The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting during the AGM) i.e. [www.evotingindia.com](http://www.evotingindia.com).

**Facility for Remote E-voting and Voting during the meeting:**

10. Pursuant to Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Section 108 of the Companies Act 2013, and the relevant Rules, the Company has entered into an arrangement with Central Depository Services (India) Limited (CDSL) to facilitate the Members to exercise their right to vote at the Annual General Meeting through remote e-voting. The detailed process for participating in the said e-voting is furnished in heading "The instructions of Shareholders for e-voting and joining virtual meetings".
11. A person who has participated in the remote e-voting is not debarred from participating in the meeting though he/she shall not be able to vote at the meeting again and his/her earlier vote cast electronically shall be treated as final. However, as per Rule 20 of the Companies (Management & Administration) Rules, 2014, facility for voting shall also be made available at the meeting and Members who have not cast their vote by remote e-voting shall be able to exercise their right to vote at the meeting which would also be through electronic means.
12. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and the holdings should be verified.
13. The Securities and Exchange Board of India (SEBI) has mandated submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form are requested to submit their PAN details to the RTA through the web-link: <https://investors.cameoindia.com>
14. SEBI vide Circular dated 20-04-2018 mandated the Company to collect copy of PAN and Bank account details from Members holding shares in physical form. Accordingly in July 2018 individual letters were sent to those shareholders whose PAN and Bank account details were not available with the Company followed by two reminders. In spite of this, many shareholders have not come forward to provide the information. Such shareholders are requested to provide the information at the earliest to the Company/ RTA. As per the Circular the shareholders who have not furnished the information have been placed under "enhanced watch" and so their requests will be processed subject to enhanced due diligence.
15. Pursuant to proviso to Regulation 40 (1) of the Listing Regulations, effective from 1st April 2019 transfer of securities other than transmission or transposition of names are not to be processed by the Company in physical form. So, shareholders desirous of transferring their shares are requested to dematerialize their shares.
16. The documents and information to be made available for inspection by the Members during the AGM will be provided electronically through the e-voting facility of CDSL.

**THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:**

<b>Step 1</b>	: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
<b>Step 2</b>	: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins at **9:00 AM** on **07<sup>th</sup> July 2026** and ends on **09<sup>th</sup> July 2026** at **5:00 PM**. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the **cut-off date, 03<sup>rd</sup> July 2026** of may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting after 5 p.m. on 10<sup>th</sup> July 2026.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

(iv) In terms of SEBI circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

**ANNEXURE TO NOTICE**  
**EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013,**  
**DISCLOSURE UNDER REGULATION 36 (3) OF SEBI (LISTING OBLIGATIONS AND DISCLOSURE**  
**REQUIREMENTS) REGULATIONS, 2015 READ WITH SECRETARIAL STANDARD ON GENERAL**  
**MEETINGS**

**Item No. 3**

Pursuant to Section 152 of the Companies Act, 2013, Mr. N. Bhaskara Chakkerla (DIN: 02106379) retires by rotation at the ensuing Annual General Meeting and, being eligible, offers himself for re-appointment.

The Board of Directors and the Nomination and Remuneration Committee have reviewed his profile and contributions, and recommend his re-appointment for the consideration of the Members. A brief profile and other requisite details as required under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standards are provided in the Notice of the AGM.

**ITEM No. 4 to 12**

The Company is primarily engaged in the business of lending and has significant potential for expanding its lending portfolio. To facilitate this expansion, the Company is required to strengthen its financial resource base. One viable and operationally practical method of raising such funds is through borrowings from related parties. In the ordinary course of its lending business, the Company also extends loans and advances to its related parties as part of its regular commercial activities.

Given that the counterparties to these transactions qualify as related parties under Section 2(76) of the Companies Act, 2013, read with Regulation 2(zb) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the proposed transactions attract the requirements of prior shareholder approval.

