**MEDIA RELEASE**

**ERAAYA LIFESPACES LIMITED RENAMED AS EBIX LIMITED, MARKING A NEW CHAPTER OF GLOBAL GROWTH AND SHAREHOLDER VALUE CREATION-** *Corporate Rebranding Aligns the Company with Its Global Operating Platform and International Brand Identity*

**New Delhi, June 18, 2026:** Eraaya Lifespaces Limited ("the Company") today announced that it has formally changed its name to **Ebix Limited**, following receipt of all requisite approvals from the Ministry of Corporate Affairs.

The renaming marks a defining milestone in the Company's evolution and reflects the successful completion of a transformational journey that began with the acquisition of Ebix Inc. and its global subsidiaries. Over the past two years, the Company has evolved into a globally integrated technology-led enterprise with operations, customers, and strategic relationships spanning multiple international markets.

Today, the Ebix businesses form the foundation of the Company's operating platform and growth strategy. The adoption of the Ebix name aligns the Company's corporate identity with the scale, character, and global reach of its business while establishing a unified brand across its international operations.

The Ebix brand is internationally recognized for its strong market presence, long-standing customer relationships, and technology leadership across multiple geographies. By bringing its corporate identity under a single globally recognized brand, the Company aims to strengthen market positioning, enhance stakeholder engagement, improve brand visibility, and support the execution of its long-term strategic objectives.

With its global platform firmly established, Ebix Limited is now focused on accelerating business growth, enhancing operational efficiencies, driving synergies across its international operations, and unlocking the full value potential of its diversified global portfolio. The rebranding signals the commencement of this next phase of growth, integration, optimization, and long-term value creation.

Commenting on the commencement of this new chapter, the Company stated:

*"This rebranding marks the natural culmination of our transformation into a globally integrated enterprise. The Ebix name brings together our operations, capabilities and ambitions under a single internationally recognized identity.*

*As we enter this new chapter, our focus remains firmly on disciplined execution, sustainable growth and the creation of enduring value for all stakeholders."*

The renaming does not affect the Company's legal status, corporate structure, or existing rights and obligations. All business operations, contractual arrangements, licenses, approvals, and commitments will continue seamlessly under the name Ebix Limited.

**About Ebix Limited**

Ebix Limited (formerly known as Eraaya Lifespaces Limited (EBIX | 531035 | INE432F01032)) is a global holding company of Ebix Inc. and its worldwide subsidiaries. Following a strategic transition in 2024, Ebix has evolved from its conventional roots in lifestyle and hospitality into a diversified, technology-led holding platform with operations across 13 countries serving enterprise & consumer markets worldwide.

Through Ebix Inc. and its operating global subsidiaries, Ebix has built a strong global presence across four core business segments: Technology, Payments, Travel, and Emerging Businesses.

The technology platforms business delivers on-demand software, SaaS solutions, and digital exchanges that support insurance, reinsurance, financial services, healthcare, risk and compliance and many more software products catering to various service segments. The cash payments segment provides technology-enabled payment solutions and financial transaction platforms catering to diverse use cases across geographies.

Ebix Travel is one of the group's key verticals, offering end-to-end travel with travel distribution solutions, including booking platforms, payments integration, and digital marketplaces that serve airlines, travel agencies, corporates, and consumers across international markets. In parallel, the company's emerging businesses include e-learning which focused on delivering digital education and training solutions designed to support skill development and professional learning at scale.

These businesses enable Ebix to operate across enterprise and consumer markets, supported by global delivery capabilities, long-standing client relationships, and process-driven platforms.
