Veefin Solutions Appoints Pavan Chamarty as Chief Delivery Officer

Mumbai, India – August 03, 2026 – Veefin Solutions Ltd (BSE: VEEFIN), a leading provider of digital lending and supply chain finance technology solutions, has appointed **Pavan Chamarty** as its **Chief Delivery Officer (CDO)**. He will lead the company's delivery organisation, driving operational excellence and strengthening execution as Veefin continues to scale its technology platforms globally.

Pavan brings over two decades of experience in IT delivery, having led large-scale transformation programmes for Fortune 500 clients. With extensive expertise in the Banking and Financial Services sector, he specialises in strategic programme management, business transformation and operations. During his tenure at Tech Mahindra, he held several leadership roles across delivery and customer engagement, bringing a well-rounded perspective that has earned the confidence of customers and internal teams alike.

As Chief Delivery Officer, Pavan will focus on strengthening delivery governance, establishing scalable systems and streamlining processes across scope, schedule and budget management to improve execution efficiency and customer outcomes.

Commenting on the appointment, Raja Debnath, Chairperson and Managing Director, Veefin Solutions Ltd, said:

“As Veefin continues to grow, building a scalable and process-driven delivery organisation is a strategic priority. Pavan's leadership experience and deep understanding of the Banking and Financial Services sector make him the right person to strengthen our delivery capabilities. His expertise will help us standardise execution, enhance operational efficiency and continue delivering exceptional value to our customers.”

Speaking on his appointment, Pavan Chamarty, Chief Delivery Officer, Veefin Solutions Ltd, said:

“I am delighted to join Veefin at an exciting stage of its journey. I look forward to strengthening delivery processes, building scalable execution frameworks and working with the team to consistently deliver high-quality outcomes for our customers.”
