Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MANAGEMENT DISCUSSION AND ANALYSIS

A) INDUSTRY STRUCTURE AND DEVELOPMENT:

Hon. Shri. Dadasaheb Rawal was on a world tour where he visited several agro-based industries in America and found a corn refining industry that could be suitable for his hometown. In 1973 he along with his sons started a small 60 Ton/Day starch plant in Dondaicha. Ever since its establishment, the company has successfully enhanced the production capacity of Maize Refining from 60 MTS to 750 MTS per day. Your Company has entered its 53rd year of operation and is a leading Producer of Starch based Products in India and has a plant at Rawal Industrial Estate, Dada Nagar, Dondaicha, Dist. Dhule. M/s. Universal Starch-Chem Allied Ltd., Has achieved remarkable milestones during the history of the last 53 years since its incorporation in 1973. The Company has successfully enhanced the production capacity of Maize Refining. The company product range has been successfully expanded to cater for the requirements of various sectors which include; Food, Pharmaceutical, Textile, Paper & Adhesive industries. The collective effort of different teams like Marketing, R & D, Engineering & Production has helped in several of the new product launches. The company was awarded by the Organization of Pharmaceutical Producers of India as the "Best Vendor" in the category of "Excipient Supplier" for the year 1998-99.

Our ownership structure provides us with the stability to invest in businesses that we believe in and to support the growth of those businesses over the long term. Our growth has been mostly organic, achieved through investment in marketing, development of existing and new products & technologies, and capital expenditure to improve efficiency and expand capacity.

B) OPPORTUNITIES, THREATS, RISKS, AND CONCERNS:

Opportunity: Today, Like any other sector of the economy, only happy and rewarded employees will be productive employees. After making handsome profit from the starch and animal feed this year, farmers will invest more money in new technologies and hybrid seeds to grow more maize. In the next two years, we expect 30% more farmers will grow maize or will switch from other crops to maize. Since the industry is in expansion mode, there will be huge demand for maize over the next three years.. The major raw material for the Indian starch and starch derivative market is maize and maize-derived starch is the most preferred substitute raw materials, like potato and tapioca, recording a high and efficient yield, along with high availability in all the seasons of India. The Indian starch and starch derivatives market is competitive in nature having a large number of domestic and multinational players competing for market share. Modified starches are used for functions such as thickening, stabilizing, binding, and emulsification. Apart from food products, it is also used in a wide range of non-food applications and the animal feed industry.

Threats: - The industry faces major threats on the raw material front as Maize being basic raw material, which is an

agriculture produce. The availability and price of Maize remain very volatile as its production/cultivation is subject to natural vagaries. The industry's raw material being agricultural in nature is subject to price fluctuations as well as production uncertainty. The industry is also faced with challenges like growing competition in the sector. The price of Maize and all other input costs may go up further in view of monsoon, which may affect the margins of the industry. A few reasons for dampened growth include volatile raw material supply, the competitive need for bio-energy as well as the relationship between oil prices and agricultural raw materials. The main reason why the good potential for corn starch in India remains untapped is because there is a legal restriction related to the use of modified starches in the country.

Risk and concern:- The Company identifies all type of risk at an early stage which helps it to control them better. The risks are normally perceived from Price fluctuation, government policies, market competition, and retention of manpower. Following are the main risks associated with the Starch Industry 1. Risk relating to increased competition in Starch Industry , 2. Risk relating to decrease in demand , 3. Risk relating to scarcity/ quality of raw materials, 4. Geographic presence is required for growth, 5. Change in environment regulations. A few reasons for dampened growth include volatile raw material supply, the competitive need for bio-energy as well as the relationship between oil prices and agricultural raw materials.

C) INTERNAL CONTROL SYSTEM:

The Company has in place adequate internal control systems and procedures commensurate with the size and nature of its business. These systems and procedures provide reasonable assurance of maintenance of proper accounting records, reliability of financial information, protection of resources and safeguarding of assets against unauthorized use. The Company has appointed a firm of Chartered Accountant as Internal Auditors and has an effective internal control system to ensure that all the transactions are properly executed and recorded. The internal auditors conduct audits of various departments based on an annual audit plan. The planning and conduct of internal audits are oriented towards the review of controls in the management of the company's activities. The internal auditors report significant audit observations to the Audit Committee of the Board of Directors. The committee meets at regular intervals during the year to review audit observations and follow-up implementation of corrective actions. The committee also discusses with the company's statutory Auditors to ascertain their views of adequacy of internal control systems in the Company. The Committee submits its observations to the Board of Directors.

