PRESS RELEASE

Himalaya Food International Ltd. Ships First-Ever Consignment of French Toast Sticks to the UK; Expands Global Presence.

New Delhi, May 08th 2026:

Himalaya Food International Ltd. (BSE: 526899) today announced the successful shipment of three containers of its Frozen French Toast Sticks to the United Kingdom, marking a significant milestone in the Company's marketing history.

This shipment follows the successful launch of the product earlier this year in Australia with the same customer, highlighting strong repeat demand and growing global acceptance of the Company's offerings.

Global Expansion Strategy

The Company has been exporting French Toast Sticks to the United States for several years, where the product has established a steady market presence. With entry into the UK, Himalaya has taken a significant step towards expanding into European markets, with plans for further scale-up.

Additionally, the Company is progressing towards market expansion into Japan, reinforcing its long-term strategy of building a diversified international footprint.

Management Commentary

"The shipment of our French Toast Sticks to the UK marks an important milestone in our global journey. Repeat business from our international customer across multiple geographies underscores the strength of our product and execution capabilities. With established presence in the U.S. and expansion into Europe and Japan, we are confident of sustained export growth."

Strategic Outlook

- Expansion into high-growth international markets
- Leveraging existing customer relationships across geographies
- Focus on value-added frozen food products
- Strengthening global distribution and brand presence