The transactions proposed to be entered into include, inter alia, the following, as contemplated under Section 188(1) of the Companies Act, 2013:

- (a) **Sale, purchase, or supply of any goods or materials** — as may arise in the ordinary course of business between the Company and its related parties, on arm's length terms;
- (b) **Selling or otherwise disposing of, or buying, property of any kind** — including any transfer or acquisition of assets or interests between the Company and its related parties, as may be required in connection with the Company's business operations;
- (c) **Leasing of property of any kind** — including any lease, sub-lease, or licensing arrangements in respect of movable or immovable property entered into with related parties in the ordinary course of business; and
- (d) **Availing or rendering of any services** — including financial, managerial, administrative, or support services availed from or rendered to related parties, as may be necessary for the Company's operations.

In addition to the above, the primary transactions for which approval is sought include the borrowing of funds from related parties to support the Company's lending and business expansion activities, and the extension of loans and advances to related parties as part of the Company's regular lending operations.

At the Board Meeting held on May 6, 2026, upon the recommendation of the Audit Committee, the Board of Directors resolved to approve the conduct of related party transactions aggregating up to ₹105 Crores. Since the proposed transaction value exceeds the materiality threshold prescribed under the SEBI Listing Regulations, these transactions are classified as material related party transactions, thereby necessitating prior approval of the shareholders by way of an Ordinary Resolution — notwithstanding that they are proposed to be undertaken in the ordinary course of business and strictly on an arm's length basis.

The Board of Directors, accordingly, recommends the passing of the resolution as an **Ordinary Resolution**, authorising the Company to enter into the aforesaid contracts, transactions, and arrangements with related parties on an arm's length basis and in the ordinary course of business, in accordance with applicable provisions of the Companies Act, 2013, the SEBI Listing Regulations, and other applicable laws.

The profit for the FY 2025-26 shows an increase from ₹107.80 Lacs of previous FY 2024-25 to ₹ 200.62 Lacs. While analysing the progress made your company has kept close watch on the market developments.

### **3. STATE OF AFFAIRS OF THE COMPANY**

The financial year witnessed stable growth in the loan portfolio, prudent risk management practices, and improved asset quality. The Company continues to focus on maintaining a diversified lending portfolio, strengthening credit appraisal mechanisms and enhancing customer service through digital and operational improvements.

Despite the dynamic macro-economic conditions and regulatory changes in the NBFC sector, the Company ensured compliance with all applicable statutory and regulatory requirements and maintained a sound financial position. The management remains committed to growing the business in a sustainable and compliant manner, while creating long-term value for stakeholders.

### **4. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE**

During the year under review, the Company demonstrated steady financial growth driven by disciplined credit operations, efficient fund management, and consistent expansion of its loan portfolio. The operational efficiencies achieved through streamlined processes and prudent risk management have contributed positively to the overall profitability and financial stability of the Company.

## 6. DIVIDEND:

The Board of Directors recommend a final dividend of ₹0.60 per equity share for the Financial Year ended 2025-26. The dividend on equity shares is subject to the Shareholders' approval at the ensuing Annual General Meeting ('AGM').

## 7. MARKET SCENARIO

### (a) Regulatory Environment – Industry Structure and Developments

During FY 2025–26, the RBI intensified oversight of the NBFC sector through consolidated Master Directions (November 2025), stricter licensing assessment, and the formal establishment of the Finance Industry Development Council (FIDC) as a Self-Regulatory Organisation (SRO) in April 2025 — marking a shift towards structured, industry-led governance.

The Scale-Based Regulatory (SBR) Framework continued to classify NBFCs into four layers — Base, Middle, Upper, and Top — based on size, activity, and systemic risk. A significant milestone in FY 2025–26 was the full implementation of the 90-day NPA recognition norm for Base Layer NBFCs from March 31, 2026, aligning them with mainstream banking prudential standards.

The RBI (Co-Lending Arrangements) Directions, 2025 (effective January 1, 2026) established a unified framework for bank-NBFC co-lending, introducing a minimum 10% loan retention by each lender, mandatory Key Facts Statement (KFS) disclosures, blended interest rate transparency, and expansion of co-lending beyond the priority sector.

Your Company falls under the Base Layer and is classified as an NBFC-ICC. It has remained fully compliant with all applicable regulatory requirements, including CIC reporting, CKYC updation, IU disclosures under IBC 2016, CERSAI registrations, FIU-IND reporting under PMLA 2002, and the 90-day NPA recognition norm now applicable from March 31, 2026.

