable laws. The internal control mechanism comprises of well-defined organization structure, documented policy guidelines, pre-determined authority levels and processes commensurate with the level of responsibility.

H FINANCIAL PERFORMANCE:

The highlight of financial performance is discussed in the Directors' Report. The Audit Committee also reviews the financial performance of the Company from time to time.

I HUMAN RESOURCES MANAGEMENT:

The Company's ongoing objective is to create an inspirational work climate where talented employees engage in creating sustained value for the stakeholders. The Company has developed an environment of harmonious and cordial relations with its employees.

J CAUTION STATEMENT:

Statements in this Management Discussion and Analysis Report describing the Company's objectives, estimates etc. may be "forward-looking statements" within the applicable laws and regulations. Actual results may vary from those expressed or implied; several factors that may affect Company's operations include Dependency on telecommunication and information technology system, Government policy and several other factors. The Company takes no responsibility for any consequences of the decisions made, based on such statement and holds no obligation to update these in future

K DETAILS OF SIGNIFICANT CHANGES IN KEY FINANCIAL RATIO

INDEPENDENT AUDITORS' REPORT

**To The Members,
ASHISH POLYPLAST LIMITED**

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of Ashish Polyplast Limited ("the Company"), which comprise the Balance sheet as at March 31, 2026, the Statement of Profit and Loss (including other comprehensive income), the Statement of changes in equity, the Cashflow Statement for the year then ended, and notes to the financial statements, including a summary of Significant Accounting policies and other explanatory information. (hereinafter referred to as the financial statements).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act 2013 ("Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit, total comprehensive income, the changes in equity and cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter: Revenue Recognition

Key Audit Matter Description	How our audit addressed the matter
The Company recognises revenue from sale of PVC pipes and fittings when control of goods is transferred to the buyer, net of quantity discounts, as described in Note 1.2(j) to the financial statements. We identified this as a key audit matter because revenue is a key performance indicator for the Company, and its recognition involves judgment in determining the timing of transfer of control at year-end and in estimating quantity discounts payable to dealers.	Our procedures included: • Evaluating the revenue recognition policy for compliance with Ind AS 115; • Testing cut-off by verifying dispatch documents for sales recorded near the year-end; • On a sample basis, testing sales transactions with underlying dispatch documentation; • Testing computation of quantity discounts against approved dealer terms; • Performing analytical procedures on revenue and reviewing significant variances; • Assessing adequacy of disclosures in Note 1.2(j).

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Corporate Governance report and shareholder's information but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's board of directors is responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time, and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2 As required by section 143(3) of the Act, we report that:
 - (a) we have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - (b) in our opinion, the Company has kept proper books of account as required by law, so far as appears from our examination of the books.
 - (c) the balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account.
 - (d) in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act read Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) on the basis of written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of section 164 (2) of the Companies Act, 2013.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and
- (h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 in our opinion and to the best of our information and according to the explanations given to us :-
- (a) The company does not have any pending litigations which would impact its financial position.
- (b) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
- (c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- (d) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or Entities, ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented that, to the best of its knowledge no funds have been received by the company from any person or entity, ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- (i) No dividend has been declared or paid during the year by the Company.
- (j) Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the softwares. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with in cases where the audit trail feature was enabled or audit trail not preserved by the Company as per the statutory requirements for record retention.

ASHISH POLYPLAST LIMITED

Annexure A to Independent Auditors' Report

Referred to in paragraph 1 under the heading of "Report on Other Legal & Regulatory Requirements of our report of even date;

On the basis of such checks as we considered appropriate and according to the information and explanation given to us during the course of our audit, we report that:

