Dear Sir/Madam,

This is with reference to the captioned subject and in compliance with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We wish to inform your good office that the Company is currently undertaking the process of revamping and redesigning its official corporate website, www.fmecinternational.com, to provide an improved and enhanced user experience for shareholders, investors, and stakeholders.

In connection with the above upgradation activities, including technical hosting migration and implementation of the new website framework, the website is temporarily non-operational. Our technical and IT teams are actively working on the same, and the upgraded website is expected to be fully restored and operational within the next 10–15 days.

We further assure the Exchange that all material events, financial results, and statutory disclosures are being duly filed with the BSE Listing Centre in compliance with the applicable regulatory requirements. During this interim period, shareholders and investors may continue to access all Company-related disclosures and announcements directly through the BSE website.

We request you to kindly take the above information on record. The Company shall keep the Exchange informed upon the successful restoration and launch of the upgraded website.

You are requested to take the same on your record.