### (b) Domestic Economy in FY 2025–26

India's economy delivered strong, broad-based growth in FY 2025–26, with real GDP estimated at approximately 7.4% — up from 6.5% in FY 2024–25 — making it fast growing major economy. Growth was driven by robust domestic consumption, government capital expenditure, services sector expansion, and an above-normal monsoon supporting agriculture. The RBI progressively revised its GDP forecast upward to 7.4%, while inflation averaged approximately 2.1% — well within the 2–6% tolerance band — enabling accommodative monetary policy, with the repo rate reduced to 5.25% by February 2026.

### (c) NBFC Sector in FY 2025–26

The NBFC sector continued to expand its role in India's financial system, accounting for an estimated 19–22% of total systemic credit — a share projected to reach 22% by FY 2027–28. Credit to the services segment recorded a strong 29.8% year-on-year growth as of March 2025, outpacing other segments. The formalisation of co-lending through the 2025 Directions, record private credit inflows of USD 9 billion in H1 2025, and accelerated digital integration with CKYCR, CICs, IUs, and the Account Aggregator ecosystem collectively underscored the sector's growing institutional maturity and systemic importance.

## 8. FUTURE OUTLOOK

The NBFC sector is positioned for sustained growth, led by responsible innovation, strong governance, and rising credit demand. The RBI (Co-Lending Arrangements) Directions, 2025 represent a structural opportunity — enabling NBFCs to combine origination expertise with institutional funding to scale credit access efficiently, particularly in underserved and emerging segments. Digitalisation — through KFS automation, data analytics, and Account Aggregator integration — will continue to improve underwriting efficiency and customer experience. Green and sustainable finance is an emerging frontier, with growing demand for structured credit in renewables, energy efficiency, and clean infrastructure. NBFCs that invest in technology, governance, and collaborative lending models are well-positioned to lead the sector forward.

## 9. OPPORTUNITIES & THREATS

India's green energy transition presents significant lending opportunities in renewables, energy efficiency, EV infrastructure, and sustainable projects with stable cash flows — segments that benefit from NBFC flexibility in credit structuring. The formalised co-lending framework and rising MSME and affordable housing demand offer

further avenues for growth. However, competitive pressure from banks and digital-first fintechs is intensifying, regulatory expectations around data governance, KFS compliance, and technology standards are rising, and the tightening of bank credit to NBFCs in FY 2025–26 has added pressure on liability management. The NOF glide path — requiring ₹5 crore by March 2025 and ₹10 crore by March 2027 for NBFC-ICCs — and the full applicability of 90-day NPA norms demand stronger balance sheet and credit monitoring discipline. Long-term success will depend on sectoral depth, responsible innovation, and a rigorous risk framework.

#### **10. RISKS & CONCERNS**

The Company is exposed to credit, liquidity, and operational risks inherent to NBFC lending, heightened by the full implementation of 90-day NPA recognition norms for Base Layer NBFCs from March 31, 2026. During the year, the Company experienced a credit event in the LAP segment involving a large-ticket exposure, secured by prime real estate with over 2x collateral cover and a contractual reassignment mechanism offering strong recovery visibility. The event is isolated and well-contained, with no stress evident elsewhere in the portfolio. The Company has tightened credit assessment and collateral evaluation standards in response. Liquidity remains stable, supported entirely by flexible intra-group funding with no external debt obligations, eliminating refinancing risk. Macro risks — including global trade fragmentation and geopolitical tensions — are monitored for their potential impact on borrower cash flows and collateral values. Internal controls, conservative leverage, and sector-specific credit discipline underpin the Company's risk preparedness.

#### **11. FUTURE PLANS**

The Company plans to expand its loan portfolio with a focus on cash flow-based, sustainable finance — including green energy, energy efficiency, and EV infrastructure projects with stable, verifiable revenue streams. Co-lending partnerships under the RBI (Co-Lending Arrangements) Directions, 2025 will be actively pursued to scale credit delivery responsibly while retaining operational control and credit discipline. To support growth, the Company proposes to raise equity capital of up to ₹50.00 crore through a Rights Issue or other approved modes, and to secure financing on eligible portfolios from banks and development financial institutions. Investment in digital compliance infrastructure — including KFS automation, co-lending technology readiness, and portfolio analytics — will accompany these strategic initiatives, positioning the Company as a governance-driven NBFC focused on sustainable, inclusive, and long-term value creation.

