Summarizing the Q3 2026 business performance, Mr. Prashant Kumar, Vice President - Sales and Marketing, KSB Limited, said, "**The diverse mix of orders secured this quarter highlights KSB's strong positioning across process industries, energy, infrastructure and specialised project businesses. From petrochemical and LNG projects to refinery expansion and nuclear power applications, these orders reflect both the strength of our offerings and the confidence customers place in KSB. We remain focused on delivering the value to our customers through reliable products, technical excellence and responsive service."**

Mr. Mahesh Bhave, Chief Financial Officer at KSB Limited, commented: "Business momentum remained positive, with sales growth continuing during the first nine months of 2026. While margins remained under pressure, we continue to focus on operational efficiency, cost discipline and execution. Recent orders won in the energy sector, across both domestic and export markets, support a positive business outlook."