- (i) In respect of Fixed Assets
 - a. A The Company has maintained proper records showing full particulars including quantitative details and location of the Property, Plant and Equipment.
B The Company has maintained proper records showing full particulars of intangible assets.
 - b. In our opinion Property, Plant and Equipment have been physically verified by the management at reasonable intervals. No material discrepancies were noticed on such verification during the year.
 - c. On the basis of our examination of the records of the Company, the title deeds of all the immovable properties disclosed in the financial statements are held in the name of the Company.
 - d. The company has not revalued any of its Property, Plant and Equipment or intangible assets or both during the year.
 - e. Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company does not have any proceedings initiated or pending as at 31st March, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) (as amended in 2016) and rules made thereunder.
- (ii) a. The physical verification of inventory has been verified by the management during the year. The discrepancies noticed on verification between the physical stocks and the books records were not material and have been properly dealt in the books of account.
- b. The Company has not obtained any sanctioned working capital limit in excess of Five crore during the year, from banks and/or financial institutions, on the basis of security of current assets. Therefore, reporting under clause (ii)(b) of paragraph 3 of the Order is not applicable.
- (iii) a. During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. However, during the year Company has made investments in the units of mutual fund amounting to Rs. 48 Lakhs. The outstanding balance of investments in mutual fund as on 31.03.2026 is Rs. 352.99 Lakhs.
- b. The Company's investments during the year comprise units of mutual funds, which are made in the ordinary course of treasury operations at the Net Asset Value (NAV) declared by the respective Asset Management Companies. Accordingly, reporting under Clause 3(iii) of the Order, which pertains to loans, investments, guarantees and securities granted to specific parties, is not applicable to such investments.
- c & d & e & f. The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii) (c), (d), (e) and (f) of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, The Company has not granted any loans or given any guarantee or provided any security in connection with such loan or made any investment to the persons covered under section 185 and 186 of the Act. Accordingly provision of clause 3 (iv) of the order are not applicable.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits. Hence reporting under clause 3(v) of the order is not applicable.

- (vi) As per the information and explanations given to us, the provisions of maintenance of cost records specified by the Central Government under section 148(1) of the Companies Act, 2013 are not applicable to the company during the year under reference. Accordingly, the provisions of clause 3(vi) of the Order are not applicable to the Company.
- (vii) According to information and explanations given to us in respect of statutory and other dues:
- a. According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Income Tax, Service tax, Goods and Services Tax, employees' state insurance, provident fund, duty of excise, duty of customs and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of Sales tax, VAT, cess.
 - b. According to information and explanation given to us, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of excise, Goods and Services Tax, Value Added Tax, Cess and other material statutory dues were in arrears as at reporting date for a period of more than six months from the date they became payable.
- (viii) We have not come across any transaction(s) which were previously not recorded in the books of account of the Company that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the company.
- (ix) a The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- b The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- c The Company did not obtain any term loans during the year. In respect of the term loans obtained in earlier years, the funds have been applied for the purposes for which such loans were obtained.
- d On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- e On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures as defined under the Act.
- f The Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies, as defined under the Act.
- (x) a The Company has not raised money by way of initial public issue offer / further public offer (including debt instruments) during the year. Therefore, reporting under clause (x) (a) of paragraph 3 of the Order is not applicable.
- b The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year. Therefore, reporting under clause (x) (b) of paragraph 3 of the Order is not applicable.
- (xi) a During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of fraud by the Company nor any fraud on the Company has been noticed or reported during the year, nor have we been informed of any such instance by the management.
- b No report under section 143(12) of the Act has been filed with the Central Government by the auditors of the Company in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014, during the year or upto the date of this report.

- c As represented by the management, no whistle blower complaints received by the Company during the year and up to the date of this report.
- (xii) In our opinion, the Company is not a Nidhi Company. Therefore, reporting under clause (xii) of paragraph 3 of the Order is not applicable.
- (xiii) According to information and explanation provided by the management, The Company has not entered into transactions with related parties in compliance with provisions of Section 177 & 188 of the Act. Therefore the provisions of clause 3(xiii) of the Order are not applicable to the Company.
- (xiv) a In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- b We have considered the Internal Audit Reports of the Company issued till date, for the period under audit.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with them during the year and hence, provisions of section 192 of the Act are not applicable to the Company.
- (xvi) a & The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Therefore, reporting under clause (xvi) (a) and (b) of paragraph 3 of the Order are not applicable.
- b
- c The Company is not a Core Investment Company (CIC) as defined in Core Investment Companies (Reserve Bank) Directions, 2016 ("Directions") by the Reserve Bank of India. Accordingly, reporting under clause (xvi) (c) of paragraph 3 of the Order are not applicable.
- d As informed by the Company, the Group to which the Company belongs has no CIC as part of the Group.
- (xvii) The Company has not incurred cash losses in the current and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly, reporting under clause (xviii) of paragraph 3 of the Order is not applicable.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which cause us to believe that any material uncertainty exists as on the date of this audit report and that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The provisions of section 135 of the Act are not applicable to the Company. Hence, reporting under clause (xx) of paragraph 3 of the Order is not applicable.

**ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE
FINANCIAL STATEMENTS OF ASHISH POLYPLAST LIMITED.**

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ASHISH POLYPLAST LIMITED ("the Company") as of 31st March 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on , “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

STATEMENT ON SIGNIFICANT ACCOUNTING POLICIES

BACKGROUND

Ashish Polyplast Limited ('the Company') is a Public Limited Company engaged primarily in the business of Manufacturing of PVC Pipes. The Company is listed on the Bombay Stock Exchange Limited (BSE). The Company's registered office is at 501, Fortune Business Hub, Near Satyamev Elysium, Near Science City, Sola, Ahmedabad - 380060

1 BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES

1.1 BASIS OF PREPARATION OF ACCOUNTS

a) Statement of compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act. The accounting policies are applied consistently to all the periods presented in the financials.

b) Functional and presentation currency

These financial statements are presented in Indian rupees, which is the Company's functional currency. All amounts have been rounded to the nearest rupee, unless otherwise indicated.

c) Basis of Measurement

These financial statements have been prepared on a historical cost convention basis, except for the following:

(i) Certain financial assets and liabilities that are measured at fair value.

(ii) Assets held for sale- Measured at the lower of (a) carrying amount and (b) Fair Value less cost to sell.

(iii) Net defined benefit plans- Plan assets measured at Fair Value less present value of defined benefit obligation.

(iv) Determining the Fair Value

While measuring the Fair Value of an asset or a liability, the Company uses observable market data as far as possible. Fair values are categorised into different levels in a Fair Value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the Fair Value of an asset or a liability fall into different levels of the Fair Value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the Fair Value hierarchy as the lowest level input that is significant to the entire measurement.

c) Use of Estimates and Judgement

The preparation of financial statements in accordance with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognized in the period in which the estimates are known or materialised. The most material estimates and assumptions are described below:

(i) Judgements

Information about judgments made in applying accounting policies that have the significant effect on amounts recognised in the financial statement are as below:

- Leases identification- Whether an agreement contains a lease.
- Classification of lease - Whether Operating or Finance

(ii) Assumptions and Estimations

Information about assumption and estimation uncertainties that have significant risk of resulting in a material adjustment are as below:

1. Impairment test of non-financial assets

For the purpose of assessing recoverability of non-financial assets, assets are grouped at the lower levels for which there are individually identifiable cash flows (Cash Generating Units).

2. Allowance for bad debts

The Management makes estimates related to the recoverability of receivables, whose book values are adjusted through an allowance for Expected losses. Management specifically analyzes accounts receivable, customers 'creditworthiness, current economic trends and changes in customer's collection terms when assessing the adequate allowance for expected losses, which are estimated over the lifetime of the debts.

3. Recognition and measurement of Provisions and Contingencies

The Company's Management estimates key assumptions about the likelihood and magnitude of an outflow of resources based on available information and the assumptions and methods deemed appropriate. Wherever required, these estimates are prepared with the assistance of legal counsel. As and when additional information becomes available to the Company, estimates are revised and adjusted periodically.

4. Recognition of Deferred Tax Assets

The Management makes estimates as regards to availability of future taxable profits against which unabsorbed depreciation/ tax losses carried forward can be used.

5. Measurements of Defined benefit obligations

The measurements are based on key actuarial assumptions.

e) Application of New Accounting Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On August 13, 2025, MCA amended the Companies (Indian Accounting Standards) Second Amendment Rules, 2025, as below:

Ind AS 1 - Presentation of Financial Statements:

The amendment refines the requirements for classification of liabilities as current or non-current, particularly in cases where the entity's right to defer settlement is subject to compliance with covenants. It clarifies that the classification of liabilities shall be based on rights existing at the reporting date and not on management's expectations or intentions. The Company has evaluated the amendment and the impact of the amendment is not expected to be significant to its standalone financial statements.

Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures:

The amendments introduce additional disclosure requirements for supplier finance arrangements (also referred to as supply chain finance arrangements) to enhance transparency about the entity's exposure to liquidity risks arising from such arrangements. The Company has evaluated the amendment and the impact of the amendment is not expected to be significant to its standalone financial statements.

