OVAL Projects Engineering Limited Delivers Strong Execution Milestones and Secures New Projects in First Five Months of FY27

Mumbai, August 19th, 2026: OVAL Projects Engineering Limited (BSE - SME: 544498), is a specialized Infrastructure services provider and O&M company serving India's Oil & Gas sector, executing upstream gas gathering systems, cross-country pipelines, City Gas Distribution networks, and civil infrastructure across 10+ Indian states, today announced its business update for the first five months of FY27, highlighting significant execution milestones and continued strengthening of its project portfolio.

Order Details (Project Acquired Since April 2026)

Sr. No.	Client Name	Purchase Order Details	Amount (₹ crore)
1	Government of Tripura, PWD	Infrastructure Development of Asharambari H.S. School, Tripura	13.45
2	Indradhanush Gas Grid Limited (IGGL)	Last-Mile Gas Connectivity inside Numaligarh Refinery Limited under the North-East Gas Grid Project	7.10
3	CPWD, Government of India	Balance Electromechanical and Allied Works for Swimming pool at NIT Agartala, West Tripura	6.79
Total			27.34

Project Completed Successfully

Sr. No.	Client Name	Purchase Order Details
1	IGGL Pipeline Project	Completed 730 metres of HDD across the Barak River, demonstrating execution capability in technically challenging pipeline crossings
2	Assam Gas Company Limited (AGCL)	Station works completed successfully
3	Agartala Smart City Limited (ASCL)	Beautification of MG Bazar Pond
4	Indian Oil Corporation Limited (IOCL)	Pipeline laying at Koderma completed successfully under a City Gas Distribution (CGD) project

Management Perspective & Outlook

Mr. Goutam Debnath, Chairman and Managing Director of Oval Projects Engineering Limited, said:

"The first five months of FY27 have been marked by strong execution and continued expansion of our project portfolio. We successfully completed key assignments across pipeline, gas infrastructure and civil development, while securing three new projects since April 2026.

These achievements reflect the confidence of our customers in our execution capabilities and our ability to undertake diverse infrastructure projects. Going forward, we remain focused on disciplined execution, timely project completion and selectively pursuing opportunities aligned with our capabilities, while maintaining a strong focus on cash-flow discipline and sustainable growth."

About OVAL Projects Engineering Limited

OVAL Projects Engineering Limited is a specialized **infrastructure services and Operations & Maintenance (O&M) company** catering primarily to India's **Oil & Gas sector**. With over a decade of execution experience, the Company provides **end-to-end infrastructure solutions** spanning design & engineering, procurement, construction, testing & commissioning, and O&M services.

The Company has established a strong execution track record across **10+ states**, having completed **100+ projects and over 600 km of pipeline infrastructure**. Its capabilities extend across **upstream gas gathering systems, cross-country pipelines, City Gas Distribution (CGD) networks, and civil infrastructure**. Backed by long-standing relationships with leading **PSUs and government entities**, OVAL has built a strong base of repeat business, with a **70% repeat order rate**. The Company continues to scale its operations through a robust order book, diversified project pipeline, and growing execution capabilities.
