Notes to Published Results:

[Amounts in hundreds]

- 1) The above Financial Results (as per Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations) have been reviewed by the Audit Committee of the Board and approved by the Board of Directors at its meeting held on 29th May 2026. The statutory auditors have audited the financial results for the Quarter and year to date ended March 31, 2026 as required under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 and had given an adverse conclusion as indicated in Note no. 15.
 - 2) The Financial statements as on 31.03.2026 are prepared in compliance with the Indian Accounting Standard (Ind As).
 - 3) The accumulated losses of the Company amount to Rs.2,50,03,609/- as of 31st March 2026 and the net worth of the Company as of 31st March 2026 is negative at Rs. 1,93,57,878/-.
 - 4) The accumulated losses of the company had exceeded its net worth during 2011-12. The Erstwhile BIFR has already approved a Sanctioned Scheme for the Company during 2010-11 and the Company is under re-habilitation period and is being monitored by the Monitoring Agency. Lack of executable orders and dull phase of Optical Fiber Cable (OFC) market from 2010-11 onwards is the main reason for such performance since then. The requirement of OFC in the country is huge; however, the delay is due to various procedural issues in execution of big projects by Govt. clients. As such the company is hopeful of improving its order book position. Considering this and anticipating financial support from its Holding Company TCIL, Govt of India's Department of Telecommunications etc, the accounts have been prepared on "Going Concern basis" for the present.
 - 5) Same accounting policies as that of last financial year are followed in the current year.
 - 6) Deferred tax: During the year the Company has not accounted / taken the credit / charge for the deferred tax assets / liabilities. The excess of timing difference over the deferred tax liability has been ignored for want of reasonable certainty of the company making taxable income in the near future. Similarly, for the same reason, certain other provisions made in the earlier years have been ignored for creation of deferred tax asset. The accumulated losses and carried forward depreciation under the tax laws have been ignored for creating the deferred tax asset considering that there is no reasonable certainty of the company making taxable income in the future.
 - 7) In view of the commitment by the company to pay Telecommunications Consultants India Limited (the holding company) on demand basis, the company has taken a conservative approach to reflect the amount due of Rs.1,85,77,041/- at book value and not at fair value. Further since the aforesaid financial liabilities are current in nature there would only be an immaterial finance cost/income involved, on account of restatement of the balances to fair value.
 - 8) The balances of debtors, creditors, advances and deposits payables/recoverables (other than Telecommunications Consultants India Limited (TCIL) as on 31st March 2026 are subject to confirmation.
 - 9) No provision is made for one long pending debtor amounting to Rs. 3,45,951/- (Net) in view of the arbitration proceeding completed against the Purchaser for which Award is received in favour of the Company but has been challenged by the Purchaser in the Court. The Court has remitted back to the Arbitrator for issuing speaking orders which has also been awarded in favour of the Company. The Purchaser has again appealed in the Court.
 - 10) No provision is made for Rs. 13,397/- due from RailTel which was under Arbitration. In the Arbitration case was appealed against the award in Delhi High Court which was disposed by Delhi High Court on 27.10.2021.
 - 11) Depreciation has been provided as per the requirement of Part C of Schedule II to the Companies Act, 2013.
 - 12) On 16.08.2021, theft took place in the Electrical Substation of the company's factory located at Maraimalai nagar, Chengalpattu District. Bus bars and accessories were stolen from two transformers, HT & LT panels and the electrical substation unit is in a damaged condition. A complaint has been filed in the local police station against which an FIR copy is also received. The company has also submitted for insurance claim with the Insurance company and it is in process. The valuation for the insurance claim was done by a professional Valuer, who has given an estimated valuation of Rs.48,970/- for the assets that were stolen. The same has been claimed for insurance. Insurance has been declined by New India Assurance Company. However company is still pursuing with New India Assurance Company.
- 13) Contingent Liabilities**
- a) Commercial Tax Department had demanded a sum of Rs.1,86,088 as Additional Sales Tax in respect of Financial Year 2000-2001 and 2001-2002 (up to November 2001). The company has obtained a Stay from Madras High Court against the collection of above demand by depositing a sum of Rs.75,000 with Commercial Tax Department as directed by the High Court while granting the stay. As the demand is disputed, the same is not provided for in the accounts. The case came up for hearing during November, 2011 and directions were issued to post the case along with the writ appeal before the Bench in another similar case where the judgment is in favour of the assessee. The writ petitions were heard by High Court, Madras, on 02-09-2015 and on 09-09-2015. On hearing the argument single Judge of High court Madras reserved the judgement and assessment orders have been quashed. Judgement copy received on 14.11.2025. As per the Order, no Additional Sales Tax (AST) is attracted in our case. Accordingly, TTL has submitted request letter to the Sales Tax office seeking a refund of Rs.75,000.
 - b) The Sales Tax department has demanded a sum of Rs. 22,950 during the financial year 2006-07 for non-submission of "C" Forms from BSNL / MTNL pertaining to AY 2001-02, 2002-03 and 2003-04. The Government has exempted "C" forms in respect of inter-state sales to BSNL / MTNL. The company has represented to the Department and also referred the matter to BSNL / MTNL. Next hearing date is not yet fixed.
 - c) The Customs Authority has demanded an amount of Rs. 102,067 towards difference in classification of Optical Fibre during the year 2006-07. However, the order of the Commissioner of Customs has come in favour of the Company during the year 2009-10 dropping the proceedings. Department has gone for appeal against the order. The company has filed the Counter. The Tribunal vide its Final Order dated 19/12/2017 remanded the matter back to the Commissioner for fresh decision after the outcome of the case pending in Supreme Court on the issue of jurisdiction of DRI to issue the notice. As such, the issue has to be argued and decided afresh.
 - d) Total penalty amounting to Rs. 47,766/- is levied by the BSE and NSE stock exchanges pursuant to non-compliance with SEBI(Listing Obligations & Disclosure Requirements) during the year 2018-19 and Rs.38,373/- during the year 2019-20. The Company has made written representation to the Stock exchanges for waiver of this penalty.