Ind AS 12 – Income Taxes:

The amendment incorporates certain exceptions relating to the recognition and disclosure of deferred tax arising from the implementation of the OECD Pillar Two model rules. The Company has evaluated the amendment and the impact of the amendment is not expected to be significant to its standalone financial statements.

f) Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (not exceeding twelve months) and other criteria set out in the Schedule III to the Act

g) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest rupee as per the requirement of Schedule III, unless otherwise stated.

1.2 MATERIAL ACCOUNTING POLICIES

a) Property, Plant and Equipment

(i) Recognition and measurement

The Company had applied for the one time transition exemption of considering the carrying cost on the transition date i.e. 1st April, 2016 as the deemed cost under Ind AS. Hence regarded thereafter as historical cost.

Property, Plant and Equipment are measured at cost (which includes capitalised borrowing costs) less accumulated depreciation and accumulated impairment losses, if any. The cost of an item of Property, Plant and Equipment comprises:

- a) its purchase price, including import duties and nonrefundable purchase taxes, after deducting trade discounts and rebates.
- b) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management.
- c) the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of Property, Plant and Equipment have different useful lives, then they are accounted for as separate items (major components) of Property, Plant and Equipment and depreciated accordingly. Any gain or loss on disposal of an item of Property, Plant and Equipment is recognised in Statement of profit or loss.

(ii) Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

(iii) Depreciation, Estimated useful life and estimated residual value

Depreciation is calculated using the Straight Line Method, pro rata to the period of use, taking into account useful lives and residual value of the assets. The Company depreciates its property, plant and equipment over the useful life in the manner prescribed in Schedule II to the Act and management believe that useful life of assets are same as those prescribed in Schedule II to the Act. Depreciation is computed with reference to cost or revalued value as per previous GAPP as the case may be. The assets residual value and useful life are reviewed and adjusted, if appropriate, at the end of each reporting period. Gains and losses on disposal are determined by comparing proceeds with carrying amounts. These are included in the statement of Profit and Loss.

b) Intangible Assets

(i) Recognition and measurement

Computer soft wares have finite useful lives and are measured at cost less accumulated amortisation and any accumulated impairment losses. The same are tested for impairment, if any, at the end of each accounting period.

(ii) Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, when incurred is recognised in statement of profit or loss.

(iii) Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values using the straight-line method over their estimated useful lives and is generally recognised in statement of profit or loss. Computer software are amortised over their estimated useful life or 5 years, whichever is lower. Amortisation methods, useful lives and residual values are reviewed at each reporting date and adjusted, if required.

b) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, interest rate swaps and currency options.

(i) Financial Assets

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial instruments also include derivative contracts such as foreign currency foreign exchange forward contracts, interest rate swaps and currency options.

a) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at Fair Value Through Other Comprehensive Income-[FVTOCI], or Fair Value Through Profit and Loss-[FVTPL] and - those measured at Amortised Cost.[AC]. The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

b) Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

In case of investments

i) In Equity instruments

- For subsidiaries, associates and Joint ventures - Investments are measured at cost and tested for impairment periodically. Impairment (if any) is charged to the Statement of Profit and Loss.
- For Other than subsidiaries, associates and Joint venture - Investments are measured at FVTOCI.

ii) In Mutual fund

Measured at FVTPL.

iii) In Debt instruments

The Company measures the debts instruments at Amortised Cost. Assets that are held for collection of contractual cash flows where those cash flows represent solely payment of principal and interest [SPPI] are measured at amortised cost. Gain or loss on a debt instrument that is subsequently measured at amortised cost and is not part of the hedging relationship, is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the Effective interest rate method.

c) Derecognition of financial assets

A financial asset is derecognised only when:

- The Company has transferred the rights to receive cash flows from financial asset, or
- Retains the contractual rights to receive the cash flows of the financial assets, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company has transferred an asset and has transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised.

Where the Company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained the control of the financial asset. Where the Company retains the control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

d) Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) Model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.

b) Trade receivables

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables which do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

- For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition. ECL is used to provide for impairment loss.

(ii) Financial Liabilities

a) Classification

The Company classifies its financial liabilities in the following measurement categories:

- those to be measured subsequently at FVTPL and
- those measured at Amortised Cost (AC)

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

b) Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL or AC.

All financial liabilities are recognised initially at Fair Value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments. For trade and other payables maturing within one year from the balance sheet date, the carrying amount approximate to fair value due to the short maturity of these instruments.

c) Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities designated upon initial recognition as at Fair Value Through Profit or Loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the profit or loss.

