It is submitted that the petitioner has already deposited before the Registry of this Court the amount of ₹ 18 lakhs (Rupees Eighteen Lakhs Only) and further an amount of ₹ 7 lakhs (Rupees Seven Lakhs Only) has been directly paid to respondent no.1.

As such the submission of the learned counsel for the petitioner is that the principal decretal amount has been deposited as per the decree. However, owing to financial constraints, the petitioner has been unable to deposit the interest component and therefore, he prays for some reasonable time extension of three months to be granted by this Court to pay the interest component as per the decree. It is clarified that the said interest shall continue to accrue and be calculated up to the date of actual payment of interest.

Considering the conduct of the petitioner in having paid the principal decretal amount, this Court grants a further period of three months' from today, as prayed for, to deposit the interest component.

Let this matter be listed on 26th October, 2026.

By the said date, the entire interest component shall be paid and proof of the same be filed before the Registry of this Court.