#### **12. DISCLOSURE OF ACCOUNTING TREATMENT**

There has been no deviation in the accounting treatment followed by the Company during the year from the prescribed Accounting Standards notified under the Companies Act, 2013. Accordingly, no alternative accounting treatment, differing from that prescribed in the applicable Accounting Standards, has been adopted in the preparation of the financial statements. The financial statements present a true and fair view of the state of affairs and performance of the Company.

#### **13. COMPLIANCE AND REGULATORY**

During the year under review, the Company has complied with all the prudential norms, regulations and guidelines prescribed by RBI applicable to NBFCs and the laws, regulations, circulars, notifications as required under the Companies Act, 2013, all the applicable SEBI Regulations, tax laws and other regulatory provisions.

#### **14. TRANSFER TO RESERVES**

According to the provisions of section 45-IC of the RBI Act, 1934, non-banking financial companies (“NBFCs”) are required to transfer a sum not less than 20% of its net profit every year to reserve fund before declaration of any dividend. Accordingly, the Company has transferred a sum of ₹ 40.12 Lacs to the statutory Reserves during the under review.

#### **15. CASH FLOW STATEMENT**

## INDEPENDENT AUDITORS' REPORT

To the Members of Indus Finance Limited

### Report on the audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of **Indus Finance Limited** (“the Company”), which comprise the balance sheet as at 31 March 2026, the statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS') and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit, total other comprehensive income/(expense), the changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How the matter was addressed in our audit
<p><b>Impairment of financial assets as on 31/03/2026</b>  <b>(Expected Credit Loss)</b>            (Refer note 4 of the financial statements)</p> <p>Ind AS 109 relating to “Financial Instruments” requires the company to provide for impairment of its financial assets using the expected credit loss (ECL) approach.</p> <p>The Company has recognized impairment loss allowance of <b>Rs. 66.82</b> lakhs as at 31 March 2026. This involves management's judgement in the calculation of impairment allowance which has a significant impact on the financial statements.</p> <p>Management is required to determine the expected credit loss that may occur over either a 12-month period or the remaining life of an asset, depending on the categorisation of the individual asset.</p> <p>The key areas of judgement include:</p> <ol style="list-style-type: none"> <li>1. Categorisation of loans in Stage 1, 2 and 3 based on identification of:               <ol style="list-style-type: none"> <li>(a) exposures with significant increase in credit risk ('SICR') since their origination</li> <li>(b) Individually impaired / default exposures and</li> <li>(c) Valuation of the property provided as security</li> </ol> </li> <li>2. Determination of Loss Given Default ('LGD') and Probability of Default ('PD') to calculate ECL based on standard value as adopted.</li> <li>3. The impact of different future macroeconomic conditions in the determination of ECL.</li> </ol> <p>These judgements required the models to be reassessed including the impact of Covid -19 pandemic to measure the ECL. The extent to which the COVID-19 pandemic will impact the Company's current estimate of impairment loss allowances is dependent on future developments, which are highly uncertain at</p>	<p>Our audit procedures included the following:</p> <p>Read and assessed the company's accounting policies for impairment of financial assets and their compliance with Ind AS 109.</p> <ol style="list-style-type: none"> <li>1. Assessed the approach of the Company for categorisation of loans into various stages. Tested a sample of performing (stage 1) assets to assess whether any SICR or loss indicators were present requiring them to be classified under stage 2 or 3.</li> <li>2. Analysed the valuation reports of the property secured against the loans with respect to categorisation of loans.</li> <li>3. Engaged our team to review management's approach for calculating ECL and assess the key assumptions i.e., probability of default (PD) and loss given default (LGD) used to determine ECL.</li> <li>4. Performing test of details over calculation of ECL for assessing the correctness of the same.</li> <li>5. Assessed the progress in settlement with the financial creditors of the associate company, assessed the reason for qualification by the previous auditor and availability of option for liquidity of its investments in the open market.</li> <li>6. Assessed whether the disclosures on key judgements, assumptions and quantitative data with respect to impairment loss allowance in the financial statements are appropriate and sufficient.</li> </ol> <p>As a result of the above audit procedure, no material differences were noted.</p>