Financial liabilities designated upon initial recognition at FVTPL are designated at the initial date of recognition, only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL, Fair Value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/loss are not subsequently transferred to statement of profit or loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss.

d) Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. AC is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to interest-bearing loans and borrowings.

e) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

f) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

g) Derivative financial instruments

The Company has not entered into any transactions in derivatives.

c) Inventories

Inventories are measured at the lower of cost and net realisable value after providing for obsolescence, if any, except for realisable by-products which are measured at net realisable value. The cost of inventories is determined using the first-in first out (FIFO) method and includes expenditure incurred in acquiring inventories, production or conversion and other costs incurred in bringing them to their respective present location and condition. In the case of manufactured inventories and work in progress, cost includes an appropriate share of production overheads based on normal operating capacity. The comparison of cost and Net Realisable value is made on an item by item basis. Net realisable value is estimated selling price in the ordinary course of business, less estimated cost of completion and the estimated costs necessary to make the sale. The net realisable value of work in progress is determined with reference to selling prices of finished products.

d) Trade Receivable

Trade receivable are recognised initially at Fair Value and subsequently measured at amortised cost (AC) using the effective interest method less provision for impairment. As per Ind AS 109 the Company has applied ECL for recognising the allowance for doubtful debts. Where Company has offered extended credit period [ECP] to the debtors, the said amount is recorded at present value, with corresponding credit in the statement of profit and loss over the tenure of the extended credit period.

e) Cash and Cash Equivalent

For the purpose of presentation in the statement of the cash flows, cash and cash equivalent includes the cash on hand, deposits held at call with financial institutions other short term, highly liquid investments with original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

f) Contributed Equity

Equity shares are classified as equity. Incidental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

I) Dividends

Provision is made for the amount of any dividend declared, in the year in which it is approved by shareholders.

II) Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing Profit/(Loss) attributable to equity holders (adjusted for amounts directly charged to Reserves) before/after Exceptional Items (net of tax) by Weighted average number of Equity shares. (excluding treasury shares).

(ii) Diluted earnings per share

Diluted earnings per shares is calculated by dividing Profit/(Loss) attributable to equity holders (adjusted for amounts directly charged to Reserves) before/after Exceptional Items (net of tax) by Weighted average number of Equity shares (excluding treasury shares) considered for basic earning per shares including dilutive potential Equity shares.

g) Borrowing

Borrowings are initially recognised at Fair Value, net of transaction costs incurred. Borrowings are subsequently measured at AC. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of borrowings using the effective interest method. Processing/Upfront fee are treated as prepaid asset and netted off from borrowings. The same is amortised over the period of the facility to which it relates. Preference shares are classified as liabilities. The dividends on these preference shares, if approved, by shareholders in the forthcoming Annual General Meeting, are recognised in profit or loss as finance costs, in the year when approved. Borrowings are derecognised from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of the financial liability that has been extinguished or transferred to another party and the consideration paid including any non-cash assets transferred or liability assumed, is recognised in Statement of profit or loss as other gains or (losses). Borrowings are classified as current liabilities unless the Company has an unconditional right to defer the settlement of liabilities for at least twelve months after the reporting period. Where there is a breach of a material provision of a long term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the same is classified as current unless the lender agreed, after the reporting period and before the approval of financial statements for issue, not to demand payment as a consequence of the breach.

h) Trade and Other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid at the period end. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their Fair Value and subsequently measured at amortised cost using the effective interest method.

i) Foreign Currency Transactions

The Company has not entered into any transactions in foreign currency.

j) Revenue Recognition

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- 1 The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Group performs; or
- 2 The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- 3 The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

(i) Sale of goods

Revenue is recognised on the basis of customer contracts and the performance obligation contained therein. Revenues is recognised at a point in time when the control to the buyer of goods or services is transferred to a customer. Control lies with the customer if the customer can independently determine the use of and consume the benefit derived from a product or service. Revenue from product deliveries are recognised at a point in time based on an overall assessment of the existence of a right to payment, the allocation of ownership rights, the transfer of risks and rewards, and acceptance by the customer. The goods are often sold with volume discounts/ pricing incentives and customers have a right to return damaged products. Revenue from sales is based on the price in the sales contracts, net of discounts. Historical experience, specific contractual terms and future expectations of sales are used to estimate and provide for damage claims. No element of financing is deemed present as the sales are made with the normal credit terms as per prevalent trade practice and credit policy followed by the Company and normal credit terms.

