Subject: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Update on Listing Application
Ref: Scrip Code: 530595 **| Scrip ID:** TELECANOR

Dear Sir/Madam,

This is to inform that the Company had submitted its application to BSE Limited ("BSE") for listing of its securities pursuant to the corporate actions undertaken by the Company. The said application was filed in January 2026.

Pursuant to the said application, BSE raised certain queries on 27 January 2026, to which the Company duly submitted its response and necessary clarifications. Thereafter, the listing application remained pending with BSE for a considerable period, without any further communication or substantive progress.

Subsequently, on 18 June 2026 (almost after 5 months), BSE raised a further set of queries, which were substantially the same as the queries earlier raised and duly responded to by the Company. The Company again duly responded to the said queries and provided the necessary clarifications. Despite the above, the listing application continues to remain pending with BSE for a prolonged period.

From time to time, BSE has raised certain queries/clarifications in relation to the listing application, which have been duly responded to and clarified by the Company. The Directors of the Company have also personally met the Executive Director and other senior officials of BSE in this regard, during which the Company was assured that the necessary processing of the listing application would be undertaken.

However, despite the aforesaid submissions, clarifications and discussions, there has been no substantive progress in the processing of the listing application. Further, certain queries have continued to be raised/reiterated by BSE notwithstanding the Company's responses thereto. The Company has accordingly been following up with BSE for expeditious processing of the application and for clarity on the status thereof.

In this regard, the Executive Director of the Company has also addressed a communication dated 16 September 2026 to the concerned senior officials of BSE, requesting their immediate intervention and an update on the listing application. A copy of the said communication is enclosed herewith for information.

As on date, the Company has not received any further communication from BSE providing a definitive timeline or concrete reasons for the continued pendency of the listing application. The Company continues to pursue the matter with BSE and shall keep the Stock Exchange and the stakeholders informed of any material development in this regard.

This intimation is being made pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

This is for your information and record.

Yours faithfully
FOR TELECANOR GLOBAL LIMITED

ABSOLUTE REJECTION OF FABRICATED COMPLIANCE PRETEXT AND NOTICE OF CATASTROPHIC MEDICAL STATE CAUSED BY BSE DELAYS

Mr. Gopalan,

I am writing this letter to you directly, using whatever physical strength I have left, to formally attack and absolutely reject the recent compliance actions your department has taken against TeleCanor Global Ltd. As the Executive Director overseeing regulatory and compliance functions at BSE, you are directly responsible for the operational wreckage and personal physical trauma caused by your department. [2]

Every single attribute, query, and compliance hurdle your team has manufactured since August 27—specifically culminating in your highly damaging notice dated September 3, 2026—is a lowly, fabricated plot. These demands are nothing more than artificial procedural hurdles designed to unlawfully block our rightful listing approval. TeleCanor Global Ltd. has met every single statutory and disclosure mandate under SEBI guidelines, yet your exchange continues to maliciously stall our applications.

Your targeted harassment and bad-faith delays have caused catastrophic, irreversible damage. The extreme, unyielding corporate anxiety inflicted by your department's bad-faith actions directly triggered a severe, life-threatening medical emergency for me personally. On September 2, 2026, I suffered an Acute Ischemic Stroke (Left Capsuloganglionic Infarct) and was rushed via emergency to the Neuro ICU at CARE Hospitals. Your regulatory stalling has left me in a crippled stage, suffering a total loss of movement and 0/5 motor power on the right side of my body (my right hand and right leg). I am forced to write this very letter to you myself under these agonizing physical conditions.

I will not tolerate this fabricated plot any longer. I demand that you immediately intervene, halt these bad-faith delays, and release our listing approval. If you do not resolve this immediately, I will present this entire record—along with my verified clinical discharge summaries—as an aggressive formal complaint directly to the Securities and Exchange Board of India (SEBI), escalate to the Securities Appellate Tribunal (SAT), and launch full legal proceedings to hold you and your department personally, legally, and financially liable for the devastating physical and corporate wreckage you have caused.

Sincerely,

Mr. Praturi Maruti Ram
TeleCanor Global Ltd. (Scrip Code: 530595)