D) HUMAN RESOURCE & DEVELOPMENT.

We live and breathe our values through the work we do every day, from investing in the health and safety of our employees, to promoting diversity and respecting human rights. Our values are respecting every ones dignity, acting with integrity, progressing through collaboration and delivering with diligence. Various HR initiatives are taken to align HR policies to the growing requirements

of the business. The Company has strengthened the deployment of high quality employees in key functions, through continuous in-house training and development programmes. The Company firmly believes that in-house human capital development will see organizations through success in today's highly competitive global environment. The company's continuing focus on human resources will help it to create and retain critical skills and scale up to meet the market demand. During the year under review, the industrial relations with the workman at various units of the company were by and large peaceful and cordial.

E) DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE.

Your Company's Total Sales and Other Income for the year amounting to Rs. **49,009.21** Lacs as compared to Rs. **49,238.74** Lacs of last year. The profit before tax for the year under review stood at Rs. **1821.08** Lacs as compared to profit of Rs. **427.28** Lacs in 2024-2025.

F) BUSINESS OUTLOOK:

The market is majorly driven by the abundant availability of raw materials from which starch is derived, low production costs incurred by the manufacturers, and the presence of many new players in the market. Also, the market is highly impacted by the export-import factors, which add high value to the revenue. Due to high production and less consumption of starch and starch derivatives in India, exports contribute, to a larger extent, to the growth of the market studied. In addition, the functional properties possessed by starch derivatives have also been instrumental in promoting their use in the pharmaceutical, cosmetic, and bioethanol industries.

G) SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company is engaged in developing, manufacturing, and distributing Maize Starch Powder, White Dextrin, Pregelatinized Starch, Modified Starch, Liquid Glucose, Dextrose Syrup, Dextrose Monohydrate, Dextrose Anhydrous, Maize Germ, Maize Glutten, Maize Husk as its bye products in the market.

The Total Sales of the Main products and Bye products of the company is Rs. 49,009.21 Lacs as compared to Rs. 49,238.75 Lacs for the previous year.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF

Universal Starch-Chem Allied Limited

Report on the Audit of the Financial Statements

OPINION

We have audited the accompanying financial statements of **Universal Starch-Chem Allied Limited** (the "Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended and notes to the Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("IndAS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	Net realizable value of Finished Goods Finished goods inventory are valued at lower of cost and net realizable value (estimated selling price less estimated cost to sell). Considering that there is always a volatility in the selling price of maize starch ("commodities"), which is dependent upon various market conditions, determination of the net realizable value for these commodities involves significant management judgement and therefore has been considered as a key audit matter. The total value of finished goods (commodities) as at 31 March, 2026 is Rs.578.90 lakhs. Also refer to Note 2 (I) for the accounting policy on valuation of finished goods.	Principal Audit Procedures 1. Obtained an understanding of the determination of the net realizable values of the commodities and assessed and tested the reasonableness of the significant judgements applied by the management. 2. Evaluated the design of internal controls relating to the valuation of finished goods (including commodities) and also tested the operating effectiveness of the aforesaid controls. 3. Compared the actual realization after the year end / latest realization to assess the reasonableness of the net realisable value that was estimated and considered by the management. 4. Compared the actual costs incurred to sell after the year end / based on the latest sale transaction to assess the reasonableness of the cost to sell that was estimated and considered by the management. 5. Compared the cost of the finished goods with the estimated net realisable value and checked if the finished goods were recorded at net realisable value where the cost was higher than the net realisable value. 6. Assessed the appropriateness of the disclosure in the financial statements in accordance with the applicable financial reporting framework.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Chairman's report Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a no material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

MANAGEMENT'S RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 3(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Universal Starch-Chem Allied Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Universal Starch-Chem Allied Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. However efforts for further strengthening the internal control is needed.