(ii) Sale of Services

Revenue from services is recognised when agreed contractual task has been completed.

(iii) Dividend and interest income

- a) Dividend income is recognised when right to receive dividend is established.
- b) Interest and other income are recognised on accrual basis on time proportion basis and measured at effective interest rate.

(iv) Other Income

Other income is recognised when no significant uncertainty as to its determination or realisation exists.

k) Employee Benefits

(i) During Employment benefits

(a) Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Post-Employment benefits

(a) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which Company pays fixed contribution into a separate entity and will have no legal or constructive obligation to pay future amounts. The Company makes specified monthly contributions towards government administered Provident Fund scheme. Obligations for contributions to defined contribution plans are expensed as the related service is provided. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

(b) Defined benefit plans

The Company pays gratuity to the employees who have completed five years of service with the company at the time when employee leaves the Company. The gratuity is paid as per the provisions of Payment of Gratuity Act, 1972. The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the periods during which the benefit is expected to be derived from employees' services. Re-measurement of defined benefit plans in respect of post-employment are charged to Other Comprehensive Income.

For Leave Encashment Benefits the leave wages are payable to all eligible employees at the rate of daily salary/wages for each day of accumulated leave and are paid during the financial year itself. Therefore no liability is accrued at the end of the financial year for leave benefits as per practice followed by the company year to year.

(c) Termination Benefits

Termination benefits are payable when employment is terminated by the Company before the normal retirement date or when an employee accepts voluntary redundancy in exchange for these benefits. In case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than twelve months after the end of reporting period are discounted to the present value.

l) Income Tax

Income tax expense comprises current and deferred tax. Tax is recognised in statement of profit and loss, except to the extent that it relates to items recognised in the other comprehensive income or in equity. In such cases, the tax is also recognised in the other comprehensive income or in equity.

(a) Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or subsequently enacted at the Balance sheet date.

Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

(b) Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have enacted or subsequently enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period. Deferred tax is recognised to the extent that it is probable that future taxable profit will be available against which they can be used.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset only if:

- a) the Company has a legally enforceable right to set off current tax assets against current tax liabilities; and
- b) the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority on the same taxable Company.

m) Borrowing Costs

General and specific Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of that asset till the date it is ready for its intended use or sale. Other borrowing costs are recognised as an expense in the period in which they are incurred. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalisation. All other borrowing costs are charged to the statement of profit and loss for the period for which they are incurred.

n) Non- Current assets held for sale

Non-Current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and sale is considered highly probable. They are measured at lower of their (a.) carrying amount and (b.) Fair Value less cost to sell. Non-current assets are not depreciated or amortised when they are classified as held for sale.

o) Provisions and contingent liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pretax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expenses. Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

	No. of equity shares	Amount	No. of equity shares	Amount
Equity shares at the beginning of the year	33,97,500	339.75	33,97,500	339.75
Add: Equity Shares issued during the year	-	-	-	-
Equity shares at the end of the year	33,97,500	339.75	33,97,500	339.75

III The details of shareholders holding more than 5% of the equity shares of the Company as at year end are as below :

Name of shareholder	As at 31st March 2026		As at 31st March 2025	
	Number of equity shares held	Percentage holding	Number of equity shares held	Percentage holding
Ashish Dahyabhai Panchal	18,59,323	54.73%	18,59,323	54.73%
Kantaben Dahyabhai Panchal	2,49,891	7.36%	2,49,891	7.36%

IV Share holding of promoters

Particulars	As at 31st March 2026			As at 31st March 2025		
Name of Promoters	No. of equity shares held	Percentage Holding	% of Change	No. of equity shares held	Percentage Holding	% of Change
Ashish Dahyabhai Panchal	18,59,323	54.72%	-	18,59,323	54.72%	-
Kantaben Dahyabhai Panchal	2,49,891	7.35%	-	2,49,891	7.35%	-
	21,09,214			21,09,214		

V During preceding 5 years, neither any shares have been allotted for consideration other than cash, bonus shares nor any shares have been bought back. Hence these details have not been given.

