Quarterly Sales Volumes

Total Volume of Sales and Job work was 300 MT (209 MT for Sales and Job Work 91 MT) in Q1 of 2026-27

Chandigarh, 2nd July 2026: JTL Defence Ltd. is a manufacturer of non-ferrous metal products, primarily catering to defence, electrical and industrial applications. The Company offers a diversified portfolio of copper and brass alloy strips/foils, brass, and stainless steel products.

Commenting on the sales volume update, Mr. Pranav Singla, Managing Director of JTL Defence Ltd. said:

“We have started FY27 on a strong note with sales volume of 209 MT during the quarter. Together with 91 MT of job work, our total processing volume reached 300 MT, reflecting strong operational momentum. This performance highlights the progress we are making in strengthening our manufacturing capabilities and executing our growth strategy.”

We continue to focus on expanding our presence across key industrial applications, strengthening customer relationships, and increasing the share of value-added products in our portfolio. Backed by disciplined execution and ongoing investments in our business, we are confident of building on this momentum and delivering sustainable growth in the coming quarters.”

About JTL Defence Limited
