Dear Sir / Madam,

Sub.: Agreement with India's Defence Research and Development Organisation (DRDO) – Ministry of Defence

We are pleased to inform you that India's Defence Research and Development Organisation ('DRDO') – Ministry of Defence has signed with us an Agreement in respect of project, "Indigenous Manufacturing of Sodium Borohydride Chemical in Bulk", to accelerate the indigenous process development for a critical defence material.

DRDO has released communication in this regard today i.e. on July 30, 2026 on their social media platform which is reproduced herein below:

"Strengthening India's indigenous defence capabilities, the Technology Development Fund (TDF) Scheme has awarded a project on "Indigenous Manufacturing of Sodium Borohydride Chemical in Bulk" to M/s Navin Fluorine International Limited. DRDO will provide grant in aid and technological support to the industry for developing this technology

This collaboration will accelerate the indigenous process development for a critical defence material and further strengthen India's defence R&D Ecosystem. [#TDF](#) [#MakeInIndia](#) [#DefenceInnovation](#)

We take immense pride in our collaboration with DRDO - Ministry of Defence and in contributing towards "Make in India" initiative of the Government.

This intimation is also being made available on the Company's website www.nfil.in.

Kindly take this information on your record.

Thanking You,

Yours faithfully,

For **NAVIN FLUORINE INTERNATIONAL LIMITED**

Niraj B. Mankad

President Legal and Company Secretary