<p>this point. Given the size of loan portfolio relative to the balance sheet and the impact of impairment allowance on the financial statements, we have considered this as a key audit matter.</p>	
<p><b>Assessment of carrying value of equity Investments in Associates and fair value of other investments as on 31/03/2026</b> (Refer note 5 of the financial statements)</p> <p>The Company has equity investments in its associates and other companies.</p> <p>The Company accounts for equity investments in associates and other investments at fair value.</p> <p>The Company has investment in its associate company to the tune of Rs.208.55 lakhs at book value.</p> <p>For investments carried at fair values, a fair valuation is done at the year-end as required by Ind AS 109.</p> <p>The accounting for investments is a Key Audit Matter as the determination of recoverable value for impairment assessment/fair valuation involves significant management judgement and estimates such as future expected level of operations and related forecast of cash flows, market conditions, discount rates, terminal growth rate etc.</p>	<p>Our audit procedures included the following:</p> <ol style="list-style-type: none"><li>1. Obtained an understanding from the management, assessed and tested the design and operating effectiveness of the Company's key controls over the impairment assessment and fair valuation of material investments.</li><li>2. Evaluated the Company's process regarding impairment assessment and fair valuation by involving auditor's valuation experts, as applicable to assist in assessing the appropriateness of the valuation model including the independent assessment of the underlying assumptions relating to discount rate, terminal value etc.</li><li>3. Assessed the carrying value/fair value calculations of all individually material investments, where applicable, to determine whether the valuations performed by the Company were within an acceptable range determined by us and the auditor's valuation experts.</li><li>4. Assessed the progress in settlement with the financial creditors of the associate company, assessed the reason for qualification by the previous auditor and availability of option for liquidity of its investments in the open market.</li><li>5. Checked the mathematical accuracy of the impairment model and agreed the relevant data on sample basis with the latest budgets, actual past results and other supporting documents.</li><li>6. Evaluated the adequacy of the disclosures made in the Financial Statements.</li></ol> <p>Based on the above procedures performed, we did not identify any significant exceptions in the management's assessment in relation to the carrying value of equity investments in associates and fair value of other investments.</p>

### **Information other than the financial statements and auditor's report thereon**

The Company's Management and Board of directors are responsible for the preparation of other information. The other information comprises Board's Report, Report on Corporate governance and Business responsibility report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that we have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Company's Management and Board of Directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of financial position, financial performance including other comprehensive income/(expense), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

- (1) As required by the Non-Banking Financial Companies Auditor's Report (Reserve Bank) Direction, 2016, issued by the Reserve Bank of India, in exercise of the powers conferred by sub-section (1A) of Section 45MA of the Reserve Bank of India Act, 1934, we give in the "Annexure A", an additional Audit Report addressed to the Board of Directors containing our statements on the matters specified therein.
- (2) As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (3) As required by Section 143(3) of the Act, based on our audit, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2(i)f below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
  - (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act.

- (e) On the basis of the written representations received from the directors as on 31 March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the company and the operating effectiveness of such controls, refer to our separate Report in “Annexure C”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and according to information and explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - a. The Company does not have any other pending litigations which would impact its financial position except the issues disclosed appropriately;
  - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
  - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company;
  - d. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts
    - i. no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities 'Intermediaries', with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - ii. no funds have been received by the company from any person(s) or entity(ies), including foreign entities 'Funding Parties', with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party 'Ultimate Beneficiaries' or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- iii. Based on audit procedures carried out by us, that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
- e. As per information and explanation represented by Management and based on the records of the Company, the dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.

The Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with Section 123 of the Act, as applicable.

- f. Based on our examination which included test checks, the company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2026 which have a feature of recording audit trail (edit log) facility and the same has operated through the year for all relevant transactions recorded in the software systems. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

**Annexure “B” to the Independent Auditor's Report**

**(Referred to in paragraph 1 under 'Report on other legal and regulatory requirements' section of our report to the members of M/s. Indus Finance Limited of even date)**

