Dear Sir/Madam,

Sub:	**President of Kyrgyz Republic to Inaugurate Altyn Tor Gold Project of Deccan Gold's Subsidiary Avelum Partner LLC on 11 September 2026 – Disclosure pursuant to Regulatio 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

We are pleased to inform the shareholders and investors that Avelum Partner LLC, Kyrgyz Republic, a subsidiary of Deccan Gold Mines Limited, has received an official communication from the Naryn District State Administration, Kyrgyz Republic, stating that the gold processing plant of Avelum Partner LLC located at the Solton-Sary (Altyn Tor) Gold Project has been included in the list of enterprises proposed to be inaugurated online on 11 September 2026 as part of the celebrations marking the Independence Day of the Kyrgyz Republic, with the participation of His Excellency Mr. Sadyr N. Japarov, President of the Kyrgyz Republic. The occasion will also be attended by senior management personnel of Avelum Partner LLC and Deccan Gold Mines Limited, who will be present at the project site on 11 September 2026.

The communication further requests Avelum Partner LLC to undertake all necessary preparations in accordance with the prescribed procedures for the inauguration programme.

The Altyn Tor Gold Project represents a landmark achievement for Deccan Gold Mines Limited and its stakeholders. The project has successfully progressed from exploration and development to production and we believe it to be the first investment by an Indian company in the gold mining sector of the Kyrgyz Republic to reach the production stage.

Management Comment:

Commenting on this significant milestone, Dr. Hanuma Prasad Modali, Managing Director of Deccan Gold Mines Limited, said:

"The inclusion of the Altyn Tor Gold Project in the national inauguration programme presided over by the President of the Kyrgyz Republic is a matter of immense pride for Deccan Gold Mines Limited. This recognition reflects the importance of the project to the economic development of the Kyrgyz Republic and acknowledges the efforts of our teams and partners who have worked tirelessly to bring the project into production.

Altyn Tor is not only a major milestone for our Company but also holds historical significance as the first Indian investment in the gold mining sector of the Kyrgyz Republic to reach the production stage. We remain committed to building a world-class mining operation that creates long-term value for all stakeholders while strengthening the economic partnership between India and the Kyrgyz Republic."

The Company shall continue to keep the Stock Exchange informed of further material developments in this regard.

Kindly take the above information on record.

Yours truly
