Management Comment:

Commenting on the results, **Lancy Barboza, CEO & Managing Director, Flomic Global Logistics Ltd said:**

"Q2 FY27 marked another strong quarter for Flomic, building on the positive momentum witnessed at the beginning of the financial year. During the quarter, we reported Revenue from Operations of ₹15,565.43 lakh, EBITDA of ₹1,693.81 lakh and PAT of ₹432.45 lakh. Revenue grew 36.87% YoY, while EBITDA increased 90.00% YoY, with EBITDA margin improving to 10.88% from 7.84% in Q2 FY26.

We maintained our positive profitability trajectory, supported by improved operating performance and disciplined cost management. Our diversified service portfolio, supported by our asset-light business model, continues to provide a strong foundation for growth. During the quarter, we strengthened our Bhiwandi warehousing capabilities through a new multi-tier storage structure, adding 15,000 sq. ft. of storage area. We also expanded pallet-racking capacity by over 2,000 positions, catering to growing demand from quick commerce and FMCG customers.

Looking ahead, we remain positive about the long-term prospects of the logistics industry, supported by India's manufacturing, trade and export growth. We will continue to focus on expanding our integrated logistics platform, strengthening our warehousing and specialised logistics capabilities, deepening customer relationships and driving sustainable, profitable growth through disciplined execution."