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) In respect of the Company's property, plant and equipment:
  - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
  - (B) The Company does not have any intangible assets.
  - (b) The Property, plant & equipment have been physically verified by the management in accordance with a regular programme of verification at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
  - (c) According to the information and explanations given to us and the records examined by us, the Company does not hold any immovable properties of land and building as at the balance sheet date.
  - (d) The Company has not revalued its property, plant and equipment (including right of use asset) during the year. Accordingly, reporting under clause 3(i)(d) of the Order is not applicable.
  - (e) In our opinion and according to the information and explanations given to us, there are no proceedings initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. Accordingly, reporting under clause 3 (i)(e) of the Order is not applicable.
- (ii)
  - (a) The company is in the business of giving loans and as such does not have any inventory. Accordingly, reporting under clause 3(ii)(a) of the Order is not applicable.
  - (b) The Company has not been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets at any point of time during the year. Accordingly, reporting under clause 3 (ii) (b) of the Order is not applicable.
- (iii)
  - (a) The Companies principal business is to give loans and accordingly, reporting under clause 3 (iii) (a) of the Order is not applicable.
  - (b) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the terms and conditions of loans and advances in the nature of loans granted by the company to other parties (loans and advances in the nature of loans balance outstanding as at balance sheet date Rs 50.87 lakhs) are prejudicial to the

company's interest on account of the fact that the loans have been granted at nil rate of interest per annum which is not at prevailing yield of government security closest to the tenor of the loan. The investments made are, prima facie, not prejudicial to the interest of the Company. The Company has not provided any guarantee or security, secured and unsecured, to companies, firms, Limited Liability Partnerships or any other parties.

- (c) According to information and explanation given to us, in respect of the loans and advances in the nature of loans, schedule of repayment of principal and payment of interest have not been stipulated with respect to the loans and advances in the nature of loans balance outstanding as at balance sheet date Rs 394.11 lakhs. In the absence of stipulation of repayment terms, we are unable to comment on the regularity of repayment of principal or payment of interest.

In respect of the loans where the schedule of repayment of principal and payment of interest is stipulated but repayment of principal or payment of interest is not regular for 2 cases.

- (d) The total amount overdue for more than ninety days, in respect of loans and advances in the nature of loans, as at year end is Rs 394.11 lakhs before provision for loss allowances. Reasonable steps are being taken by the company for recovery of the principal and interest.
- (e) The Companies principal business is to give loans and accordingly, reporting under clause 3 (iii) (e) of the Order is not applicable.
- (f) In our opinion and according to information and explanation given to us, the company has granted the loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment aggregating to **Rs 394.11 lakhs** (15.80% to the total gross loans and advances in the nature of loans). The aggregate of loans granted to Promoters, related parties as defined in clause (76) of section 2 of the Companies Act, 2013 is Nil.

**Annexure “C” to the Independent Auditor's Report**

(Referred to in paragraph 2 (f) under 'Report on other legal and regulatory requirements' section of our report to the Members of Indus Finance Limited of even date)

**Report on the Internal Financial controls over Financial Reporting under clause (i) of sub - section 3 of section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Indus Finance Limited (“the Company”) as at March 31, 2026, in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's responsibility for Internal Financial controls**

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those standards and the guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement in the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

### **Meaning of internal financial controls over financial reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent limitations of internal financial controls over financial reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **1 Company Information**

The company was incorporated as a private limited company on 11th March 1992 and was converted into public limited company U/s 44 of the Companies Act, 1956 on 29th March, 1994. The object of the company is to carry on business as "Non - Banking Finance Company". The Registered Office of the Company is located at Kothari building, 4th Floor, No.114, Mahatama Gandhi Salai, Nungambakkam, Chennai - 600 034. The Company has been registered with Reserve Bank of India as "Non - Banking Finance Company" on 5th May 1998 vide Registration No. B-07-00068.

## **2 Summary Of Significant Accounting Policies**

### **2.1 Statement of compliance and basis for preparation and presentation of financial statements**

These standalone or separate financial statements of the Company have been prepared in accordance with the Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules 2015 as amended and notified under Section 133 of the Companies Act, 2013 ("the Act"), in conformity with the accounting principles generally accepted in India and other relevant provisions of the Act. Any application guidance/ clarifications/ directions issued by RBI or other regulators are implemented as and when they are issued/ applicable.

### **2.2 Functional and presentation currency**

These financial statements are presented in Indian Rupees ('INR' or 'Rs.') which is also the Company's functional currency. All amounts are rounded-off to the nearest lakhs, unless otherwise indicated.