14) Previous period's amounts are regrouped and rearranged to conform to the current period's classification.

15) The financial results have been reviewed by the Statutory Auditors as required under Regulation 33 of SEBI(Listing Obligations and Disclosure Requirements) Regulations, 2015 and adverse conclusion has been given in the audit report on the financial results for the quarter/period ended March 31, 2026 in respect of the following matters:

a) The Company's financial statements have been prepared using the going concern assumption of accounting. However, the Company's accumulated losses of Rs.2,50,03,609/ has eroded the Net Worth of the Company, indicating the existence of material uncertainty that may cast a doubt about the Company's ability to continue as a Going Concern. The Company has not operated its factory since August 2017.

As per Standard on Auditing (SA) 570, "If the financial statements have been prepared using the going concern basis of accounting but, in the auditor's judgment, management's use of the going concern basis of accounting in the financial statements is inappropriate, the requirement in paragraph 21 for the auditor to express an adverse opinion applies regardless of whether or not the financial statements include disclosure of the inappropriateness of management's use of the going concern basis of accounting."

Hence, considering the cumulative effect of the factors detailed in the above paragraph in the revival of the company, the auditors have concluded that the Going Concern assumption of the management in preparation of financial statements is inappropriate.

b) The Company has not recognized the following financial liability/asset at fair value in terms of Ind AS 109 and impact of the same on the financial Statements is not ascertainable.

- i. Amount due to Fujikura Ltd amounting to Rs.2,19,421/- and
- ii. Trade receivables amounting to Rs.4,70,003/-

16) The Auditors have drawn attention to the following matters in their audit report for the year ended 31st March 2026:

a) The balances carried in the debtors, creditors, advances & deposits payable / recoverable are subject to confirmation from all parties (other than Telecommunications Consultants India Limited).

17) Revival of TTL

(a) Request for Proposal (RFP) No. TTL/RFP/22-23/CHENNAI/02 dated 15.03.2023 was published on 16.03.2023 in the websites of TCIL (www.tcil.net.in) and TTL (www.ttlofc.in) for grant of lease of manufacturing facilities and premises of TTL Factory at Maraimalai nagar, near Chennai, Tamilnadu. It was also advertised in the leading newspapers All India English edition and Chennai Tamil edition. Single quote was received for Grant of Lease of the Manufacturing Facilities and Premises of TTL located in Maraimalai Nagar, near Chennai, Tamilnadu, on lease cum revenue sharing model basis. The bid has been accepted. With the approval from competent authority LoA has been issued to the party on 24.05.2023. Electricity connection has been restored on 12.04.2024. After signing of Lease cum revenue sharing agreement, TIDCO vide its letter Dt. 10.10.2023 informed TTL to refrain from proceeding further with the proposal of leasing and not to execute / register the lease. The Lessee did not take over the factory. The lease has been cancelled. Company is exploring other possible avenues to generate revenue.

(b) Diversification of business is being explored to sustain in the competitive cable industry.

(c) Business partners are being explored / contacted for fresh investment in the company for revival of the factory and in the new areas of business.
