**Sub: Disclosure under Reg 30 of SEBI LODR Regulation 2015 - Clarification regarding inadvertent error in Shareholding Pattern disclosed in EGM Notice dated January 17, 2026:**

**Ref: GTT Data Solutions Ltd/ISIN: INE959B01017/Scrip Code 530457**

Dear Sir/Madam,

With reference to the above-captioned subject, we wish to bring to your kind attention that an inadvertent error occurred in the shareholding pattern disclosed in **Annexure A** forming part of the Explanatory Statement accompanying the Extraordinary General Meeting Notice ("EGM Notice") dated January 17, 2026, submitted by the Company to the Stock Exchange.

The error pertains solely to the classification of **M/s. Sangli Miraj Commercial Ventures Private Limited ("Proposed Allottee")**, which forms part of the **Promoter Group** of the Company. Owing to an inadvertent clerical/compilation error while preparing the shareholding pattern included in the EGM Notice, the aforesaid entity was inadvertently reflected under the **Public Shareholding Category** instead of the **Promoter and Promoter Group Category**.

The Company wishes to clarify that the aforesaid error is limited only to the presentation/classification of the said shareholder in the illustrative shareholding pattern contained in the Explanatory Statement to the EGM Notice and does not affect:

1. The total paid-up share capital of the Company and the voting rights attached to the Equity shares;
2. The aggregate shareholding of the Company or **M/s. Sangli Miraj Commercial Ventures Private Limited ("Proposed Allottee")**
3. The outcome or validity of any resolution proposed in the EGM Notice;
4. the validity of the notice, the proceedings of the Extraordinary General Meeting held pursuant thereto or the resolutions approved by the shareholders; or
5. Any other material information contained in the EGM Notice.

Since the Extraordinary General Meeting has already been convened and concluded, issuance of a corrigendum to the EGM Notice is not feasible. Accordingly, in the interest of maintaining complete transparency and ensuring that the correct information is available in the public domain, the Company is making this disclosure under Regulation 30 of the SEBI (LODR) Regulations, 2015 and placing the corrected shareholding pattern on record.

The Company confirms that this disclosure is purely clarificatory in nature and is intended only to rectify the above classification error. All other disclosures, statements and information contained in the EGM Notice remain unchanged and continue to be valid. The Company regrets the inadvertent error and has strengthened its internal review and verification processes to prevent recurrence of similar errors in future disclosures.

The corrected shareholding pattern before and after the proposed preferential issue is reproduced below:
