Sub: Receipt of Approval from Central Electricity Authority (CEA) for Energization of 300 MW Solar Power Project at Khavda, Gujarat for NLC India Renewables Limited.

Dear Sir/Madam,

We are pleased to inform you that **Bondada Engineering Limited ("the Company") has received the Approval for Energization from the Central Electricity Authority (CEA)** in respect of **300 MW grid-connected Solar Power Project at Khavda, Gujarat**, this project is being executed by the Company on an **Engineering, Procurement and Construction (EPC)** basis for **NLC India Renewables Limited**.

This approval marks a significant project milestone and paves the way for energization of the solar power plant, to add 300MW of Solar power to the grid. It further reflects the Company's strong execution capabilities in delivering large-scale renewable energy infrastructure projects for leading Central Public Sector Enterprises (CPSEs).

With this achievement, Bondada Engineering continues to strengthen its execution track record in utility-scale solar EPC projects and reinforces its position as a trusted partner in India's clean energy transition.

This is for your information and records.