### **2.3 Basis of measurement**

The financial statements have been prepared on the historical cost basis except for certain financial instruments which are measured at fair values.

### **2.4 Measurement of fair values**

A number of Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities. The Company has established policies and procedures with respect to the measurement of fair values. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

### **2.5 Use of estimates and judgements and Estimation uncertainty**

In preparing these financial statements, management has made judgements, estimates for the year ended 31 March 2023 and assumptions that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income, expenses and the disclosures of contingent assets and liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were issued. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Following are areas that involved a higher degree of estimate and judgement or complexity in determining the carrying amount of some assets and liabilities.

#### **Impairment of Financial Assets**

The measurement of impairment losses on loan assets and commitments, requires judgement, in estimating the amount and timing of future cash flows and recoverability of collateral values while determining the impairment losses and assessing a significant increase in credit risk.

The Company's Expected Credit Loss (ECL) calculation is the output of a complex model with a number of underlying assumptions regarding the choice of variable inputs and their interdependencies. Elements of the ECL model that are considered accounting judgements and estimates include:

- The Company's criteria for assessing if there has been a significant increase in credit risk
- The segmentation of financial assets when their ECL is assessed on a collective basis
- Development of ECL model, including the various formulae and the choice of inputs
- Selection of forward-looking macroeconomic scenarios and their probability weightings, to derive the economic inputs into the ECL model
- It has been the Company's policy to regularly review its model in the context of actual loss experience and adjust when necessary

The company adopts the policy of taking atleast 200% of loan amount as security value. Normally the same is ascertained with prevailing guideline value and the present market rate as per the latest registration in the locality. In the case of large property, company obtain valuation report from a approved valuer from the locality.

**Indus Finance Limited**  
**Notes to Financial Statements for the year ended March 31, 2026**

**Provisions and other contingent liabilities**

The reliable measure of the estimates and judgements pertaining to litigations and the regulatory proceedings in the ordinary course of the Company's business are disclosed as contingent liabilities. Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

**2.6 Revenue recognition:**

**Recognition of interest income on loans**

Interest income is recognised at the rate sanctioned in accordance with the loan agreement on the outstanding balance of the loan in proportion to the time period for which the loan was outstanding.

**Dividend, bonus and income on investments:**

- Dividends are recognised in Statement of profit and loss only as and when receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company and the amount of the dividend can be measured reliably.
- In the case of keyman insurance policies, bonus is recognised in statement of profit and loss only on yearly basis.
- Income from investments is recognised when it is certain that the economic benefits will flow to the Company and the amount of income can be measured reliably.

**2.7 Property, Plant and Equipments (PPE)**

PPE are stated at cost of acquisition (including incidental expenses), less accumulated depreciation and accumulated impairment loss, if any.

The carrying amount of an item of property, plant and equipment shall be derecognised: (a) on disposal; or (b) when no future economic benefits are expected from its use or disposal.

The gain or loss arising from the derecognition of an item of property, plant and equipment shall be included in profit or loss when the item is derecognised (unless Ind AS 17 requires otherwise on a sale and leaseback). Gains shall not be classified as revenue.

Depreciation on PPE is provided on straight-line basis in accordance with the useful life specified in Schedule II to the Companies Act, 2013 on a pro-rata basis.

**2.8 Investments in subsidiaries and associates**

Investments in subsidiaries and associate are measured at cost, if any.

**2.9 Financial instruments :**

**a] Recognition and initial measurement -**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at FVTPL) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at FVTPL are recognised immediately in Statement of profit and loss.

**b] Classification and Subsequent measurement of financial assets-**

On initial recognition, a financial asset is classified as measured at - Amortised cost; - FVOCI - equity instruments; - FVTPL

**Amortised cost -**

The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios being the level at which they are managed. The financial asset is held with the objective to hold financial asset in order to collect contractual cash flows as per the contractual terms that give rise on specified dates to cash flows that are solely payment of principal and interest (SPPI) on the principal amount outstanding. Accordingly, the Company measures Bank balances, Loans, Trade receivables and other financial instruments at amortised cost.

