ITEM NO. 1: ALTERATION OF THE OBJECTS CLAUSE OF THE MEMORANDUM OF ASSOCIATION OF THE COMPANY

The Memorandum of Association ("MOA") of Riwind Green Energy Limited ("Company") presently contains fourteen Main Objects under Clause III(A), covering various business activities, including engineering, automobile components, renewable energy, agricultural and food products and other allied activities.

With a view to rationalising the existing objects and aligning them with the Company's proposed business strategy and focus on the renewable energy and sustainable infrastructure sectors, the Board of Directors, at its meeting held on Thursday, November 05, 2026, considered and approved, subject to the approval of the Members, the proposal to alter Clauses III(A) and III(B) of the MOA.

The proposed alteration seeks to retain existing sub-clause 1 and sub-clauses 3 to 8 of Clause III(A) without any change to their substantive contents; delete existing sub-clause 2 and sub-clauses 9 to 14 in their entirety; and insert six new Main Objects immediately after existing sub-clause 8. Consequent upon these changes, existing sub-clauses 3 to 8 will be renumbered as sub-clauses 2 to 7, and the six newly inserted sub-clauses will be numbered as sub-clauses 8 to 13. Accordingly, Clause III(A), as altered, will comprise thirteen Main Objects, with the six newly inserted objects primarily covering the following business activities:

1. Solar Power Development;
2. Engineering, Procurement and Construction (EPC) Solutions;
3. Hybrid Renewable Energy and Battery Storage;
4. Captive and Group-Captive Renewable Power Solutions;
5. Renewable-Energy-Powered Data Centres; and
6. Allied and Ancillary Renewable Energy Activities.

The proposed amendment preserves the existing Main Objects contained in sub-clause 1 and sub-clauses 3 to 8, while deleting only the existing sub-clause 2 and sub-clauses 9 to 14 and adding six

Main Objects relating to renewable energy, power infrastructure, energy storage, data centres and allied activities. The substantive contents of the retained Main Objects shall remain unchanged, save for their consequential renumbering as stated above.

The Board also proposes to amend Clause III(B) by (i) substituting sub-clause 1 with a provision enabling the Company to acquire, subscribe to, hold or dispose of shares, securities or interests in companies, special-purpose vehicles, joint ventures or other undertakings in furtherance of the Main Objects, and to invest surplus funds in accordance with applicable laws; and (ii) substituting sub-clause 14 with a general ancillary-objects provision aligned with Clause III(A). No deletion of sub-clause 2 or renumbering of the remaining sub-clauses of Clause III(B) is proposed.

The Board believes that the proposed alteration would provide greater clarity regarding the Company's principal business activities, align its constitutional documents with its intended business operations and enable the Company to undertake projects and business opportunities within the identified sectors, subject to applicable laws and regulatory approvals.

The proposed alteration is intended to define and align the permissible business activities of the Company and does not, by itself, constitute approval of any specific project, capital expenditure, investment or financial commitment. Any such proposal shall be considered separately and undertaken subject to the requisite approvals, wherever applicable.

Pursuant to the provisions of Sections 13 and 110 of the Companies Act, 2013, read with the applicable rules made thereunder, the proposed alterations to Clauses III(A) and III(B) require approval of the Members by way of a Special Resolution. Accordingly, the approval of the Members is being sought through Postal Ballot by remote e-voting.

A copy of the existing MOA and the proposed altered MOA shall be available for inspection by the Members at the Registered Office of the Company during business hours on working days up to the last date of remote e-voting. Members may also request electronic copies by writing to the Company at its designated email address.

The proposed alterations shall become effective upon registration of the alterations by the Registrar of Companies in accordance with Section 13 of the Companies Act, 2013.

None of the Directors, Key Managerial Personnel of the Company or their respective relatives is concerned or interested, financially or otherwise, in the proposed resolution, except to the extent of their shareholding, if any, in the Company.
