Trident Lifeline Limited honoured for its outstanding contribution to India's Pharmaceutical Exports

Surat, Gujarat – September 8, 2026 – Trident Lifeline Limited has been honoured by the Pharmaceuticals Export Promotion Council of India (PHARMEXCIL) for its outstanding contribution to India's Pharmaceutical Exports during the year 2024–25. The recognition reflects the Company's continued contribution towards strengthening India's presence in the global pharmaceutical market. The prestigious award was presented in New Delhi on 7th September 2026 (Monday evening), during the 12th edition of the International Pharmaceutical Exhibition, held at Hall No. 2 FF, Bharat Mandapam, Pragati Maidan, New Delhi – 110001.

Recognition Highlights :

- The prestigious event witnessed the participation of more than **750 foreign delegates** representing over **100 countries**
- The exhibition served as an important international platform, bringing together pharmaceutical industry leaders, government representatives and global stakeholders
- The recognition acknowledges Trident Lifeline Limited's contribution to the growth and advancement of India's pharmaceutical exports

A milestone that reflects Trident Lifeline Limited's continued journey towards excellence and its commitment to contributing to India's growing global pharmaceutical presence

About Trident Lifeline Limited:

Trident Lifeline Limited ("Trident Lifeline" or the "Company") is a pharmaceutical and healthcare company with expertise in manufacturing finished dose pharmaceutical products, with a growing presence across global markets. The Company offers a diversified portfolio spanning pharmaceuticals, nutraceuticals, herbal products, injectables, personal care and medical devices, catering to a broad range of healthcare needs. Its operations are supported by a hybrid manufacturing model combining strategic manufacturing partnerships with integrated capabilities, enabling scalability, product quality and supply reliability. Trident Lifeline focuses on delivering quality-led healthcare solutions across domestic and international markets, supported by regulatory-compliant manufacturing capabilities, an expanding product portfolio and an established global distribution network.