**FVOCI - equity instruments -**

The Company subsequently measures all equity investments at fair value through profit or loss, unless the Company's management has elected to classify irrevocably some of its equity instruments at FVOCI, when such instruments meet

**Indus Finance Limited**  
**Notes to Financial Statements for the year ended March 31, 2026**

the definition of Equity under Ind AS 32 Financial Instruments and are not held for trading. Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets. All financial assets not classified as measured at amortised cost or FVOCI are measured at FVTPL.

**Subsequent measurement of financial assets**

For equity investments, the Company makes an election on an instrument-by-instrument basis to designate equity investments as measured at FVOCI. These elected investments are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserves. The cumulative gain or loss is not reclassified to Statement of profit and loss on disposal of the investments. These investments in equity are not held for trading. Instead, they are held for strategic purpose. Dividend income received on such equity investments are recognised in Statement of profit and loss.

Equity investments that are not designated as measured at FVOCI are designated as measured at FVTPL and subsequent changes in fair value are recognised in Statement of profit and loss.

Financial assets at FVTPL are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in Statement of profit and loss.

**c] Financial liabilities and equity instruments**

**Classification as debt or equity -**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

**Equity instruments -**

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by Company are recognised at the proceeds received. Transaction costs of an equity transaction are recognised as a deduction from equity.

**Financial liabilities -**

Financial liabilities are classified as measured at cost. Other financial liabilities are subsequently measured at cost. Interest expense and foreign exchange gains and losses are recognised in Statement of profit and loss. Any gain or loss on derecognition is also recognised in Statement of profit and loss.

**d] Offsetting**

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

**e] Impairment of financial instruments**

Equity instruments are not subject to impairment under Ind AS 109.

The Company recognises lifetime expected credit losses (ECL) when there has been a significant increase in credit risk since initial recognition and when the financial instrument is credit impaired. If the credit risk on the financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12 month ECL. The assessment of whether lifetime ECL should be recognised is based on significant increases in the likelihood or risk of a default occurring since initial recognition. 12month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date.

When determining whether credit risk of a financial asset has increased significantly since initial recognition and when estimating expected credit losses, the Company considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, including on historical experience and forward-looking information. (refer note 15)

**f] Write offs -**

The gross carrying amount of a financial asset is written off when there is no realistic prospect of further recovery. This is generally the case when the Company determines that the debtor/borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in Statement of profit and loss.

**2.10 Employee benefits:**

The Company has not formulated any policy for employee benefits, including Provident Fund, ESI or Gratuity.

**2.11 Finance costs :**

**Indus Finance Limited**  
**Notes to Financial Statements for the year ended March 31, 2026**

Finance costs include interest expense computed by applying the contracted interest rate on respective loans. Finance costs are charged to the Statement of profit and loss.

**2.12 Taxation - Current and deferred tax:**

Income tax expense comprises of current tax and deferred tax. It is recognised in Statement of profit and loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

**a] Current tax :**

Current tax comprises amount of tax payable in respect of the taxable income or loss for the year determined in accordance with Income Tax Act, 1961 and any adjustment to the tax payable or receivable in respect of previous years. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

**b] Deferred tax :**

Deferred tax assets and liabilities are recognized for the future tax consequences of temporary differences between the carrying values of assets and liabilities and their respective tax bases. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequence that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets are recognized to the extent that it is probable that future taxable income will be available against which the deductible temporary difference could be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

**2.13 Provisions :**

Provisions are recognised when there is a present obligation as a result of a past event, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

**2.14 Cash and cash equivalents:**

Cash and cash equivalents in the balance sheet comprise cash on hand, cheques and drafts on hand, balance with banks in current accounts and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of change in value.

**2.15 Earnings Per Share :**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period, if any. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, sub-division of shares etc. that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders is divided by the weighted average number of equity shares outstanding during the period, considered for deriving basic earnings per share and weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

## Indus Finance Limited

### Notes to Financial Statements for the year ended March 31, 2026

(All amounts are in lakhs of Indian Rupees, unless otherwise stated)

#### 25 Capital Management

The primary objective of the Company's capital management policy is to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximize shareholder value.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions and requirements of the financial covenants. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

Ratio	Current Year	Previous Year
Capital to risk-weighted assets ratio (CRAR)	66.96%	52.98%
Tier I CRAR	65.54%	51.60%
