The Tax Department during the year has initiated proceedings under transfer pricing provisions for certain years. The company expects this to get extended to more periods that will have the effect of nullifying the tax exemption. The company has taken steps to legally defend its position and is reasonably confident of its case.

The company however opted to reassess its tax liability based on prudence for the past periods, but not conceding, the transfer pricing norm of tax department. Pursuant to this, the company during the current quarter has written down Rs.2053 lakhs of 'MAT credit receivable' and made additional tax provision of Rs.634 lakhs relating to earlier years and Rs.483 lakhs for the current year.

- 7 The company does not have any subsidiary/associate/joint venture entity(ies) as on 31st March 2026.

We have audited the accompanying standalone quarterly financial results of **Ponni Sugars (Erode) Limited** (the company) for the quarter ended 31.03.2026 and the year to date results for the period from 01.04.2025 to 31.03.2026, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results:

- i. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Results* section of our report. Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matters

We draw attention to the following notes to standalone quarterly financial results

- a) Note 5 regarding the recognition of additional tariff revenue and carrying cost consequent to the judgement dated 03 September 2025 of the Appellate Tribunal for Electricity (APTEL), granting the Company an enforceable right to recover additional tariff and carrying cost from Tamil Nadu Power Distribution Corporation Limited (TNPDC).

The APTEL has remanded the matter to the Tamil Nadu Electricity Regulatory Commission (TNERC) for passing consequential orders, the amounts recognised being ₹2,975 lakhs and ₹1,548 lakhs as Exceptional Items pertaining to prior periods, and ₹326 lakhs and ₹34 lakhs as current year Revenue from Operations and Other Income respectively are based on a reasonable and reliable estimate after applying the variable consideration constraint under Ind AS 115. The actual amounts recoverable will be determined upon TNERC passing its consequential order, and any difference will be adjusted as a change in accounting estimate in that period.

Our opinion is not modified in respect of this matter.

- b) Note 6 regarding the reassessment of tax liability consequent to the Income Tax Department's proposal to substitute the regulatory price adopted by the Company for captive consumption of bagasse with market price data, thereby nullifying the

Chartered Accountants

Section 80-IA deduction. While the Company remains confident of the correctness of its position and has contested the matter before the appropriate legal forum, on a prudent basis, the Company has reversed MAT credit entitlement of ₹2,053 lakhs carried forward as at 31st March 2025, and has made additional tax provisions of ₹634 lakhs for earlier years, based on management's best estimate computed by adopting the transfer pricing norms of the Income tax department.

Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Standalone Financial Results

These quarterly financial results as well as the year to date standalone financial results have been prepared on the basis of the interim financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- ❖ Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ❖ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- ❖ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- ❖ Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained,

whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- ❖ Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
