Mr. Pankaj Bajaj

Chairman & Managing Director

Q1FY27 reflects a strong start to the year, marked by robust collections, accelerated project execution, healthy profitability and continued progress in strengthening the growth pipeline...

"EHIL has started FY27 on a strong note, with robust collections, accelerated project execution, healthy profitability, and continued progress in strengthening our future growth pipeline. While bookings normalized following the exceptional launch-led performance in Q4FY26, customer engagement across our projects remained healthy, supported by our established brand, execution track record, and strong market positioning in Lucknow.

On the business development front, we executed a legally binding contract for 50.3 acres of contiguous land at a highly strategic location, reinforcing our long-term growth pipeline and future development visibility."

- **Area Booked:** 1,25,917 sq. ft. in Q1FY27
- **Collections:** ₹131.2 crore in Q1FY27, up 68.2% YoY
- **Deliveries:** 52 homes delivered; 49,405 sq. ft. handed over during Q1FY27

- **Successfully launched Faith Tower at Eldeco Trinity**, spanning 146,955 sq. ft., marking another significant milestone for the project
- **Executed a legally binding contract for 50.3 acres** of contiguous land at a highly strategic location, strengthening the future development pipeline

Outlook: We remain focused on sustaining execution momentum, accelerating collections through construction-linked monetization, and advancing our forthcoming projects toward launch readiness. The addition of strategic land parcels, strong execution progress across ongoing projects, and healthy cash flow generation provide confidence in our ability to drive sustainable growth while maintaining balance sheet prudence. With a visible development pipeline and multiple monetization opportunities, we believe EHIL is well positioned to create long-term value for all stakeholders."