ASHISH POLYPLAST LIMITED
Notes forming part of the Balance Sheet as at 31st March 2026

(Amount in lakhs)

Note No	Particulars	As at 31st March 2026	As at 31st March 2025
11	<u>Reserves and Surplus</u>		
	General reserve		
	Opening balance	6.77	6.77
	Closing balance	6.77	6.77
	Retained Earnings		
	Opening balance	325.22	301.61
	Add: Net profit after tax	13.03	24.78
	Add: Other Comprehensive Income	(1.25)	(1.16)
	Closing balance	337.00	325.22
	Total	343.77	331.99

Nature and Purpose of Reserve:

General Reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to profit or loss.

Retained Earnings:

The same is created out of profits over years and shall be utilised as per the provisions of the Act.

Risk Management framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Board of Directors. The activities of this department include management of cash resources, borrowing strategies, and ensuring compliance with market risk limits and policies.

The Company's Risk Management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk Management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Audit Committee oversees how management monitors compliance with the Company's Risk Management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

i Credit Risk

Credit Risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, investments in debt securities and loans.

Credit Risk also arises from cash held with banks, credit exposure to clients, loans and advances given. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The company assesses the credit quality of counter parties taking into account their financial position, past experience and other factors.

Other Financial Assets

The Company maintains its Cash and Cash equivalents and Bank deposits with banks having good reputation, good past track record and high quality credit rating and also reviews their credit-worthiness on an on-going basis.

Trade Receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry has an influence on credit risk assessment. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business.

The maximum exposure to Credit Risk for Trade Receivables by geographic region was as follows:

Particulars	31st March, 2026	31st March, 2025
Domestic	100.27	104.40
Outside India	-	-
Total	100.27	104.40

Summary of the Company's exposure to credit risk by age of the outstanding from various customers is as follows:

Particulars	31st March, 2026	31st March, 2025
Neither Due nor impaired	96.96	90.57
Past Due 1 - 90 Days	-	8.90
Past Due 91 - 180 Days	-	1.83
More than 180 Days	4.14	3.78
Impaired	12.97	11.95
Total	114.07	117.03

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, as per management perceptions, there is no loss on collection of receivable on reporting date and hence Provision for 10% of Trade Receivable due more than 180 Days and 20% of more than 365 days has been made as Expected Credit loss.

ii Liquidity Risk

Liquidity Risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its Financial Liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation

Exposure to Liquidity Risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

Non Derivative Financial Liabilities	Contractual Cash Flows	
	Carrying Amount 31st March, 2026	Carrying Amount 31st March, 2025
Rupee term loans from Bank	15.00	23.12
Working capital loans from Bank	135.00	-
Trade and Other Payables	65.67	50.42
Total Rs:	215.67	73.53

iii Market Risk

Market Risk is the risk that changes in market prices – such as interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. We are exposed to market risk primarily related to interest rate risk. Thus, our exposure to market risk is a function of borrowing activities. The objective of market risk management is to avoid excessive exposure in our borrowing and costs.

a) Interest Rate Risk

Interest Rate Risk is the risk that the fair value or future Cash Flows of a financial instrument will fluctuate because of changes in market interest rates.

Exposure to Interest Rate Risk

The Company's Interest Rate Risk arises from borrowings obligations. Borrowings exposes to fair value interest rate risk. The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows:-

Variable Rate Instruments	Contractual Cash Flows	
	Carrying Amount 31st March, 2026	Carrying Amount 31st March, 2025
Working capital loans from Bank	135.00	-
Auto loans from Bank	15.00	23.12
Total Rs:	150.00	23.12

Cash Flow Sensitivity Analysis For Variable-Rate Instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased (decreased) equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency exchange rates, remain constant.

Working capital loans from Bank	Profit or Loss		Equity, Net of Tax	
	100 bp Increase	100 bp Decrease	100 bp Increase	100 bp Decrease
As at 31st March, 2026	(1.35)	1.35	(1.04)	1.04
As at 31st March, 2025	-	-	-	-

b) Equity Risk

Company does not have any investments in equity. Hence Company is not exposed to such risk.

39 Capital Management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings, less cash and cash equivalents. Adjusted equity comprises all components of equity.

Particulars	As at 31st March, 2026	As at 31st March, 2025
Total Interest bearing Liabilities	150.00	23.12
Less : Cash and Cash Equivalents	48.10	23.00
Adjusted Net Debt	101.90	0.12
Total Equity	683.52	671.74
Adjusted Equity	683.52	671.74
Adjusted net debt to adjusted equity	0.15	0.00
